**Love's Own Truths** Bert Hellinger,2001

**Lest We Lose Love** Scherto Gill,2023-04-18 Few are aware that since antiquity there has always been the philosophy of love at the core of Western culture It articulates what makes life meaningful and worthwhile and how we can live a good life together through an ethic of love This book fills this

significant gap not only reconnecting the reader with such important wisdom and more crucially also reorienting our socio economic institutions and collective actions towards more loving and caring and more concerned with the qualities of our lived experiences By re-discovering the gifts of love we may challenge the existing systemic dehumanisation and draw from knowledge and understanding already present in our culture This is timely because the global crises we are facing are catastrophic especially when it comes to climate change Therefore we must respond from a place of love rather than fear Whether it is reducing the use of fossil fuels lowering greenhouse emission choosing the right food to eat or advocating for structural transformation our concerted endeavours start with an appropriate appreciation of the nature of our well being which includes the planet's well-being This book highlights a clear pathway forward to ensure collective healing and co-flourishing with nature we must practise the art of loving

**Marriage and Modernization** Don S. Browning, 2003-03-20 The processes of modernization and globalization promise more wealth and health for many people But they are also a threat to the stability and quality of marriage and family life This new book at once sobering and constructive looks at the impact of these processes on marriage and asks what Christianity in cooperation with other religions can do to strengthen married life today Among the deleterious effects of modernization and globalization on marriage are a worldwide drift of men away from the responsibility of parenthood and the tendency of mothers too readily to take on the task of childrearing alone After looking at recent research on these and other problems Don Browning suggests that the cure for modern marital disruption entails reforming and reconstructing the institution of marriage while also nurturing relevant forms of social support Yet the effort to initiate a world marriage revival requires a complex cultural work and Browning explores the key contributions that the religions of the world must make for such an effort to be successful

Encountering the Sacred Rebecca Todd Peters, Grace Yia-Hei Kao, 2018-12-27 Many women of faith are interested in having deep conversations with their friends and families about issues they face in their personal lives Unfortunately there is a dearth of feminist and theologically progressive materials for these women to turn to for counsel or advice Simultaneously there are a growing number of theologically trained biblical scholars theologians and ministers who are experiencing similar life challenges but who are generally discouraged from writing about these experiences in ways that would be accessible to the general public This book bridges the chasm between Christian laywomen and feminist theologians For the last fifty years feminist theologians have sought to reimagine Christian theology in ways that speak to the realities

and complexities of women's lives. They have also sought to use women's experience as the starting point for theological reflection in the same way that men's lives have shaped the history of Christian theology for the past 2000 years. In this book, feminist Christian scholars of theology and religion use the tools of their trade to examine powerful personal life experiences and to search for new and empowering ways of understanding the power of the sacred as they have experienced it.

**Wisdom, Glory and the Name** Priest-Monk Silouan, 2013-12-06 A collection of scholarly essays on the role of women in Eastern Christianity in Antiquity and through to contemporary times. Falling North Joyelle Lee, 2018-04-30 Have you ever been told to simply let go and let God yet found it near impossible to do? Whether it's a negative thought pattern, a toxic relationship, a destructive habit, or a lie camouflaging itself as truth, they each have the potential power and pull to deplete us of joy and strip us of purpose. *Falling North* is a personal spiritual and biblical outline as to the overview of God's how-to blueprint of a person's ability to trust and ultimately fully surrender. *Falling North* is not simply a set of steps to follow in order to obtain freedom but a spiritual encounter which will enable the reader to experience the tender, transformational, sufficient love of Christ. A transformative love administered and deposited perfectly into the deepest, hurting, darkest, broken, and depleted spaces of the heart. **The Intellectual repository for the New Church. **The Atonement in New Testament Teaching** Vincent Taylor, 2009-05-19 In this book, Dr. Taylor develops more fully the treatment of the doctrine of the Atonement set out in the closing section of his earlier work *Jesus and His Sacrifice*. Here he examines the whole of the New Testament evidence relating to the Atonement and attempts a constructive statement of the theory in which attention is given to points which require further elucidation and treatment. The aim throughout is practical and the method positive. Hidden Prophets of the Bible Michael Williams, 2017-08-01 From an expert on Bible translation and interpretation comes a revealing look at the Minor Prophets. Michael Williams, PhD, takes readers on a journey from Hosea to Malachi, uncovering significant messages about Jesus and the gospel. Making these often overlooked books accessible, Williams gives insight into each of the minor prophets, exploring little-known facts about the prophet. The gospel according to the prophet. Why the prophet should matter to readers. Though the Minor Prophets of the Old Testament may seem obscure, readers will discover the significance that lies within these short books and how the relevance of these books will help grow their faith. Questions prompt readers to reflect on what each prophet's message means for their own faith.

