Resurrection Fact Or Fiction:

Resurrection? Fact Or Fiction Atty. Joe Otto, 2024-03-19 The death and resurrection of Jesus Christ are the central facts undergirding Christian faith and life Joe Otto brings to bear his legal training in a succinct and masterful summary of the Biblical and historical evidence for the reality of these events and compellingly urges their significance for us today This little book will both greatly encourage Christian disciples and challenge those who do not believe are skeptics or simply have questions to take the step for faith I especially liked the compendium of references to the incredibly intricate way God's design is displayed in the small details of the natural world **Resurrection - Fact or Fiction** Wilbur McCoy

Otto, 2015-07-30 Why Did I Write This Book If Jesus was resurrected with a new body after death this is easily the single most central fact and event in all history past present or future Quite simply it is a matter of life or death leading each person to decide whether our earthly life will have been but a vanishing mist with nothing thereafter or is a mere passageway like passing through a foreign country before returning to our native land in this case God's Kingdom and Eternity Should one choose to not believe that Jesus was resurrected read on because fact is fact truth is truth and non belief erases neither Whether seeker agnostic atheist skeptic young or old this book will present facts and evidence you may have never read or considered These facts and the evidence are not assembled by a theologian but rather by an experienced Trial Lawyer and are such that will convince any lay jury beyond any reasonable doubt that Jesus was the first resurrection to be followed by all of His followers In this ever increasingly evil world it is our young people our precious children and grandchildren that are at greatest risk and perhaps this includes you or one you love In addition to the above why did we write this book How could we not As water must flow over a waterfall so must God's and His children's love and desire for none to perish flow over all including our children and grandchildren our neighbors the lost and finally YOU and yours Remember there is only one person ever born who has proclaimed I am the Way the Truth and the Life Jesus at Jn 14:6 Please elect nay seize this Eternal Life for yourself *The Resurrection* Richard Bewes, 1989-01-01 Discussion of views on the resurrection of Jesus Argues that the resurrection is not a myth or an analogy for the birth of the church but a physical resurrection to a new body Discusses the implications of this view of Jesus and the resurrection **The Resurrection: Fact or Fiction?** Richard Bewes

OBE, 2012-08-10 What is the evidence for Jesus resurrection Why are the events following his death so significant even today How can we be sure of his promises about eternal life This book shows how our lives can be transformed by the events of the first Easter Day **The Resurrection of Jesus** Michael Glenn, 2024-06-14 **Resurrection** Richard Cunningham, 2015

The Resurrection William Thompson, 1959 *The Resurrection Fact* John J. Bombaro, Adam Francisco, 2016-10-31 In the first century the resurrection fact faced both Jewish and Greek audiences with a challenge the challenge of a new reality Christ the risen Lord Since facts are by definition something that happened and this happening was witnessed proclaimed and recorded the fact stands for all generations In answering critics a defense of the resurrection consists not only of a

response by way of negation e g Christianity is not this but also through positive affirmations this is Christianity In this book the reader will find both However it is our hope that the final word retained would be the one that stands for something rather than against something Together our words stand for something positive not negative namely the good news that the one true God has now taken charge of the world in and through Jesus and His death and resurrection **Retrieving**

Apologetics Glenn B. Siniscalchi, 2016 Given the popes recent statements of their desires to implement the New Evangelization it is imperative that Catholic theologians and other intellectually engaged laypersons retrieve the vital discipline of apologetics For the New Evangelization places particular emphasis on reproposing the Gospel to those who have experienced a crisis of faith due to secularization One salient method of Catholic apologetics used to be characterized by three demonstrations each of which assumes the conclusions established in the previous step s Some might think that this classical method of apologetics has been abandoned in the postconciliar Church but Siniscalchi s book updates it Unlike the classical apologetics of the preconciliar era Siniscalchi engages contemporary scholarship in a variety of academic disciplines such as philosophy history biblical studies sociology and theology to develop the steps that are necessary for showing the reasonableness of faith This is an accessible well researched and fairly argued case for apologetics as a necessary component of Catholic and indeed of all Christian theology It deserves a very wide readership Gerald O Collins SJ Professor Emeritus Gregorian University Siniscalchi does not only write about apologetics he actually does apologetics and does it at a high level The combination of an erudite and accurate plea for the theological importance of apologetics and charitable arguments for the truth of the Catholic faith makes this book uniquely important As he makes clear theologians are responsible for ensuring that their research does not solely serve an ivory tower Matthew Levering Perry Family Foundation Professor of Theology Mundelein Seminary Siniscalchi s book has many virtues One that is especially noteworthy has to do with the cultures of philosophy and Catholic systematic theology In the past fifty years these cultures have split apart This book helps bring those cultures more in line with one another and is definitely a step in the right direction Alfred J Freddoso Oesterle Professor of Thomistic Studies University of Notre Dame According to Vatican II the chief remedy for modern unbelief is to be sought in the proper presentation of the Church s teaching and the witness of a living and mature faith Gaudium et Spes 21 In this rich and wise new book Glenn Siniscalchi offers Christians a complete course in how to acquire both It is an honor to recommend a work of apologetics that is so well informed by history and theology Stephen Bullivant Senior Lecturer in Theology and Ethics St Mary s University UK Glenn B Siniscalchi PhD Duquesne is Assistant Professor of Systematic Theology at Notre Dame College South Euclid Ohio **Daily Living by the Word** Jed N. Snyder CNC D. Min Ph.D., 2017-11-27 Gods Word is alive and is the nourishment our spirits need Daily feasting on the Word will sustain the believer with ability to live completely and fully for the honor of our Lord Jesus Christ This book gives us a devotional for each day of the year Readers will be given more strength as they also read directly from their Bibles As we gain wisdom and knowledge we will be able to

Resurrection John Shelby Spong,2009-10-13 Using approaches from the Hebrew interpretive tradition to discern the actual events surrounding Jesus death Bishop Spong questions the historical validity of literal narrative concerned the Resurrection He asserts that the resurrection story was born in an experience that opened the disciples eyes to the reality of God and the meaning of Jesus of Nazareth Spong traces the Christian origins of anti-Semitism to the Church's fabrication of the ultimate Jewish scapegoat Judas Iscariot He affirms the inclusiveness of the Christian message and emphasizes the necessity of mutual integrity and respect among Christians and Jews

A Rabbi Looks at Jesus of Nazareth Jonathan Bernis,2011-01-01 Raised in a traditional Jewish family international television host Jonathan Bernis was taught from a young age that Jews don't and can't believe in Jesus Yet in his study of the Bible including the Torah he found overwhelming evidence that Jesus of Nazareth really was the Jewish Messiah With warmth and transparency Bernis talks about discovering Jesus in history too and how it was that the Jewish Yeshua became the Gentile Jesus By presenting historic evidence that Jesus is Messiah and refuting common Jewish objections Bernis gives Christians the knowledge and tools they need to share their Lord with their Jewish friends in a loving effective way
