Simply Speaking From My Heart:

Simply Speaking from My Heart Theresa Griffin, 2005-04-01 In this book you will find the simplicity of words written in the form of poetry with the intention of sharing life's situations and experiences with others in hopes that it will help them along the way when they face similar circumstances. It helps knowing that you are not alone. This spiritual and inspirational poetry shares the love that God our Father and our Lord and Savior Jesus Christ has for all who will receive. Also, this book contains poems of everyday situations showing the humor that can be found in life if taken in stride. As I am *Simply Speaking from My Heart*, it is my prayer that all who read the words contained in my poetry may find love, hope, comfort, inspiration, and a smile.

Simply Speaking Inspirations Sherry D. Bailey, 2011-09-07 *Simply Speaking Inspirations* is a collection of inspirational messages that will uplift your spirit. Everyday challenges tug at our emotions, leaving us zapped of energy and seeking solace. Well, this book is a sure-fire way to recharge your resolve. It will have you laughing and shouting while invigorating you to persevere through life. Soothe your mind with the tantalizing words of *Simply Speaking Inspirations*. And you will experience the serenity of the Spirit.

Simply Speaking with God J. Michael, 2010-12-16 Poet J. Michael suddenly found himself all alone in a difficult situation. As a spiritual person, he asked God to touch him in some special way that would bring purpose back to his life. He has found that purpose in writing poetry. As he wrote poem after poem, he began to realize that he was telling a story of his life in poems. The prayer poems are similar to his own prayers, and there are poems that reflect his life experiences. The devotional poems focus on topics that he studied or taught in the past. His verses recall military service, work, travel, service to God, and other mundane and extraordinary experiences throughout his life. *Simply Speaking with God* is his testimony to his almighty God. Each poem tells a story and illustrates just how easy it is to talk to our heavenly Father. My True and Living God, Father, I know that You come to us daily. In all the things we see, for all things You created, we are forever grateful to Thee. To watch the sun rise that gloriously adorns the day, it is so beautiful to see every inch of the way.

Homilies on the Psalms Origen, 2020-12-18 In 2012 Dr. Marina Marin Pradel, an archivist at the Bayerische Staatsbibliothek in Munich, discovered that a thick 12th-century Byzantine manuscript, Codex Monacensis Graecus 314, contained twenty-nine of Origen's Homilies on the Psalms, hitherto considered lost. Lorenzo Perrone of the University of Bologna, an internationally respected scholar of Origen, vouched for the identification and immediately began work on the scholarly edition that appeared in 2015 as the thirteenth volume of Origen's works in the distinguished *Griechische Christlichen Schriftsteller* series. In an introductory essay, Perrone provided proof that the homilies are genuine and demonstrated that they are astonishingly his last known work. Live transcripts of these collection homilies constitute our largest collection of actual Christian preaching from the pre-Constantinian period. In these homilies, the final expression of his mature thought, Origen displays more fully than elsewhere his understanding of the church and of deification as the goal of Christian life. They also give precious insights into his understanding of the incarnation and of human nature. They are the earliest

example of early Christian interpretation of the Psalms works at the heart of Christian spirituality Historians of biblical interpretation will find in them the largest body of Old Testament interpretation surviving in his own words not filtered through ancient translations into Latin that often failed to convey his intense philological acumen Among other things they give us new insights into the life of a third century Greco Roman metropolis into Christian Jewish relations and into Christian worship This translation using the GCS as its basis seeks to convey as faithfully as possible Origen s own categories of thought An introduction and notes relate the homilies to the theology and principles of interpretation in Origen s larger work and to that work s intellectual context and legacy *Speak Your Healing from the Homosexual Deception* Bonnie M.

Egglehand,2014-10-08 The lies of homosexuality dissipate because a life of purity in Christ Jesus decidedly removes the homosexual deception Each step toward Jesus brings us closer to His image and we are changed We emerge free to be exactly whom Father God created us to be Leaving all secrets with honesty and transparency before God and man forgiving ourselves and all abusers we emerge in our true identity with a heterosexual desire This desire for the opposite sex is as natural as apple pie Leaving the judgments the facades the sins and all idols the stark truth remains Our true identity is found in Jesus Christ alone **Confessional Crises and Cultural Politics in Twentieth-Century America** Dave

Godly Fear or Ungodly Failure? Michael Kibbe,2016-05-10 A cursory glance at Hebrews critique of Israel's fear at Sinai in Heb 12:18-29 suggests that the author has misunderstood or manipulated his sources In the Pentateuch the appointment of Moses as Israel's mediator receives explicit approval Exod 19:9 Deut 5:28 while Heb 12:25 labels their request for mediation a refusal to heed the word of God This book argues that Hebrews use of the Sinai narratives resides on a complex trajectory established by four points the Sinai covenant according to Exodus the reenactment of that covenant according to Deuteronomy the call for a NEW covenant according to Jeremiah and the present reality of that covenant established by God and mediated by Jesus Christ The basis for Hebrews critique arises from its insight that while Israel's request established covenant from a distance Jesus demonstrates that true covenant mediation brings two parties into a single space The purpose for Hebrews critique lies in its summons to Zion the mountain on which Jesus sits at the right hand of God as the high priestly mediator of the new covenant **The Gryphon** Paula Grover,2019-06-05 Born to be the next queen of the gryphons Sunsky of the Mountains sees her whole life ahead of her but conforming to her role is another story Although she considers taking the mighty Dreamspinner as her official king she shuns the expectations set upon her and strikes out to find her own path She soon finds herself falling into a forbidden relationship with a beautiful black winged horse named Nightsky The hippogryph baby that is the result of their love is considered an enemy of the gryphons and will be hated and shunned by the gryphonic tribes After putting family before duty she is forced to leave her home in the mountains and live with her offspring in the Valley of Outcasts In her place the evil Talona seizes the crown and enforces a new order of repression and violence not only on her gryphon subjects but on the hippogryphs and other subordinate creatures as well With her family and friends enslaved imprisoned or killed hope for the future begins to fade Now Sunsky must answer the call of destiny to return from exile retake her queendom and unite her fractured nation before it is too late
