Marlene Laruelle

Restructuring Post Communist Russia:

Restructuring Post-Communist Russia Yitzhak Brudny, Jonathan Frankel, Stefani Hoffman, 2004-06-21 Since the fall of the Soviet Union in 1991 the question of whether Russia has been the source of ceaseless speculation both at home and abroad In search of answers twelve highly qualified scholars examine the complex interplay between continuity and change that has marked developments in Russia under the leadership first of Boris Yeltsin and now of Vladimir Putin Analysing the recent past they also peer into the country's future In his introduction to the volume Peter Rutland asks whether we are witnessing the gradual entrenchment of parliamentary democracy the slow return to autocracy or mere political stagnation

Restructuring Post Communist Russia poses the fundamental questions while providing the information and analysis needed to give the at least preliminary answers *Ethnic Relations in Post-Soviet Russia* Andrew Foxall, 2014-10-03 While the

collapse of communism in Russia was relatively peaceful ethnic relations have been deteriorating since then This deterioration poses a threat to the functioning of the Russian state and is a major obstacle to its future development

Analysing ethnic relations in the North Caucasus this book demonstrates how a myriad of processes that characterised post Soviet transition including demographic change economic upheaval geopolitical instability and political restructuring have affected daily life for citizens It raises important questions about ethnicity identity nationalism sovereignty and territoriality in the post Soviet space *Divergent Paths in Post-Communist Transformation* O. Havrylyshyn, 2006-02-20 The most

comprehensive and up to date analysis of the successes and failures of 27 countries post communism transformation Looking at life after the fall of the Berlin wall in 1989 the book examines and contrasts why some countries have virtually completed their transformation to a liberal polity and economy while others lag behind **The Political Economy of Post-Soviet**

Russia V. Tikhomirov, 2000-05-15 This book deals with general political and economic developments that took place in Russia since the collapse of the Soviet Union The major aim of the book is to analyse successes and failures of Russian reform attempts as well as their effect on the development of Russian regions particularly from the point of view of interrelation between socio economic tendencies and political developments Analysis concentrates on both national dynamics and dynamics of development in three main groups of regions mining agricultural and manufacturing **Postcommunist**

Welfare States Linda J. Cook, 2013-07-02 In the early 1990s the countries of the former Soviet Bloc faced an urgent need to reform the systems by which they delivered broad basic social welfare to their citizens Inherited systems were inefficient and financially unsustainable Linda J Cook here explores the politics and policy of social welfare from 1990 to 2004 in the Russian Federation Poland Hungary Belarus and Kazakhstan Most of these countries she shows tried to institute reforms based on a liberal paradigm of reduced entitlements and subsidies means testing and privatization But these proposals provoked opposition from pro welfare interests and the politics of negotiating change varied substantially from one political arena to another In Russia for example liberalizing reform was blocked for a decade Only as Vladimir Putin rose to power did the

