## **Resurrection And Parousia:**

**Resurrection and Parousia** Joost Holleman, 2014-04-09 This is a traditional historical study of three ideas concerning the eschatological resurrection which Paul brings forward in 1 Corinthians 15:20-23: a) Jesus resurrection forms the beginning of the eschatological resurrection b) the eschatological resurrection will take place through participation in Jesus resurrection c) the eschatological resurrection will take place at the time of Jesus parousia. The three ideas are investigated in the following way: Firstly their occurrence and function in Paul is set out; subsequently their origin is reconstructed and finally analogous Jewish concepts are compared. A critical review of earlier research on these ideas and a literary and historical exegesis of the relevant sections of 1 Corinthians 15 precede the investigations. *The Parousia* Israel Perkins Warren, 1879

**Resurrection and Parousia** Joost Holleman, 1995 **Christian Eschatology and the Physical Universe** David Wilkinson, 2010-07-29 This book argues that the Christian understanding of new creation speaks powerfully to both theologians and scientists. *The Collected Works of Edward Schillebeeckx Volume 6* Edward Schillebeeckx, 2014-09-25 The existence of the historical Jesus cannot be doubted. But who was Jesus of Nazareth? And who is he for us today? In this controversial work Schillebeeckx offers his experiment: an informative and sustained hermeneutical reflection on the story of Jesus. It became a bestseller and would become the first volume of Schillebeeckx's trilogy on Jesus Christ. He presents a Christology from below, rooted in the synoptic gospels but especially in Mark and in the Q tradition. At the same time he is clearly interested in portraying the historical Jesus as both Proclaimer and Proclaimed. In this major work Schillebeeckx tries to answer questions such as: Is the promise of salvation only to be found in Jesus Christ because he was a gift from God as the Gospels tell us? What can we say about the inspiration of so many who do not attend church or adhere to any belief they find in Jesus Christ? Schillebeeckx takes us into his promising quest that leads to the ultimate question of what religious truth actually is. **Karl Barth's Teaching on the Resurrection and Parousia of Jesus Christ According to the Church Dogmatics** James Cho, 1998

*Dictionary of Jesus and the Gospels* Joel B. Green, Scot McKnight, I. Howard Marshall, 1992-02-18 Edited by Joel B. Green, Scot McKnight and I. Howard Marshall, this reference work encompasses everything relating to Jesus and the Gospels. *Jesus and His Promised Second Coming* Tucker S. Ferda, 2024-09-12 In this pioneering study of Scripture and reception history, Tucker S. Ferda shows that the hope for Jesus's second coming originated in his own message about the coming of the kingdom after a time of distress. Most historical Jesus scholars take for granted that Jesus's second coming was invented by his zealous early followers. In *Jesus and His Promised Second Coming*, Tucker S. Ferda challenges this critical consensus. Using innovative methodology, Ferda works backward through reception history to Paul and the Gospels to argue that the hope for the second coming originated in Jesus's own grappling with the prospect of death and his conviction that the kingdom was near; he expected a return that would coincide with the final judgment and the end of the age within the space of a generation. Ferda also makes a major contribution to the reception history of the Bible.

shedding light on how Christians distinguished their faith from Judaism by deriding Jewish messianism as earthly minded and militaristic In the early modern period critics found an expedient way to distance Jesus from this caricature of Jewish messianism they pinned the expectation for the second coming on Jesus s early followers A new appreciation for the diversity of Judaism and messianism in the Second Temple period makes possible a fresh reconstruction of Jesus Bold and historically astute Jesus and His Promised Second Coming breathes new life into a long stagnant conversation It also offers readers fresh insight into the history of Jewish Christian relations Students and scholars of the New Testament will need to read and engage with Ferda s provocative argument

**Universal Salvation** Morwenna

Ludlow,2000-12-07 For nearly two thousand years Paul's suggestion at the end of 1 Corinthians 15 that God will be all in all has appealed to those who hold a wider hope that eventually no person will be lost from God's love. Clearly such hope for universal salvation is at variance with most Christian tradition which has emphasized the possibility or certainty of eternal hell. However a minority of Christian thinkers have advocated the idea and it has provoked much debate in the course of the twentieth century. Responding to this interest Morwenna Ludlow compares and assesses the arguments for universal salvation by Gregory of Nyssa and Karl Rahner two influential theologians from very different eras who are less well known for their eschatological views. In this book Dr Ludlow gives an assessment of early Christian eschatology and its effect on modern theology by examining some fundamental questions: Does universal salvation constitute a second tradition of eschatology and how has that tradition developed? What can we learn from Patristic writers such as Gregory of Nyssa? How does one approach Christian eschatology in a modern context? **T. F. Torrance as Missional Theologian** Joseph H.

Sherrard,2021-06-01 What contribution can T. F. Torrance make to the discussion of a missional view of the church? Theologian and pastor Joseph Sherrard considers how Torrance's theology can inform the church's understanding of its ministry and mission in particular his appeal to the church's participation in the ascended Christ's threefold office as king, prophet and priest. **Paul's Glory-Christology** Carey C. Newman,2014-04-09 In 1927 C. A. A. Scott while commenting on the apostle Paul's Christology remarked that the history of the word Glory in the Bible has yet to be written. By using methodology developed in semantics, semiotics and more generally literary theory Newman examines the origin and rhetoric of Paul's Glory-Christology. The investigation involves three distinct tasks: 1 to plot the tradition history of Glory which formed part of Paul's linguistic world; 2 to examine Paul's letter in light of the reconstructed tradition history of Glory in order to discern the rationale of Paul's identification of Christ as Glory; and 3 to map out the implications of such an identification for Paul's theological and rhetorical strategy. On the basis of this study four conclusions are reached for understanding Paul. First Paul inherited a symbolic universe with signs already full of signification. Second knowing the diachronically acquired connotative range of a surface symbol e.g. Glory aids in discerning Paul's precise contingent strategy. Third knowing the surface symbol's referential power defines and contributes to the deeper structure of Paul's theological grammar. Finally the heuristic power within the construals of the Glory tradition coalesce in Paul's Christophany and thus provide coherence at the deepest level of Paul's Christology. **From Jesus to Christ** Paula Fredriksen,2008-10-01 Magisterial. A learned, brilliant and enjoyable study. *Gazette of the Times Literary Supplement*. In this exciting book Paula Fredriksen explains the variety of New Testament images of Jesus by exploring the ways that the new Christian communities interpreted his mission and message in light of the delay of the Kingdom he had preached. This edition includes an introduction, reviews the most recent scholarship on Jesus and its implications for both history and theology. Brilliant and lucidly written, full of original and fascinating insights. Reginald H. Fuller *Journal of the American Academy of Religion*. This is a first-rate work of a first-rate