*God as Loving Grace* Barry L. Callen, 2018-06-27 This work impressively documented, avoids fruitless speculation and gets down to the basics of the Christian faith. In a clear writing style, the author powerfully articulates the unique activity of Father, Son, and Holy Spirit and shows how the work of each complements the other. Dr. Kenneth Kinghorn, Dean of the School of Theology, Asbury Theological Seminary, focuses on all that is important. This book, biblical throughout, proceeds from the perspective of God's loving grace and maintains this perspective as the whole revelation of God is unfolded in its light. The Trinity is rightly

honored as this theology interacts helpfully with many other theological views and clarifies anew much that traditionally has been valued This is fresh material that serves the church fruitfully and also speaks meaningfully to contemporary culture exactly what good theology should do Rev Dr James Earl Massey Dean Emeritus Anderson University School of Theology Dr Barry L Callen is Professor of Theology and Dean Emeritus of Anderson University and School of Theology Former Editor of the Wesleyan Theological Journal and current Editor of Aldersgate Press he holds graduate degrees in theology from Anderson Asbury and Chicago Theological Seminaries and has authored numerous books on theology

**Prayers for Repentance** Revd Elijah Turner, 2024-12-03 Repentance is a central concept in many religious traditions particularly in Christianity It is the process of turning away from sin seeking forgiveness and making a conscious effort to change one's life for the better The idea of repentance is deeply tied to the notion of spiritual renewal as it offers a path for individuals to reconcile with God and restore their relationship with Him However repentance is not simply a one time act it is an ongoing journey that calls for continuous reflection humility and a willingness to change In the Christian faith repentance is described as a vital part of the process of salvation In the New Testament John the Baptist calls for repentance saying Repent for the kingdom of heaven has come near Matthew 3:2 Jesus Himself emphasizes the need for repentance throughout His ministry urging His followers to repent and believe the good news Mark 1:15 The Apostle Paul also highlights the importance of repentance in his letters urging believers to turn away from their sinful ways and live in accordance with God's will Repentance involves more than just acknowledging one's mistakes It requires a sincere heart a deep sense of remorse for one's sins and a commitment to change This change is not merely external but internal transforming one's heart and mind It is a spiritual renewal that leads to a closer walk with God and a deeper understanding of His grace and mercy The Bible speaks of repentance as a form of cleansing purifying the heart and soul from the stain of sin and restoring a person to their rightful place in God's presence Throughout the pages of this eBook we will explore the concept of repentance in greater detail We will examine its significance its role in spiritual growth and its power to bring about lasting change We will also look at how prayers for repentance can be a powerful tool in this journey Prayers offer a way to express sorrow for our sins seek forgiveness and invite God's help in transforming our lives It is important to understand that repentance is not a punishment but a gift It is an opportunity for spiritual growth healing and renewal It is a chance to realign one's life with God's purpose and experience the transformative power of His love and forgiveness As we delve into the chapters that follow we will reflect on the various aspects of repentance and how we can use prayer to seek God's guidance and forgiveness Repentance is often misunderstood as simply feeling sorry for our sins While remorse is indeed a part of repentance it goes beyond emotional regret True repentance involves a conscious decision to turn away from sin and to walk in the ways of righteousness It is an active process of transformation where one chooses to live in obedience to God's commands and to pursue holiness This process can be challenging but it is also immensely rewarding It is through repentance that we begin to

experience the fullness of God's grace and the joy of living in right relationship with Him. As you read this eBook I encourage you to approach each chapter with an open heart and a willingness to examine your own life. Reflect on your relationship with God and consider areas where repentance may be needed. Allow the prayers and reflections in this eBook to guide you in your journey toward spiritual renewal. Remember no matter how far we may have strayed from God there is always hope for restoration through the power of repentance. The love and mercy of God are infinite and He is always ready to forgive and restore those who come to Him with a humble and contrite heart.
