Rethinking Criminology Jock Young, Roger Matthews, 1992 Examines the realist school's contribution to victimology feminist criminology theories of corporate crime fear of crime crime prevention crime control drugs and policing

Offender Reentry Matthew S Crow, John Ortiz Smykla, 2013-04-24 An Innovative New Text That Addresses a Critical Issue Reentry is one of the pressing issues facing corrections today and Matthew Crow and John Smykla have clearly hit a homerun with their new book They have covered all the important topics ranging from what should be done inside the walls to the challenges and pitfalls awaiting those exiting our prisons and jails They have provided a roadmap for anyone concerned about reentry be that student or practitioner This book will become a must read for anyone interested in understanding and improving our reentry efforts Edward J Latessa Ph D Interim Dean and Professor University of Cincinnati Nearly 2 000 people are released from prison every day in the United States many of whom face significant barriers to reentry into the civilian population Within three years two thirds of them will be rearrested and nearly half will return to prison for a new crime or parole violation Offender Reentry Rethinking Criminology and Criminal Justice is the first text of its kind to address this major issue in criminology and criminal justice Bringing together cutting edge and never before published research and authored by the most critically recognized experts in the field this text offers students extraordinary insight into the experiences of both offenders in reentry and the practitioners who work within the legal system Real world stories from criminal justice professionals and offenders themselves are integrated with up to the minute research and thought provoking analysis Student oriented pedagogical features including critical thinking and discussion questions for every chapter push students to engage deeply with the text and synthesize their own innovative solutions to contemporary problems The text addresses all of the societal factors that affect offender reentry as well as the political and economic effects on the community and issues of public safety Ideally suited for upper level undergraduate and graduate courses in criminal justice and criminology Offender Reentry is an invaluable new addition to the field Preview sample content today Download chapter 4 from the Sample Materials tab Includes unique QR codes in every chapter that direct students to videos and podcasts that extend the ideas discussed in the chapter providing a truly interactive learning experience Chapters authored by leading experts and practitioners in the field Contains seventeen original never before published articles on offender reentry Features real world stories from criminal justice professionals and offenders themselves Accompanied by a full suite of instructor resources including PowerPoint Lecture Outlines and Test Bank Appropriate for upper level undergraduate courses including Law Society Judicial Process Corrections and Special Topics It is also ideal for graduate seminars in law therapeutic jurisprudence and the social sciences and to criminal justice policy makers 2014 456 pages [Criminological Theory](#) J. Robert Lilly, Francis T. Cullen, Richard A. Ball, 2018-10-17 Updated Edition of a Best Seller Offering a rich introduction to how scholars analyze crime Criminological Theory Context and Consequences moves readers beyond a

