Retief At Large:

Retief at Large Keith Laumer, 1985-05-01 Retief's Ransom Keith Laumer, 2016-02-29 Lumbaga is a planet without known virtues but with some decidedly odd natives For every Lumbagan is simply an arbitrary assortment of semi independent organs inspired by a lust for mayhem But even the most undesirable chunk of galactic real estate attracts its quota of rival overlords and the fiendish Groaci had a scheme for absorbing Lumbaga into their sphere of influence It was working well too until it involved Retief Terran diplomat extraordinary To his powerful intellect the machinations of the Groaci were child s play Retief's War Keith Laumer, 2016-03-24 The twenty seventh century planet of Quopp is a world where Earthmen walk cautiously or not at all The inhabitants are weirdly diabolical creatures possessing spoked wheel limbs and sprouting steel sharp talons Plans are afoot to place these singular beings under a single government friendly to Earth But Jame Retief officer of the distinguished Corps Diplomatique Teresstienne a supra national organization devoted to keeping the peace has discovered that evil forces are undermining the whole scheme Deviously sincere uncompromisingly venal fearlessly cowardly Retief goes to work against mounting planetary intrigue and more than once brings those around him to the brink of nervous collapse The Ultimax Man Keith Laumer, 2016-02-29 In the next few days you will master the rules and techniques for every activity skill talent sport and art ever mastered by any human being anywhere You will be as expert at clipping flints as at architectural drawing You will be able to juggle walk a tightrope and add the numerals on the sides of passing freight cars as fast as any idiot savant You ll absorb all the information in all the books the human race s entire heritage of knowledge This was only the beginning of the experiment that was to turn a petty thief into the most brilliant and powerful man ever to hold the earth in thrall This was only the first step on the path of conquest mapped out for THE ULTIMAX MAN **Night of Delusions** Keith Laumer, 2016-03-24 It starts out as a weird but seemingly understandable assignment bodyguarding a mad politician whose keepers have decided to let him escape as a sort of reality therapy But to understand the Senator Florin must enter the Machine an reality will never be the same From now on he s a Knight of Delusions **The House in November** Keith Laumer, 2016-04-28 Invasion At first the U S army what was left of it thought it was battling a communist invasion The truth was much worse It wasn t until Jeff Mallory awoke one morning to find that all his fellow townsfolk had become sleep walking zombies and that a tower had been erected in the center of town a tower that seemed to stretch to the stars that the horrible truth began to unravel Earth had been invaded not by a race of alien conquerors but by a disease A disease with a brain **Galactic Odyssey** Keith Laumer, 2016-02-29 Billy Danger had gone past hitting the skids now he was freezing to death in a blizzard So he took shelter in a corn silo that turned out to be a disguised alien starship and woke up light years from Earth *The Stars Must Wait* Keith Laumer, 2016-03-24 Awakened from suspended animation aboard his exploration starship John Jackson is shocked to discover that the ship never left Earth and that he has slept a century after a world war Facing a nightmare wilderness inhabited by neo barbarians and sentient

tanks Jackson is the only man who can bring the world to its senses *The Monitors* Keith Laumer,2016-02-29 Even after the set had been turned off the TV blared the announcement Citizens of Earth I am Tersh Jetterax It is my pleasure to announce to you that a new government has taken over the conduct of all public affairs And thus the US was in the hands of the Monitors the strangely polite yellow clad beings whose powers were such that they could render everyone helpless without shedding one drop of blood Who are they The Russians An alien race from another planet *Catastrophe Planet* Keith Laumer,2016-04-28 The Earth was in shambles after the final quake had leveled the cities For Mal Irish the last hold on reality was the embossed gold coin he had taken from the pocket of the dead man the man who with his last breath had told him of mastodons buried in ice and men who weren t human Once in possession of the coin Mal found himself on a mysterious quest which led him to discover even stranger things the girl who spoke the language of another world the city under the ocean floor and the deadly little men who followed him He was in the power of something beyond his understanding and he meant to find out its source before it put him to its own unfathomable uses **Zone Yellow** Keith Laumer,2016-02-29 Brion Bayard once of our own timeline and now Imperium Agent extraordinaire had been on some pretty dangerous missions before but never had he encountered so noxious a foe as the invading legions of giant plague ridden rats who walked like men spreading disease across the multiple universes of the Imperium Unless Bayard can travel to the original world of the long tailed invaders and stop the plague at its source the Earth of the Imperium and all the other Earths in all the universes will fall before the verminous hordes from a timeline that should never have existed in the first place **Star Colony** Keith Laumer,2016-03-24 Coming in fast and low the huge ship made planetfall Three years out from Terra the colony ship Omega had reached her destination and the crew began to off load the cargo and passengers Then the ship vanished Against the vast panorama of an unexplored universe Keith Laumer sets this first volume of the history of the world called Colmar mankind s first venture among the stars *The Time Bender* Keith Laumer,2016-03-24 Draftsmen can t fight dragons Then again that s usually no problem they generally don t have to But Lafayette O Leary does When an accidental overdose of self hypnosis wrenches him out of the dull but safe Mrs MacGlint s Clean Rooms and Board and deposits him in the feudal bedragoned world of Artesia it takes him a little while to catch on even with the attentions of the beautiful Princess Adoranne Then he decides that he likes this new life of his except for the part where he s supposed to get killed