country change its inherited welfare system Cook finds that the impact of economic pressures on welfare was strongly mediated by domestic political factors including the level of democratization and balance of pro and anti reform political forces Postcommunist welfare politics throughout Russia and Eastern Europe she shows are marked by the large role played by bureaucratic welfare stakeholders who were left over from the communist period and in weak states by the development of informal processes in social sectors Left Parties And Social Policy In Postcommunist Europe Linda J Cook,2020-04-28 This book attempts to explain why and to evaluate what the return of the left has meant for the social policy of the states they have helped govern It focuses on the East Central European countries of Poland Hungary and the Czech Republic significantly Russia *Rural Adaptation in Russia* Stephen K. Wegren,2022-05-19 The current dominant approach to Russian peasant behaviour emphasizes rural resistance to reform in broad terms and to the introduction of market forces in particular Bringing together some of the finest scholars on rural Russia this groundbreaking volume examines this perception with an analysis of both historical and contemporary patterns of rural adaptation in Russia Four articles included analyze peasant responses in the post Soviet era and focus on the relationship between poverty and rural adaptation the social origins of private farmers in southern Russia and Ukraine response patterns by large farms formerly collective and state farms household adaptation using a standardized set of criteria This fascinating book gives an illuminating picture of the ways in which peasants respond to new environmental conditions and stimuli created by reform The substantive material included draws on fieldwork and survey data collected from rural Russia from the Stolypin reforms in the pre Soviet era and collectivisation of agriculture during the 1930s in the Soviet era This book was previously as a special issue of The Journal of Peasant Studies *The Politics of Protest in Hybrid Regimes* Graeme B. Robertson,2010-12-20 Since the end of the Cold War more and more countries feature political regimes that are neither liberal democracies nor closed authoritarian systems Most research on these hybrid regimes focuses on how elites manipulate elections to stay in office but in places as diverse as Bolivia Georgia Kyrgyzstan Serbia Thailand Ukraine and Venezuela protest in the streets has been at least as important as elections in bringing about political change The Politics of Protest in Hybrid Regimes builds on previously unpublished data and extensive fieldwork in Russia to show how one high profile hybrid regime manages political competition in the workplace and in the streets More generally the book develops a theory of how the nature of organizations in society state strategies for mobilizing supporters and elite competition shape political protest in hybrid regimes Migration, Refugee Policy, and State Building in Postcommunist Europe Oxana Shevel,2011-10-24 Why do similar postcommunist states respond differently to refugees Why do some states privilege certain refugee groups while other states do not This book presents a theory to account for this puzzle and it centers on the role of the politics of nation building and of the office of the UN High Commissioner for Refugees UNHCR A key finding of the book is that when the boundaries of a nation are contested and thus there is no consensus on which group should receive preferential treatment in state policies a political space for a receptive

and nondiscriminatory refugee policy opens up The book speaks to the broader questions of how nationalism matters after communism and under what conditions and through what mechanisms international actors can influence domestic policies The analysis is based on extensive primary research the author conducted in four languages in the Czech Republic Poland Russia and Ukraine **Perpetrators, Accomplices and Victims in Twentieth-Century Politics** Anatoly M.

Khazanov, Stanley Payne, 2013-09-13 These studies examine the ways in which succeeding democratic regimes have dealt with or have ignored and in several cases sugar coated an authoritarian or totalitarian past from 1943 to the present They treat the relationship with democratization and the different ways in which collective memory is formed and dealt with or ignored and suppressed Previous books have examined only restricted sets of countries such as western or eastern Europe or Latin America The present volume treats a broader range of cases than any preceding account and also a much broader time span investigating diverse historical and cultural contexts and the role of national identity and nationalism studying the aftermath of both fascist and communist regimes in both Europe and Asia in an interdisciplinary framework while the conclusion provides a more complete comparative perspective than will be found in any other work The book will be of interest to historians and political scientists and to those interested in fascism communism legacies of war democratization collective memory and transitional justice This book was previously published as a special issue of *Totalitarian Movements and Political Religions* **Identities and Politics During the Putin Presidency** Philipp Casula, Jeronim

Perovic, 2009-11-01 How could an undemocratic regime manage to stabilise Russia What is Putin's success formula What are the symbolic and discursive underpinnings of Russia's new stability Many outside observers of Russia regarded the authoritarian tendencies during the Putin presidency as a retreat from or even the end of democratization Rather than attempting to explain why Russia did not follow the trajectory of democratic transformation this book aims to attain an understanding of the stabilization process during Putin's tenure as president Proceeding from the assumption that the stability created under Putin is multi layered the authors attempt to uncover the underpinnings of the new equilibrium inquiring especially about the changes and fixations that occurred in the discourses on political and national identity In doing so the authors analyse the trajectories of the past years from the traditional perspective of transitology as well as through the lens of post structuralist discourse theory The two approaches are seen as complementary with the latter focusing less on the end point of transition than on the nature of the mechanisms that stabilize the current regime The book focuses on how nationalism became an increasingly important tool in political discourse and how it affected political identity Sovereign democracy is seen by many contributors as the most explicit manifestation of a newfound post Soviet identity drawing on nationalist ideas while simultaneously appeasing most sectors of the Russian political spectrum The Politics of War Commemoration in the UK and Russia Nataliya Danilova, 2016-01-13 This book analyses contemporary war commemoration in Britain and Russia Focusing on the political aspects of remembrance it explores the instrumentalisation of memory for