commonsense knowledge of crime to a deeper understanding of the importance of theory in shaping crime control policies The Seventh Edition of the authors clear accessible and thoroughly revised text covers traditional and contemporary theory within a larger sociological and historical context It includes new sources that assess the empirical status of the major theories as well as updated coverage of crime control policies and their connection to criminological theory **Essential Criminology** Mark M. Lanier,2018-04-19 In the fourth edition of Essential Criminology authors Mark M Lanier Stuart Henry and Desire M Anastasia build upon this best selling critical review of criminology which has become essential reading for students of criminology in the 21st century Designed as an alternative to overly comprehensive lengthy and expensive introductory texts Essential Criminology is as its title implies a concise overview of the field The book guides students through the various definitions of crime and the different ways crime is measured It then covers the major theories of crime from individual level classical and rational choice to biological psychological social learning social control and interactionist perspectives In this latest edition the authors explore the kind of criminology that is needed for the globally interdependent twenty first century With cutting edge updates illustrative real world examples and new study tools for students this text is a necessity for both undergraduate and graduate courses in criminology *Rethinking Criminology* Harold E. Pepinsky,1982-10-01 **Ageing, Crime and Society** Azrini Wahidin, Maureen Cain,2013-05-13 The relationship between ageing and crime has been a much neglected issue the focus rather being on youth This books aims to redress this imbalance bringing together a group of leading authorities to address key issues on the subject of crime and ageing considering older people as both victims and perpetrators of crime and looking too at conditions faced by older prisoners The book draws upon both criminology and gerontology as well as sociology and social policy to help understand the complex relationship between ageing and the criminal justice system and argues that the needs of elders must be far more firmly on the penal policy agenda than is the case currently Ageing Crime and Society will be concerned with unsilencing a group who because of their age and status have been muted by the criminal justice system *Criminologies of the Military* Ben Wadham, Andrew Goldsmith,2018-06-28 This innovative collection offers one of the first analyses of criminologies of the military from an interdisciplinary perspective While some criminologists have examined the military in relation to the area of war crimes this collection considers a range of other important but less explored aspects such as private military actors insurgents paramilitary groups and the role of military forces in tackling transnational crime Drawing upon insights from criminology this book s editors also consider the ways the military institution harbours criminal activity within its ranks and deals with prisoners of war The contributions by leading experts in the field have a broad reach and take a truly global approach to the subject Criminological Theories Ronald L. Akers,2013-07-04 In Criminological Theories the noted criminologist Ronald Akers provides thorough description discussion and appraisal of the leading theories of crime delinquent behavior and law criminal justice the origin and history of each theory and its contemporary developments and adherents Akers offers a clear

explanation of each theory the central concepts and hypotheses of each theory as well as critical criteria for evaluating each theory in terms of its empirical validity Researchers and librarians as well as general readers will find this book a very useful tool and will applaud its clear and understandable exposition of abstract concepts **Understanding Deviance** David M. Downes, Paul Elliott Rock, 2007 This is the new edition of the textbook Understanding Deviance that guides the new student through the major sociological theories of crime deviance and control It offers an in depth discussion of all the prominent theories of deviance **Criminal Justice Research: Inspiration Influence and Ideation** Ian K McKenzie, Ray Bull, 2017-11-01 This title was first published in 2002 A collection of criminal justice researchers select a number of books documents papers and such like that they believe to be important and influential in the field of criminal justice research Each author has written a description and critique of the selected item and have discussed the impact of each of them with regards to formulating or developing their own research The authors also speculate on the direction they believe the area in question might be expected to develop in the first 10 15 years of the 21st century The definition of criminal justice in this book is a broad one and that is reflected in the combination of criminologists psychologists sociologists and experts on social and public administration In all the book attempts to examine the inspirations influences and thought processes which underpin criminal justice research efforts **A Criminological Imagination** Pat Carlen, 2017-07-05 A Criminological Imagination contains a selection of key articles from Pat Carlen s research studies of magistrates courts and women s imprisonment together with a range of other articles on social control discourse analysis ideology punishment criminology and critique They are all informed by an assumption that while criminal justice must remain imaginary in societies based upon unequal and exploitative social relations one task of a criminological imagination might be to suggest why this is so and how things could be otherwise This is an invaluable collection for anyone interested in crime justice and injustice and the social political and academic contexts in which knowledge of them is constructed The SAGE Handbook of Criminological Theory Eugene McLaughlin, Tim Newburn, 2010-07-06 For any criminologist looking to make sense of recent developments in the field this is the go to book In essays by leading specialists it provides the latest updates on traditional theories whilst charting new directions It also offers interpretive frameworks for criminology s current flux and fragmentation and closely examines relationships among theory policy and criminal justice practice Invaluable and indispensable Nicole Rafter Professor Northeastern University The SAGE Handbook of Criminological Theory re-centres theory in the boldest most thought provoking form possible within the criminological enterprise Written by a team of internationally respected specialists it provides readers with a clear overview of criminological theory enabling them to reflect critically upon the variety of theoretical positions traditional emergent and desirable that are constitutive of the discipline at the beginning of the twenty first century Each chapter has been specially commissioned to include the following A brief historical overview of the theoretical perspective Core ideas and key associated concepts A critical review of the contemporary status of the

