The Singer Calvin Miller, 2020-10-20 In this timeless classic now available in the IVP Signature Collection Calvin Miller retells the story of Jesus through an allegorical poem about a Singer whose song could not be silenced Since it was first published in 1975 *The Singer* has offered believers and seekers the world over a deeply personal encounter with the gospel

God in the Flesh (EasyRead Super Large 18pt Edition) , ***God in the Flesh (EasyRead Super Large 20pt Edition)*** ,

Hardwired James Miller, 2013-09-17 There is a vast Christian audience that longs for clear explanations in their case for God that gives them reason confidence and the language to effectively communicate their belief *Hardwired* is that book that confidence that accessible wisdom and that language Christian apologetics remains a popular and widely read genre with works like *The Case for Christ* selling millions of copies and *Reasonable Faith* making inroads into academic discussion However those works often rely on scholars to give them a confusing new language for their own faith *Hardwired* is altogether different Miller begins with the language of our own lives seekers questioners Nones and Somes who need only to examine their lives their human existence to find God Like a baseball player who has delved into physics while simply trying to get on base humanity has inferred God's existence from daily life Building on the biblical principle that God's existence is plain in what He has made *Hardwired* makes the case for our natural lives giving us a language for God's existence Filled with humor metaphor and whimsy *Hardwired* will empower the layperson to find God without a Ph D It's readable and fun even as it rests on a credible scholarly foundation ***Effective Spiritual Warfare*** Mary Lou Codman-Wilson, 2022-11-08

How to Win Victory against the Enemy The world we live in comprises two different levels of reality the material world and the unseen spiritual world In that unseen world a great battle is being waged between the forces of God and the forces of evil ruled by Satan Spiritual warfare is happening all around us however many Christians do not realize that fact or know how to stand strong in the presence of evil and defeat these spiritual enemies in daily life *Effective Spiritual Warfare* describes the tactics evil forces use to keep Christians from fulfilling God's plans for them personally and globally Then the book concentrates primarily on eight ways to overcome Satan in our lives These principles are truly life transforming thoroughly biblical and consistently validated throughout Christian history Applying these principles in Jesus's name will offer readers new opportunities to participate in God's victories as well as God's ultimate Victory in Christ Believers who feel trapped and hopeless as they face sometimes unspeakable evil will find hope and be equipped through this book to triumph in effective spiritual warfare and incarnate God's reign on Earth The material in this Snapshot book was adapted and expanded from chapter 17 of *Supracultural Gospel Bridging East and West* Littleton CO William Carey Publishing 2022 *God in the Flesh* Don Everts, 2009-10 They were amazed at his teaching They fell down before him He touched her hand they left their nets

Often when we read the New Testament accounts of Jesus life we focus on his teachings and stories But Don Everts draws our attention to the seemingly insignificant stage directions of the Gospels that describe the activity surrounding him It s significant Everts writes that in the Gospels we don t just have a bullet list of quotes from Jesus We also have observations of what he did and how people responded to him By examining these simple phrases and casual comments Everts assembles a startlingly fresh portrait of who Jesus was and is While no one has seen the invisible God when we look at the life of Jesus we discover what his early followers discovered that Jesus is the very flesh of God Many people find themselves put off by Christianity but haunted and compelled by the figure of Jesus In God in the Flesh Don Everts reminds us why **The Big Picture** Brian Harris,2015-04-03 This book is an accessible exploration of the big building blocks of the Christian faith differentiating between the important contours of a Christian worldview and secondary concerns imposed by culture and tradition Skilfully bringing together biblically informed theology and the everyday world Brian Harris unpacks themes of grace creation and Christian hope in an engaging conversational manner The result is a book that empowers us to live out our faith wherever we are Stephen Garner Laidlaw College Auckland New Zealand Me Too Jon Weece,2016-02-02 Your life is filled with pressure and pain and heartache and disappointment So was His If you ve ever tried to pick up the shattered pieces of your life and put them back together again without help you know it s an impossible task When you lose your job when divorce divides your family when a loved one commits suicide or when cancer claims a friend it s easy to lose perspective and abandon hope According to Jon Weece Christianity does not require you to smile through your pain much less praise God for tormenting you God doesn t enjoy your suffering But he does understand it and he knows exactly how to fix it That s what Me Too is all about A God who turned the ugliness of the cross into a spectacle of eternal beauty An all powerful Lord who will do the same with the pain of this world An eternal Father who specializes in wiping away tears and putting you back together again If you ll allow him **The Singer Trilogy** Calvin Miller,2010-09-03 Through the story of the Singer his Song and his battles with the World Hater Calvin Miller has created an extraordinary retelling of a life unmatched in human history Now you can find the complete powerful tale of incarnation and redemption in one volume with all three of Calvin Miller s books together The Singer The Song and The Finale American Book Publishing Record ,2001 **Books in Print Supplement** ,2002 *Books In Print 2004-2005* Ed Bowker Staff,Staff Bowker, Ed,2004 **Subject Guide to Books in Print** ,2001 **Cosmic Conflict** Ellen Gould Harmon White,1971