End as a Hero Keith Laumer,2016-03-24 Mankind was at war with the hideous Gool and losing Then beyond Ganymead one man fought the searing brain probe of an alien spy and won He mastered the power of its telepathic mind control captured the secret of its matter transmitters and learned how to destroy the Gool Overlords He called intelligence with news of the victory and headed home Straight into a barrage of Terran nuclear warheads Past missiles shells and assassins he made it home alone badly wounded and branded a traitor by conventional Terran wisdom that said no one could survive the Gool brain probe No one that is except a brainwashed puppet deliberately allowed to survive to serve the Goos as a spy But

he must survive Earth's attempts to kill him because no matter how much his fellow humans want him dead he knows that he is the only one who can lead them against the Gool and have a chance at victory *The World Shuffler* Keith

Laumer, 2016-02-29 TWAS BORING IN ARTESIA or so thought Sir Lafayette O Leary ex craftsman from Earth and now seemingly ex interdimensional swashbuckler extraordinaire as well His battles were all won his dragons all slain and life was just the same boring round of riches royal hunts and regatas Boring boring boring until he walked past the azalia Suddenly Artesia was gone and O Leary was trapped in Melange a world of giants and pirates karate chopping hags and electronic flying carpets a world where goons and harlots are the spitting images literally of his own aristocratic Artesian associates And because they think he's his double lots of his new friends want O Leary dead Unless he can get through the interdimensional gate and find the continuum path back home O Leary's life will never be boring again Just short **The**

Star Treasure Keith Laumer, 2016-02-29 HE HAD NOTHING TO DO WITH THE MURDER It was a set up but who was behind it and why did they want Ban Tarleton out of the United Planetary Navy Could it have been something to do with the innocent looking chunk of rock dug from an asteroid by Tarleton's best friend a discovery which caused him to be brutally killed The Navy was helpless under the orders of a greater power Yet even the Star Lords had a weakness If Tarleton could discover that secret he and the populace of the beleaguered world might find freedom once again **Galactic Diplomat**

Keith Laumer, 2016-04-28 Retief is an officer of the distinguished Corps Diplomatique Terrestrienne a supra national organization devoted to keeping the peace or more accurately to maintaining a state of tension short of armed conflict Retief is not exactly in the mainstream of current Galactic diplomacy as expounded by such giants of the C D T as Crodfoller Hidebinder Straphanger and his own immediate superior Magnan Deviously sincere uncompromisingly venal fearlessly cowardly these great dedicated public servants will seem curiously familiar as they strive to keep the peace seven hundred years in the future But when Retief's on the scene things have a way of coming right in the end Contents Ultimatum Saline Solution The Brass God The Castle of Light Wicker Wonderland Native Intelligence The Prince and the Pirate Courier Protest Note **The Infinite Cage** Keith Laumer, 2016-03-24 When he awakens in a skid row alley Adam knows nothing Not who he

is nor where he's from Money is a mystery So are women All he begins his new life with is a will to survive But he learns fast first how to get away then how not to have to In the beginning Adam wants to be friends with us Before he's through he just might run the human race off its feet **African Repository and Colonial Journal** ,1838 **The African repository** ,1838