perspective Reflections on future developments In addition the Handbook features a substantive introduction by the editors providing a review of the development of criminological theory the state of contemporary criminological theory and emergent issues and debates The SAGE Handbook of Criminological Theory is an indispensable international resource for libraries and scholars of all levels studying the rapidly developing interdisciplinary field of criminology Comparative Criminal Justice and Globalization Professor David Nelken,2013-02-28 In this exciting and topical collection leading scholars discuss the implications of globalisation for the fields of comparative criminology and criminal justice How far does it still make sense to distinguish nation states for example in comparing prison rates Is globalisation best treated as an inevitable trend or as an interactive process How can globalisation s effects on space and borders be conceptualised How does it help to create norms and exceptions The editor David Nelken is a Distinguished Scholar of the American Sociological Association a recipient of the Sellin Glueck award of the American Society of Criminology and an Academician of the Academy of Social Sciences UK He teaches a course on Comparative Criminal Justice as Visiting Professor in Criminology at Oxford University s Centre of Criminology **Geometries of Crime** Avi Brisman,2016-07-30 This book explores how young people perceive the severity of crime and delinquency It particularly addresses whom or what they consider to be the victims of crime and delinquency how they analyze and assess appropriate responses by the criminal justice system as well as their place within it The book proposes tools for developing a more elaborate and robust understanding of what constitutes crime identifying those affected by it and what is deemed adequate or appropriate punishment In so doing it offers thick description of young peoples conceptions of and experiences with crime delinquency justice and law and uses this description to interrogate the role of the state in influencing indeed shaping these perceptions *Engendering Resistance: Agency and Power in Women's Prisons* Mary Bosworth,2017-03-02 This book explores how power is negotiated in women s prisons Drawing on fieldwork conducted in three penal establishments in England it analyses how women manage the restrictions of imprisonment and the manner in which they attempt to resist institutional control It is proposed that power is negotiated on a private individual level as women often resist the institution simply by trying to maintain an image of control over their own lives However their image of themselves as active reasoning agents is undermined by institutional regimes which encourage traditional passive feminine behaviour at the same time as they deny the women their identities and responsibilities as mothers wives girlfriends and sisters Femininity is therefore both the form and the goal of women s imprisonment Yet paradoxically femininity also offers the possibility of resistance because women manage to rebel by appropriating and changing aspects of it

Imagining Crime Dr Alison Young,1995-12-18 This book offers an original and challenging reading of the crimino legal complex criminology criminal justice criminal law the media and everyday experiences in the light of cultural studies and feminist theory Through an exploration of the crisis engendered by the failure of the crimino legal complex to solve the problems of crime and criminality Alison Young exposes the cultural dimension of its institutions and practices She analyzes

the far reaching effects of the cultural value given to crime showing it to be rooted in a powerful nexus of the body language the community and everyday life *Imagining Crime* examines a number of key events and issues which have signalled shifts in the representation of crime These include criminology's resistance to feminist intervention the pleasures of reading detective fiction ambiguities of victimization and social justice in the city sacrificial structures in the law's response to conjugal homicide policing the ethnicity of the illegal immigrant defensive responses to the limits of representation in the Bulger affair the governmental strategies of campaigns against single mothers and the fatalism of the spectacle of HIV AIDS in criminal justice policy

Creating Autoethnographies Tessa Muncey, 2010-04-14 The first ever practical text on this increasingly popular research method it provides a background and considers some of the criticisms of the approach It is suitable for all social science students both graduate and upper level undergraduate The book is structured to mirror the process of writing about experience from establishing an idea through to the process of writing and the development of creative writing skills and provides detailed worked examples of the whole process The final two chapters are devoted to exploring two cases in which readers can see the principles discussed in action There are also a wide range of case studies drawn from a wide a range of social science disciplines and exercises throughout the text

