Rethinking Families:

Rethinking Families Fiona Williams (Professor.),2004 This is a forward thinking contribution to current debates about change in family lives and relationships from the Economic and Social Research Council s CAVA Research Group at the University of Leeds It provides a considered authoritative and politically relevant perspective on these issues **Rethinking Families** Fiona Williams,2004-01-01 Rethinking Families is a contribution to debates about changes in family lives and relationships from the Economic and Social Research Council s CAVA Research Group at the University of Leeds It provides a considered authoritative and politically relevant perspective on these issues for policy makers and practitioners alike **In the Name of the Family** Judith Stacey,1997-09-01 Prominent cultural critic Judith Stacey offers a ringing rebuttal to the rhetoric of family values with this powerful argument for accepting family diversity including a strong new case for legal same sex marriage **Theology and Families** Adrian Thatcher,2008-04-15 This timely book by one of the world s leading theologians in this field makes a positive theological contribution to present intellectual and practical discussions about families and children Explores the intellectual and practical debates about the changing nature of family forms roles and relationships and how Christian faith and theology can contribute to the thriving of families and children Considers the causes and consequences of changes to families over recent decades Utilizes the theological resources that are best equipped to deal with these changes and to shape ethical teaching ethical practice moral judgements and public policies Develops family friendly readings of scripture tradition and doctrine and moves forward theological treatment of marriage gender and children Remaking Families in Contemporary China Xiaoying Qi,2021-05-03 From civil war to Japanese occupation and communist revolution to market transition China has undergone and continues to experience enormous economic political and social change In Remaking Families in Contemporary China Xiaoying Qi explores a number of emerging family practices in China today that result from these ongoing changes Drawing upon 178 in depth interviews with young adults married adults and grandparents throughout China she finds that ordinary people are transforming their patterns of behavior and expectations in dealing with a changing world and in so doing remaking their families Filling a gap in the current research Qi investigates novel aspects of family life such as the practice of providing a child with its mother s surname rather than its father s in an intriguing exercise of veiled patriarchy She also identifies a new category of floating grandparents which consists of rural and small town grandparents who join their adult children in the massive labor migration that characterizes the modern Chinese workforce in order to provide childcare In addition Qi examines other often overlooked topics including spousal intimacy divorce and remarriage and co habitation in later life Offering new insights and theoretical developments Remaking Families in Contemporary China highlights why family related themes are important to understanding the nature of Chinese society the forces that underpin social relationships more broadly and the basis and nature of social change around the world *A History of Regulating Working Families* Nicole Busby,Grace

James, 2020-08-06 Families in market economies have long been confronted by the demands of participating in paid work and providing care Across Europe the social economic and political environment within which families do so has been subject to substantial change in the post World War II era and governments have come under increasing pressure to engage with this important area of public policy In the UK as elsewhere the tensions which lie at the heart of the paid work unpaid care conflict remain unresolved posing substantial difficulties for all of law s subjects both as carers and as the recipients of care What seems like a relatively simple goal to enable families to better balance care giving and paid employment has been subject to and shaped by shifting priorities over time leading to a variety of often conflicting policy approaches This book critiques how working families in the UK have been subject to regulation It has two aims To chart the development of the UK s law and policy framework by focusing on the post war era and the growth and decline of the welfare state considering a longer historical trajectory where appropriate To suggest an alternative policy approach based on Martha Fineman s vulnerability theory in which the vulnerable subject replaces the liberal subject as the focus of legal intervention This reorientation enables a more inclusive and cohesive policy approach and has great potential to contribute to the reconciliation of the unresolved conflict between paid work and care giving

Couples Kate Figes, 2010-01-21 These days many of us enjoy unrivalled freedom and equality when it comes to choosing and building a relationship Yet new myths about how to live and love compromise that happiness Kate Figes argues that whether married or cohabiting gay or straight remarried or a couple living apart the quality of our intimate relationship is fundamental to our long term health and happiness because our need for commitment and love hasn t changed This is not a handbook There are no easy Mars and Venus universal recipes for success because relationships are far too complicated individual and important for easy answers But learning how others sustain lifelong love and what really goes on in other people s lives can help us to understand our own partnerships and take responsibility for making them work *Couples* is an incisive and important look at how we can learn to make love endure

