Sinatra The Entertainer:

Sinatra, the Entertainer Arnold Shaw, 1982 Pat Cooper--How Dare You Say How Dare Me! ,2011-01-01 FOREWORD BY JERRY LEWIS Praise for Pat Cooper He s the comedian s comedian I think Jerry Seinfeld I m one of his biggest fans Jerry Lewis He s a great actor comedian but I m not sure which one Robert De Niro One of the funniest men on the planet Venus Jason Alexander I ve never met a funnier man Sure I have it s me Billy Crystal Few comics today can say they have worked with the likes of George Burns Frank Sinatra Tony Bennett and Bobby Darin but Pat Cooper can Born Pasquale Caputo the legendary comedian didn t appear on the show business radar until age thirty two But from that moment in 1963 when the young smart mouthed Brooklynite was beamed into millions of homes via the Jackie Gleason Show people throughout the country knew that they were watching something special His brash irreverent and undeniably hilarious views of what is happening around him have always been honest unyielding and colored by his comedic anger And now in *How Dare You Say How Dare Me* he shares the amazing offbeat story of his life In his unique no holds barred style Cooper begins his story at the beginning as a child growing up under the strict hand of Italian immigrant parents He shares memorable typically comical moments from his youth including the loss of his virginity to a middle aged yenta and his efforts to join the military at age seventeen only to be kicked out for having hammerhead toes A seventh generation bricklayer by trade Pat recounts performing his stand up routine in small clubs and theaters at night until he got his big break into the big time From that point on Pat pulls no punches in relating story after story of his life as a top entertainer including the good the bad and the side splitting From Las Vegas to Atlantic City and everywhere in between it s all here Every bit as brash irreverent and hilarious as ever Pat Cooper proves in this very frank memoir that one can succeed in show business without being phony just as long as you learn to duck and you re not too surprised when you re fired Hey one door closes and another opens Like any time spent with this comic genius in person *How Dare You Say How Dare Me* will leave you roaring *Frank James Kaplan*,2011-11-01 Frank Sinatra was the best known entertainer of the twentieth century infinitely charismatic lionized and notorious in equal measure But despite his mammoth fame Sinatra the man has remained an enigma Now James Kaplan brings deeper insight than ever before to the complex psyche and turbulent life behind that incomparable voice from Sinatra s humble beginning in Hoboken to his fall from grace and Oscar winning return in *From Here to Eternity* Here at last is the biographer who makes the reader feel what it was really like to be Frank Sinatra as man as musician as tortured genius

JFK and the Masculine Mystique Steven Watts, 2025-10-16 From very early on in his career John F Kennedy's allure was more akin to a movie star than a presidential candidate Why were Americans so attracted to Kennedy in the late 1950s and early 1960s his glamorous image good looks cool style tough minded rhetoric and sex appeal As Steve Watts argues JFK was tailor made for the cultural atmosphere of his time He benefited from a crisis of manhood that had welled up in postwar America when men had become ensnared by bureaucracy softened by suburban comfort and emasculated by a generation of newly aggressive women Kennedy appeared to revive the modern American man as youthful and vigorous masculine and athletic and a sexual conquistador His cultural crusade involved other prominent figures including Frank Sinatra Norman Mailer Ian Fleming Hugh Hefner Ben Bradlee Kirk Douglas and Tony Curtis who collectively symbolized masculine regeneration JFK and the Masculine Mystique is not just another standard biography of the youthful president By examining Kennedy in the context of certain books movies social critiques music and cultural discussions that framed his ascendancy Watts shows us the excitement and sense of possibility the optimism and aspirations that accompanied the dawn of a new age in America *The Peter Lawford Story* Patricia Lawford Stewart, Ted Schwarz, 2015-02-03 As the brother in law to JFK and a member of the Rat Pack Peter Lawford was one of America's most acclaimed movie stars Lawford led an extraordinary life His story as told by the woman who knew him best is the always candid sometimes shocking unveiling of the most intriguing show business personalities and significant political events of our time Now fully updated and revised for 2014 this is a must read for anyone interested in Hollywood film and celebrity gossip Skyhorse Publishing along with our Arcade Good Books Sports Publishing and Yucca imprints is proud to publish a broad range of biographies autobiographies and memoirs Our list includes biographies on well known historical figures like Benjamin Franklin Nelson Mandela and Alexander Graham Bell as well as villains from history such as Heinrich Himmler John Wayne Gacy and O J Simpson We have also published survivor stories of World War II memoirs about overcoming adversity first hand tales of adventure and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home They Left Their Hearts in San

The Road to Dallas David Kaiser, 2009-11-30 Neither a random event nor the act of a lone madman the assassination of President John F Kennedy was an appalling and grisly conspiracy This is the unvarnished story With deft investigative skill David Kaiser shows that the events of November 22 1963 cannot be understood without fully grasping the two larger stories of which they were a part the U S government s campaign against organized crime which began in the late 1950s and accelerated dramatically under Robert Kennedy and the furtive quest of two administrations along with a cadre of private interest groups to eliminate Fidel Castro The seeds of conspiracy go back to the Eisenhower administration which recruited top mobsters in a series of plots to assassinate the Cuban leader The CIA created a secretive environment in which illicit networks were allowed to expand in dangerous directions The agency s links with the Mafia continued in the Kennedy administration although the President and his closest advisors engaged in their own efforts to overthrow Castro thought this skullduggery had ended Meanwhile Cuban exiles right wing businessmen and hard line anti Communists established ties with virtually anyone deemed capable of taking out the Cuban premier Inevitably those ties included the mob The conspiracy to kill JFK took shape in response to Robert Kennedy s relentless attacks on organized crime legal vendettas that often went well beyond the normal practices of law enforcement Pushed to the wall mob leaders merely had to look to the networks already in place for a solution They found it in Lee Harvey Oswald the ideal character to enact their desperate revenge against the Kennedys Comprehensive detailed and informed by original sources **The Road to Dallas** adds surprising new material to every aspect of the case It brings to light the complete frequently shocking story of the JFK assassination and its aftermath
