The American Renaissance Reconsidered Walter Benn Michaels, Donald E. Pease, 1989-09 The term American Renaissance designates a period in our nation s history when the literary classics appeared works original enough to mark a beginning for America s literary history But the American Renaissance Donald Pease argues in his introduction does not belong to the nation s secular history so much as it denotes a rebirth from it Independent of the time kept by secular history the American Renaissance keeps what we could call global Renaissance time the sacred time a nation claims to renew when it claims its cultural place as a great nation existing within a world of great nations Providing each nation with the terms for cultural greatness denied to secular history the renaissance is not an occasion occurring within any specific historical time or place so much as it is a moment of cultural achievement that repeatedly demands to be reborn The American Renaissance Reconsidered examines this demand for rebirth in terms other than those ordained by the American Renaissance itself In the seven pieces collected here it is reborn not outside of but within America s secular history as the authors examine anew the period of the American Renaissance and the period in which its history was written Contributing authors are Eric J Sundquist Jane P Tompkins Louis A Renza Jonathan Arac Donald E Pease Walter Benn Michaels and Allen Grossman *The Sunday Magazine* , 1872 *Earthquake Resurrection* David W. Lowe, 2005-08 EARTHQUAKE RESURRECTION presents a model for future events that will challenge the traditional interpretation of the prophecies of the Bible Discover a shocking link between the resurrection of the dead and earthquakes which has momentous implications for a near future global catastrophe which according to Jesus and the apostle Paul many will not escape Reviews a You must get this printed Ita s superior to anything we have ever read on the resurrection Every minister in the world should read it a a Beulah Leslie ARa

Your book deserves the attention of every serious student of Bible prophecy a a Gail Vancouver WAa Your study opened up more of the Bible to me than I had ever known a a Stephen Shoreview MNa This changes everything Prophecy teachers are going to have to change what they are teaching because of this book a a Terrence Brooklyn NY