War Over the Family David Popenoe, 2017-09-29 One of the most surprising and controversial social debates of the past two decades has been about the meaning and importance of marriage and the family in contemporary American life Referred to by some as a culture war over the family the debate has pitted those concerned about the weakening of the traditional married parent nuclear family especially in its impact on children against those arguing that nothing has gone wrong with families that they are merely diversifying David Popenoe has been one of the most influential figures in laying out for a wide audience the importance of family decline and what it means for our children our society and our future

Family Literacies Rachael Levy, Mel Hall, 2021-04-20 *Family Literacies* demonstrates through reference to empirical research how shared reading practices operate in a wide range of families with a view to supporting families in reading with their pre school children At the heart of this book written by two highly experienced experts in the field is a fascinating project that captured diverse voices and experiences by parents children and other family members

Rachael Levy and Mel Hall deploy a rich and distinctive theoretical framework drawing on insights from literacy studies education and sociology *Family Literacies* presents an account of shared reading practices in homes focusing attention on what motivates parents to read with their children as well as revealing what parents may need if they are to begin and sustain shared reading activity The authors show the many ways in which reading is centrally embedded in many aspects of family life arguing that this has particular implications for children as they start school Situated within a socio cultural discourse this book explains why it is important to understand how and why shared reading takes place in homes so that all families can be supported in reading with their children *Family Literacies* is essential reading for all those who are studying and researching literacy practices especially those involving young children The book will also be of value to students practitioners and researchers in education and applied linguistics who are working with families and have an interest in the study of family practices The authors findings have major implications for how parents can be encouraged to develop positive reading relationships with their children

Changing Relationships Malcolm Brynin, John Ermisch, 2008-11-23 The book is comprised of empirical analyses of the relationships people have during their lives and how these affect their individual welfare These include relationships between members of a couple between parents and children between the children themselves and between non related individuals

Fathers, Prisons, and Family Reentry William Muth, 2020-07-06 *Fathers Prisons and Family Reentry* Presenting as a Framework and Method asks scholars policy makers advocates and practitioners to rethink family reentry in a new light to seek to understand both the urgent and intolerable loss as well as the real and present potential of families There are almost one million parents of minor aged children currently serving time in U S prisons most of them fathers Based on post phenomenological analyses William Muth offers a new framework for conceptualizing family reentry as a present phenomenon It seeks to reveal the intense ways incarcerated fathers and their families live their present absence and draws on these intensities to define a new role for researchers and practitioners nurturing the potential of families in the here and now The current situation is intolerable A credible family reentry approach is urgently needed This book is an attempt to address these families as they potentially are and might become if we would be willing to meet them half way in the words of the poet Alice Fulton

Key Concepts in Family Studies Jane Ribbens McCarthy, Rosalind Edwards, 2010-12-10 This is a thoughtful and sometimes challenging elaboration of some of the key concepts in contemporary family studies Students and researchers will want to have this book close to hand not simply as a reference work but as a stimulus to critical social analysis David H J Morgan University of Manchester Written in an intelligent engaging and accessible manner by two leading and highly respected family scholars whose contributions to the field over the past two decades have been path breaking This is an important resource for students and professionals studying and working in the field of family studies within and across the disciplines of sociology social policy social work health studies education and gender studies Andrea Doucet Carleton University This book s individual entries introduce

explain and contextualise key topics within the study of family lives Definitions summaries and key words are developed throughout with careful cross referencing allowing students to move effortlessly between core ideas and themes Each entry provides Clear definitions Lucid accounts of key issues Up to date suggestions for further reading Informative cross referencin Relevant focused and accessible this book will provide students with an indispensable guide to the central concepts of family studies

Understanding Family Meanings Jane Ribbens McCarthy, Megan Doolittle, Shelley Day Sclater, 2012 Understanding Family Meanings provides an overview of the basic concepts and theories related to families using readings with questions and analysis to encourage reflection and learning It focuses on family meanings as the key underpinnings for academic study and professional training

Like Family Margaret K. Nelson, 2020-04-17 For decades social scientists have assumed that fictive kinship is a phenomenon associated only with marginal peoples and people of color in the United States In this innovative book Nelson reveals the frequency texture and dynamics of relationships which are felt to be like family among the white middle class Drawing on extensive in depth interviews Nelson describes the quandaries and contradictions delight and anxiety benefits and costs choice and obligation in these relationships She shows the ways these fictive kinships are similar to one another as well as the ways they vary whether around age or generation co residence or the possibility of becoming real families Moreover she shows that different parties to the same relationship understand them in some similar and some very different ways Theoretically rich and beautifully written the book is accessible to the general public while breaking new ground for scholars in the field of family studies

