Resurrection Dreams Guy Amerson, 2020-07-31 From a man s earliest years you are taught to follow your dreams You are encouraged to dream big and to expect God to lead guide and help you achieve your dreams Even your children s fairy tales and fables were filled with the pride and joy found in seeing your dreams and life s goals come true Isn t it interesting that this is not found in God s reality for His saints How could something so important to the human heart and soul be so vastly different from what God desires for us As you read and study these stories you will begin to identify with these women and understand God s true desire for us If you can truly walk with these women heart and soul you too will receive back your resurrection dreams

The Early Muslim Tradition of Dream Interpretation John C. Lamoreaux, 2002-05-02 Reportedly the prophet Muhammad told his followers that after he was gone prophecy would come only through true dreams Based on this and other statements early Muslims created what might be called a theology of dreams Dreams were regarded as an important means used by God to guide the faithful especially after the cessation of Koranic revelation However since these dreams were often symbolic they required interpretation and early Muslims wrote numerous manuals dedicated to deciphering their meaning Utilizing manuscripts preserved in Middle Eastern mosques and libraries this book offers the first comprehensive account of the early Muslim tradition of dream interpretation In addition to describing how and when the tradition developed author John C Lamoreaux discusses the social context in which dream interpretation arose and its role in the intellectual life of the time He demonstrates that early Muslims considered dream interpretation a fully orthodox theological discipline one sanctioned both by the Koran and the example of the prophet Muhammad

INTERPRETATION OF DREAMS IBN SERIN, 2014-01-01 **God and Dreams** John Pratt Bingham, 2010-01-01 At one time when an individual wanted a direct personal experience of God that person turned to his or her dreams The early third century Christian defender of the faith Tertullian observed Is it not known to all people that the dream is the most usual way that God reveals himself to man Yet by the eleventh century King William II of England states They are not good Christians that regard dreams Why did this reversal of opinion occur not only in Christian thinking but in Jewish and Islamic attitudes also God and Dreams Is There a Connection traces the historic connection between God and dreams and examines why this shift happened While particular attention is given to Jewish Christian and Islamic thought several secular disciplines are discussed also After investigating the different points of view an argument is made that the connection between God and dreams still exists

A Collection of Nightmares Christina Sng, 2017-07-14 Hold your screams and enter a world of seasonal creatures dreams of bones and confessions modeled from open eyes and endless insomnia Christina Sng's A Collection of Nightmares is a poetic feast of sleeplessness and shadows an exquisite exhibition of fear and things better left unsaid Here are ramblings at the end of the world and a path that leads to a thousand paper cuts at the hands of a skin carver There are crawspace whispers and fresh sheets gently washed with sacrifice and poison and if you're careful in this ghost month these poems will call upon the succubus to tend to your flesh wounds and scars These nightmares are sweeping fantasies that electrocute the senses as much as they dull the ache of loneliness by showing you

what's hiding under your bed in the back of your closet and inside your head Sng's poems dissect and flower her autopsies are delicate blooms dressed with blood and syntax Her words are charcoal and cotton safe yet dressed in an executioner's garb Dream carefully You've already made your bed The nightmares you have now will not be kind And you have no one to blame but yourself

Mavroudi, 2021-10-25 This volume discusses the so called Oneirocriticon of Achmet the most important Byzantine work on dream interpretation which was written in Greek in the 10th century and has greatly influenced subsequent dreambooks in Byzantine Greek Medieval Latin and modern European languages By comparing the Oneirocriticon with the 2nd century A D dreambook of Artemidoros translated into Arabic in the 9th century and five medieval Arabic dreambooks this study demonstrates that the Oneirocriticon is a Christian Greek adaption of Islamic Arabic material and that the similarities between it and Artemidoros are due to the influence of Artemidoros on the Arabic sources of the Byzantine work The Oneirocriticon s textual tradition its language the identities of its author and patron and its position among other Byzantine translations from Arabic into Greek are also investigated
