Restructuring The National Economy:

Restructuring the National Economy Lee-Jay Cho, Yoon Hyung Kim, Chung H. Lee, 2001 Increasing globalization in the twenty first century will present South Korea with many new challenges Most of its domestic markets will become increasingly integrated into world markets and many of its firms will be competing with global players both at home and abroad How successful will Korea be in meeting these challenges of globalization Will it need to restructure its economy with new institutions better suited for the world of globalization If so what are the models that Korea should follow Contributors attempt to answer some of these questions relating to globalization Positive Impact of Restructuring on the National Economy and International Energy Market Yuri N. Malyshev, Vitaly N. Sukhov, Russian Federation, 1998 **Restructuring the Federal Scientific Establishment** United States. Congress. House. Committee on Science, 1996 Chinese Economists on Economic Reform - Xue Muqiao Xue Muqiao, 2010-12-16 The China Development Research Foundation is one of the leading economic and social think tanks in China where many of the theoretical underpinnings and policy details of economic reform were formulated This book is the first of a series which makes available to an English speaking audience the work of the individual Chinese economists who were the architects of reform The series provides an inside view of China s economic reform revealing the thinking of the reformers themselves unlike many other books on China s economic reform which are written by outside observers Xue Muqiao held many key posts including Secretary General of the Finance and Economy Commission of the Government Administrative Council Director General of the National Bureau of Statistics and consultant of State Council Office for Restructuring the Economic Systems His work included eliminating the serious inflation of the early years of the People s Republic participating in drafting and implementing the First and Second Five year Plans and establishing the initial statistics system and price management system His great contribution was to the development of economic theories and practice following China s economic reform **Reducing Inequalities Towards Sustainable Development Goals** Medani P. Bhandari, 2022-09-01 The Sustainable Development Goals SDGs are a set of global goals that meet some of the most pressing challenges facing our world today Goal 10 concerns reducing global inequalities Inequality is currently seen in the social political and economic structures of communities at both the national and international level The United Nations approach to sustainable development is to create a set of goals and targets try to minimize the accelerating gaps of inequality The book presents new insights for evaluating the progress on SDGs especially goal 10 it also boldly sets new economic social and environmental targets for reducing inequality Using case studies this book encourages readers to view economic development through the lens of growing inequalities and disparities Such inequalities are clearly becoming more obvious as the world is better connected and information is quickly shared The books main aim is therefore to direct the efforts of scholars practitioners and policymakers to swiftly find the balance between the three pillars of sustainable development The main challenges and focus of each chapter are different and collectively they

give an integrated understanding of the phenomenon of sustainable development and its diverse aspects This book will be useful for policymakers social and environmental activists agencies educators and practitioners in the sphere of social or environmental economics The methodology of the research can be replicated and taken forward by future researchers in the field **Restructuring Air Traffic Control as a Private Or Government Corporation** United States. Congress. House. Committee on Transportation and Infrastructure. Subcommittee on Aviation,1995