managing civil military relations and garnering public support for conflicts It explains the nexus between remembrance militarisation and nationalism in modern societies

Russia in the Twentieth Century David R. Marples, 2014-01-14 The history of Russia as the natural successor to the Soviet Union is of crucial importance to understanding why communism ultimately lost out to Western democracy and the free market system David Marples presents a balanced overview of 20th century Russian history and shows that although contemporary Russia has retained many of the practices and memories of the Soviet period it is not about to revert back to the Soviet example

Is Russia Fascist? Marlene Laruelle, 2021-03-15 In *Is Russia Fascist* Marlene Laruelle argues that the charge of fascism has become a strategic narrative of the current world order Vladimir Putin's regime has increasingly been accused of embracing fascism supposedly evidenced by Russia's annexation of Crimea its historical revisionism attacks on liberal democratic values and its support for far right movements in Europe But at the same time Russia has branded itself as the world's preeminent antifascist power because of its sacrifices during the Second World War while it has also emphasized how opponents to the Soviet Union in Central and Eastern Europe collaborated with Nazi Germany Laruelle closely analyzes accusations of fascism toward Russia soberly assessing both their origins and their accuracy By labeling ideological opponents as fascist regardless of their actual values or actions geopolitical rivals are able to frame their own vision of the world and claim the moral high ground Through a detailed examination of the Russian domestic scene and the Kremlin's foreign policy rationales Laruelle disentangles the foundation for meaning and validity of accusations of fascism in and around Russia *Is Russia Fascist* shows that the efforts to label opponents as fascist is ultimately an attempt to determine the role of Russia in Europe's future

Identity and Foreign Policy Mr Piret Ehin, Professor Eiki Berg, 2013-03-28 Baltic Russian relations have been complicated and tense since the collapse of the USSR and the restoration of Estonian Latvian and Lithuanian independence Although Baltic accession to the European Union EU has created a new international context for interstate relations in the region enlargement did not bring about the much hoped for improvement in Baltic Russian relations This case study rich volume examines links between identity memory politics and foreign policy It analyzes and explains developments in Baltic Russian relations after both NATO and EU enlargement focusing on the incompatibility of Baltic and Russian post Soviet national identity constructions and the manifestations of this underlying antagonism in bilateral relations and on the broader European and international arena Built on the constructivist perspective in international relations this volume provides a coherent and illuminating account of the dynamics of Baltic Russian relations after NATO and EU enlargement Combining policy relevant analysis with theoretical insights it will meet the needs of academics and students of foreign policy EU external relations and international relations more generally

[The Oxford Handbook of Pierre Bourdieu](#) Thomas Medvetz, Jeffrey J. Sallaz, 2018 *The Oxford Handbook of Pierre Bourdieu* examines the legacy of one of the most influential social thinkers of the last half century Taken together these writings offer a comprehensive overview of Bourdieu's biography his main theoretical ideas and his ongoing influence