City Limits Keith Hayward, 2016-07-18 *City Limits* contributes to a growing body of work under the umbrella of cultural criminology which attempts to bring an appreciation of cultural change to an understanding of crime in late modernity Hayward and Young 2004 Hayward presents an ambitious theoretical analysis that attempts to inspire a cultural approach to understanding the crime city nexus and in particular to re address strain and the concept of relative deprivation in the context of a culture of consumption The book incorporates an impressive array of literature from beyond the boundaries of traditional criminology including urban studies social theory and most strikingly from art and architectural criticism illustrating a multidisciplinary approach This provides for a challenging and enlightening read with a particularly important emphasis on the impact of consumer culture on the lived urban experience and spatial dynamics of the city and in turn for an understanding of transgression and criminality Runner up for the British Society of Criminology Book Prize 2004

Crime and Deviance Tony Lawson, Tim Heaton, 2009-11-27 What do sociologists mean when they talk about crime and deviance Can we use theory to explain why individuals break the law And how do we measure criminal behaviour in modern society This book uses key concepts and essential theory to explore these questions and explain their answers The second edition of this student focused text continues to offer clear and structured guidance on the sociology of crime and deviance With basic definitions and clear analysis of theory and statistics this book gives its reader the tools to build their knowledge and understanding of the topic In particular this text Explores and critiques essential sociological theory including functionalist feminist and postmodernist debates Examines how criminal justice data and crime statistics are compiled Questions the reliability of social patterns of crime in terms of gender class age and ethnicity Looks at new types of crime from surveillance to terrorism and green crime to state crime As part of the Skills

Based Sociology series this new edition of Crime and Deviance is packed with a variety of tasks activities and exam practice questions These encourage students to take an active role in their learning whilst promoting critical thinking alongside skill development This book is the perfect starting point for students keen to understand the sociology of crime and deviance as well as an excellent source for revision

Youth and Crime John Muncie, 2009-03-18 In Youth and Crime John Muncie accomplishes the extraordinarily difficult feat of covering a huge territory introducing his subject matter in an accessible form and yet offering original analysis and insight This is a wonderfully accomplished textbook which leaves its rivals standing The Third Edition is everything we have come to expect of its predecessors but with the added bonus that it is completely up to date and has new material on youth victimology and comparative youth justice An absolute must for all students and teachers in the areas of youth crime and justice Professor Tim Newburn London School of Economics and Political Science Youth and Crime is without question the key text in its field Its breadth of coverage and depth of analysis are truly remarkable Muncie constantly pushes the boundaries and by including a substantial volume of new material his Third Edition effectively sets the agenda and defines the future direction for youth justice studies It is a must have book Professor Barry Goldson University of Liverpool With his unique and authoritative voice Muncie draws together a wide range of new political developments and cutting edge criminological and sociological theory and research to expand his original object of inquiry in this brilliant new edition Jo Phoenix Reader Durham University The Third Edition of this definitive bestselling text offers the most comprehensive and authoritative overview of youth and crime available Youth crime and justice are constantly in the news and the subject of ongoing legislative action This new edition keeps the reader up to date on a wide range of contemporary debates and covers all the essentials required in studying the topic of youth and crime at undergraduate and postgraduate level Two new chapters on youth victimology and comparative and international youth justice have been added to provide critical analysis of issues such as institutional abuse child trafficking international children s rights and transnational policy transfer The book also includes new material on antisocial behaviour orders ASBOs gangs gun and knife crime early intervention initiatives the respect agenda restorative justice child imprisonment The book offers numerous tools to enhance the learning process including chapter outlines summary boxes key terms study questions further reading lists a glossary and guidance on Web resources

Rethinking Criminology Introduction

In the digital age, access to information has become easier than ever before. The ability to download Rethinking Criminology has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Rethinking Criminology has opened up a world of possibilities. Downloading Rethinking Criminology provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Rethinking Criminology has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Rethinking Criminology. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Rethinking Criminology. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Rethinking Criminology, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves,

individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Rethinking Criminology has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Rethinking Criminology Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience.