What is The Family of Law? Alan Brown, 2019-02-07 This book argues that the legal understanding of family in the UK continues to be underpinned by the idealised image of the nuclear family premised upon the traditional gendered roles of father as breadwinner and mother as homemaker This examination of the law s model of the family has been prompted by the substantial reforms that have taken place in family law in recent decades and the significant evolution in social attitudes and familial practices that has occurred in parallel Throughout the book the influence of the nuclear family is noted in several different contexts various specific legal definitions of family the legal regulation of adult conjugal relationships the attribution of legal parenthood and the construction of the role of the parent within the law Ultimately this book argues that while these reforms have resulted in additional categories of relationship coming to be situated within the nuclear family model there has not as yet been any fundamental alteration of the underpinning concept of the nuclear family itself This book concludes by considering the possibilities offered beyond the nuclear family exploring the reconceptualising of the legal understanding of family around alternative and potentially radical models of family

British Social Attitudes Alison Park, John Curtice, Katarina Thomson, Miranda Phillips, Mark Johnson, Elizabeth Clery, 2009-02-24 British Social Attitudes remains a beacon of excellence It has adapted to the times providing a rich and textured guide to who we think we are what we think and how that has changed Financial Times an indispensable tool not just for governments but also for modern citizens to understand their

fellows and themselves better The Times Higher Education Supplement shows what the British people really think as opposed to what journalists and politicians like to pretend they think John Pilger The annual British Social Attitudes survey is carried out by Britain's largest independent social research organisation the National Centre for Social Research It provides an indispensable guide to political and social issues in contemporary Britain This 24th Report summarises and interprets data from the most recent nationwide survey as well as drawing invaluable comparisons with the findings of previous years to provide a richer picture and deeper understanding of changing British social values The British Social Attitudes survey report is essential reading for anyone seeking a guide to the topical issues and debates of today or engaged in contemporary social and political research

Maternal Imprisonment and Family Life Natalie Booth, 2020-05-13 Exploring the untold experiences of family members and friends caring for the children of female prisoners in England and Wales this book sheds light on the collateral damage that incarceration causes those who take over caregiving responsibilities for the children of female prisoners Providing new qualitative research on the lived experiences of caregiving relatives alongside theoretically informed and policy relevant insights Booth shows the difficult and damaging consequences of the family sentence they serve Exploring the stigma scarce statutory support and policy neglect they face she offers much needed evidence to encourage the development of a more inclusive understanding and family oriented justice system

Gender, Family and Society Faith Robertson Elliot, 1995-12-18 Contemporary struggles over the ordering of sexual and parental relationships take place in the context of mass unemployment ethnic antagonism population ageing a growing awareness of the pervasiveness of violence and sexual abuse in intimate relationships and the eruption of AIDS as a major health crisis Gender Family and Society seeks to provide a sociological understanding of the way in which these key aspects of contemporary social life shape and are shaped by gender and family structures

The Family Liz Steel, Warren Kidd, Anne Brown, 2012-05-01 Family structures have become increasingly diverse over recent decades Examining contemporary theory alongside key terms and concepts this new edition explores issues of intimacy parenting

cohabitation and media representations This book provides an in depth look at the role of the family in society for all students of sociology **Responsibility, Law and the Family** Jo Bridgeman, Craig Lind, 2016-04-08 Focusing on moral social and legal responsibilities as opposed to rights or obligations this volume explores the concept of responsibility in family life law and practice Divided into four parts the study considers the nature of family responsibility constructions of children s responsibilities shifting conceptions of family responsibilities and family responsibility and the law The collection brings together leading experts from the disciplines of sociology socio legal studies and law to discuss responsibilities prior to birth responsibilities for children as well as responsibilities of children and of the state towards family members The volume informs and challenges the developing conceptualization of responsibilities which arise in interdependent intimate and caring relationships and their legal regulation It will be of great interest to researchers and practitioners working in this complex field

While this might not be the Rethinking Families full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Rethinking Families eBooks, including some popular titles.

FAQs About Rethinking Families Books

What is a Rethinking Families PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view

or print it. **How do I create a Rethinking Families PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Rethinking Families PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Rethinking Families PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Rethinking Families PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
