Joseph Iannuzzi, Perhaps no Christian prophecy carries with it the drama and intrigue than that of the coming of the Antichrist history's quintessential demonic tyrant His brief but terrible reign is to come at the climax of a spiritually dark age in man's history Indeed the 20th century alone saw three popes comment on the appearance and rise of the Antichrist Pius X Paul VI and John Paul II fueling speculation that his reign was near Today as the world sinks deeper into moral depravity and intellectual confusion talk of the Antichrist's rise again fills the air Christian leaders believe this is because the signs of his coming heresy apostasy and iniquity have reached unparalleled levels So is the coming of the Antichrist right around the corner In this powerful book Antichrist and the End Times Fr Joseph Iannuzzi takes a hard look at this prophecy its history and the conditions necessary to bring about its fulfillment offering readers a unique glimpse at an eschatological mystery rooted in the Book of Revelation This is a book you won't be able to put down *The Handbook for the End Times* Don Finto, 2018-07-03 Hopeful Message for the Days Ahead from a Bestselling Author The future of this planet has never looked bleaker or brighter The darkest time in all of history as well as the most brilliant for the people of God lies before us Jesus own words about the wheat and the weeds warn us of this Let both grow together until the harvest In a hopeful inspiring call to action bestselling author and pastor Don Finto challenges believers the world over to become radical God empowering miracle working people rescuing followers of Jesus as the final harvest nears Delving into Scripture he shows how we can prepare for the exciting possibilities of the days ahead including how to press into the light shine more brightly in the deepening darkness protect ourselves during the ultimate Passover watch for the signs of Jesus return wrestle for victory and more Evil may be on the rise But even greater is God's army and our best days lie ahead *Religious Myths and Visions of America* Christopher Buck, 2009-04-30 At the heart of American studies is the idea of America itself Here Buck looks at the religious significance of America by examining those religions that have attached some kind of spiritual meaning to America The author explores how American Protestantism and nine minority faiths have projected America into the

mainstream of world history by defining and by redefining America's world role. Surveying the religious myths and visions of America of ten religions, Buck shows how minority faiths have redefined America's sense of national purpose. This book invites serious reflection on what it means to be an American, particularly from a religious perspective. Religious myths of America are thought-orienting narratives that serve as vehicles of spiritual and social truths about the United States itself. Religious visions of America are action-oriented agendas that articulate the goals to which America should aspire and the role it should play in the community of nations. Buck examines the distinctive perspectives held by ten religious traditions that inform and expand on the notion of America and its place in the world. He covers Native American, Protestant, Catholic, Jewish, Mormon, Christian Identity, Black Muslim, Islamic, Buddhist, and Baha'i beliefs and invites serious reflection on what it means to be an American, particularly from a religious perspective.

Understanding End Times Prophecy

Paul Benware, 2006-05-01. Many Christians think of end times prophecy as a gigantic, intimidating puzzle difficult to piece together and impossible to figure out. But every puzzle can be solved if you approach it the right way. Paul Benware compares prophecy to a picture puzzle. Putting the edge pieces together first builds the framework that makes it easier to fit the other pieces in their place. According to Benware, the framework for eschatology is the biblical covenants. He begins his comprehensive survey by explaining the major covenants. Then he discusses several different interpretations of end times prophecy. Benware digs into the details of the Rapture, the Great Tribulation, the judgements and resurrections, and the millennial kingdom. But he also adds a unique personal element to the study, answering questions such as: Why study bible prophecy? What difference does it make if I'm premillennial or amillennial? If what the Bible says about the future puzzles you, *Understanding End Times Prophecy* will help you put together the pieces and see the big picture.

The Routledge

Companion to Christian Ethics. D. Stephen Long, Rebekah L. Miles, 2023-01-01. The Routledge *Companion to Christian Ethics* brings together two different but related disciplines: the first is contemplative or theoretical, asking what are the beliefs or doctrines that characterize Christianity; whilst the second is practical, asking what are the ethical practices that attend its teachings. The movement between the theoretical and practical aspects is not, however, one-way, as doctrine and life are mutually informing. In this comprehensive volume, leading scholars address key topics, problems, and debates in this hotly debated topic within a truly global context. Comprising over 35 chapters by a team of international contributors, the handbook is divided into three parts based on the three persons of the Trinity: God the Father, God the Son, and God the Holy Spirit. Within these sections, cutting-edge issues are examined, including God and genetics, war, peace, and violence, white supremacy, creation and sexuality, digital ethics, transgender studies, climate change, immigration, and refugees. Adopting a practical approach that must consider new concerns that have arisen with recent social, political, and cultural shifts, *The Routledge Companion to Christian Ethics* is essential reading for students and researchers in Christian ethics, religious ethics, and Christianity studies. The handbook will also be very useful for those in related fields such as ethics and philosophy.