on the social sciences **Routledge Handbook of Russian Politics and Society** Graeme Gill, James Young, 2013-03 There is an ever burgeoning number of books analyzing the Russian experience or aspects of it This Handbook is the first single volume which gives both a broad survey of the literature as well as highlighting the cutting edge research in the area Through both empirical data and theoretical investigation each chapter in the Routledge Handbook Russian of Politics and Society examines both the Russian experience and the existing literature points to research trends and identifies issues that remain to be resolved Offering focused studies of the key elements of Russian social and political life the book is organized into the following broad themes General introduction Political institutions Political Economy Society Foreign Policy Politically economically and socially Russia has one of the most interesting development trajectories of any major country This Handbook seeks to answer questions about democratic transition the relationship between the market and democracy stability and authoritarian politics the development of civil society the role of crime and corruption and the creation of a market economy Providing a comprehensive resource for scholars and policy makers alike this book is an important contribution to the study of Russian Studies Eastern European studies and International Relations **Dilemmas of Transition in Post-Soviet Countries** Joel C. Moses, 2003 Exploring the tensions inherent in transition this perceptive book offers a wide ranging overview of the impact of democracy and capitalism on the former Soviet republics Leading scholars assess the region's daunting problems in the key realms of privatization democratization foreign investment agrarian reform local governance and market economics The contributors argue that the central dilemma facing all these fledgling countries is the inherent contradiction between the immediate pursuit of privatization and foreign investment and the long term policy goal of democratization Offering both theoretical and comparative perspectives on the far reaching implications of nation building and democratic transition this valuable study will enable both students and scholars to comprehend the unique difficulties of transition *Return to Putin's Russia* Stephen K. Wegren, 2013 Now in a thoroughly revised expanded and updated edition this classic text provides the most authoritative and current analysis available of the challenges facing Putin as he resumes the presidency Leading scholars explore the daunting domestic and international problems confronting Russia today Evaluating the regime's continued efforts to rebuild a country once on the verge of collapse the contributors consider a comprehensive array of economic political foreign policy and social issues Clearly written and organized this text is an indispensable guide for anyone wanting to understand Russia today *The Comparative Approach to National Movements* Alexander Maxwell, 2014-07-16 Miroslav Hroch's Social Preconditions of National Revival has profoundly influenced the study of nationalism since it first appeared in English translation particularly because of its famous three phase model for describing and analyzing national movements in Eastern Europe Contributors to this book explore Hroch's continued relevance to the field of nationalism studies with four case studies and two theoretical historiographic essays Two case studies apply Hroch's thinking to Eastern Europe in light of subsequent historiography finding that Hroch's ideas remain

useful for understanding national movements in Belarus and among the Kuban Cossacks Two further studies apply Hroch's schema to the Mexican independence movement and contemporary Pakistan times and places that Hroch specifically excluded from his own considerations The first theoretical contribution seeks to apply Begriffsgeschichte to Hroch's work the second suggests that Hroch's phases form a useful typology of nationalism thus facilitating communication between different branches of nationalism studies Hroch ends the volume with his own commentary on the various contributions This book was published as a special issue of Nationalities Papers

Restructuring Post Communist Russia Introduction

Restructuring Post Communist Russia Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Restructuring Post Communist Russia Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Restructuring Post Communist Russia : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Restructuring Post Communist Russia : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Restructuring Post Communist Russia Offers a diverse range of free eBooks across various genres. Restructuring Post Communist Russia Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Restructuring Post Communist Russia Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Restructuring Post Communist Russia, especially related to Restructuring Post Communist Russia, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Restructuring Post Communist Russia, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Restructuring Post Communist Russia books or magazines might include. Look for these in online stores or libraries. Remember that while Restructuring Post Communist Russia, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Restructuring Post Communist Russia eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Restructuring Post Communist Russia full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Restructuring Post Communist Russia eBooks, including some popular titles.

FAQs About Restructuring Post Communist Russia Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading

preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Restructuring Post Communist Russia is one of the best book in our library for free trial. We provide copy of Restructuring Post Communist Russia in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Restructuring Post Communist Russia. Where to download Restructuring Post Communist Russia online for free? Are you looking for Restructuring Post Communist Russia PDF? This is definitely going to save you time and cash in something you should think about.
