Scott Husted,2009-03-01 This is a book about the workings of an establishment that God is doing in these last days Prophesied from ancient times the establishment is going on in

communities across the globe As centers for intercession as centers for evangelism and as strategic bases for mercy and justice God is founding Houses of Prayer all across the earth this is The Establishment **Pleasures Evermore** Sam Storms,2014-02-27 You know how to enjoy friends and family good food and good times but do you enjoy being a Christian Author Sam Storms presents a fresh and liberating perspective on why a relationship with God is not only possible but also irresistibly pleasurable Once you discover that God delights in your company your desire for Him will only be satisfied by drawing closer to His unquenchable love through a life of passionate service After They Are Yours Brian Borgman,2014-10-01 Adoption offers a powerful testimony of grace in a world of unwanted pregnancies and on demand abortion But no one said adoption is easy As an adoptive parent and pastor who has counseled many adoptive parents Brian Borgman knows there is another side to adoption that we are often reluctant to talk about Parenting is always a challenge but parenting an adopted child can have some special challenges Adoptive parents can experience much heartache and even guilt with their adopted children Many suffer in silence Borgman writes with a burden to minister to those who are struggling After They Are Yours The Grace and Grit of Adoption talks transparently and redemptively about the often unspoken problems adoptive parents face Combining personal experience biblical wisdom and a heart for people Borgman recalls the humbling and difficult lessons God has taught him and his wife This is not a success story rather it s a story of struggles and failures set in the broader context of a God who is gracious and continually teaches us the meaning of adoption

Reclaiming Adoption Dan Cruver,John Piper,Scotty Smith,2011 Delight in God s delight in you One of the ambitious dreams that Reclaiming Adoption and its authors share with the Apostle Paul is that when Christians hear the word adoption they will think first about their adoption by God This book is premised on the belief that behind the Parable of the Prodigal Son s is Scripture s teaching on adoption The story of the Bible is that God the Father sent his only true and eternal Son on a mission and that mission was to bring many wayward and rebellious sons home to glory Hebrews 2 10 in order to adopt them into his family That is the Story behind the story of the Prodigal Sons If Christians learn to first think about their adoption by God and only then about the adoption of children they will enjoy deeper communion with the God who is love and experience greater missional engagement with the pain and suffering of this world Reclaiming Adoption can transform the way you view and live in this world for the glory of God and the good of our world s most needy **More Precious Than Gold** Sam Storms,2009-02-04 In his third book of daily meditations Sam Storms urges readers to not just enter into God s Word but to take the next step toward knowing him and his Word better And the book of Psalms Storms believes is a great place to start because Psalms is so popular and so very relevant to our experiences today In More Precious Than Gold Storms combines years of life experience and his biblical and theological training to bring readers 50 brief daily meditations that are both stylistically accessible and theologically substantive Each meditation includes a historical or theological reflection on the psalm in context a story that brings it alive and creative tools to support the key idea Storms also interweaves the words of

such luminaries as Charles Spurgeon Jonathan Edwards and John Piper to help readers better understand the concepts that are featured throughout Psalms worship prayer joy forgiveness steadfast love mercy sin s consequences the law of the Lord and our relationship with our enemies Like the Psalter Storms doesn t shy away from the tough issues Instead he encourages readers to experience through these daily meditations what he and generations of Christians have found to be true that the whole of the Christian faith is about lifting God higher and magnifying his name even during difficult times *Licensed to Kill* Brian G. Hedges,2011-07 Your soul is a war zone Know your enemy Learn to fight Rather than aiming at simple moral reformation *Licensed to Kill* aims at our spiritual transformation This field manual focuses on the most critical information regarding our enemy and gives practical instruction concerning the stalking and killing of sin **Who Am I?** Jerry Bridges,2012-03-15 Best selling author Jerry Bridges The Pursuit of Holiness The Discipline of Grace The Bookends of the Christian Life and many other books asks perhaps the most fundamental question of existence Who am I He then turns to Scripture to unpack for the Christian eight clear interlocking illuminating answers I Am a Creature I Am in Christ I Am Justified I Am an Adopted Son of God I Am a New Creation I Am a Saint I Am a Servant of Jesus Christ I Am Not Yet Perfect A direct honest presentation of biblical truth and all new material from Jerry Bridges *Who Am I* demonstrates for believers that they can and should rightfully claim for themselves an unshakeable lifelong personal foundation of confidence in one thing and one thing alone the gospel of a victorious resurrected Savior *Awaiting a Savior* Aaron Armstrong,2011-10 Where does poverty come from What am I supposed to do about it These questions are driving a new generation of Christians to take action on behalf of the poor through social and political action global partnerships and financial generosity as they desire to become the generation that ends poverty forever But in pursuit of this goal they risk losing sight of a fundamental reality the root cause of poverty isn t found in material or external circumstances The root cause of poverty is sin and sin is not a problem we can solve But Jesus can In *Awaiting a Savior* Aaron Armstrong reminds readers that even as we are responsible for pursuing biblical solutions to poverty our hope for truly resolving it comes not from the good we do but from the return of Christ who will once and for all put an end to sin suffering and death as he brings about the new creation

Innocent Blood John Ensor,2011-09 The gospel of Christ is the gospel of life and the Christian s defining reality Yet the shedding of innocent blood primarily through abortion has now marked an entire generation *Innocent Blood* explores a series of questions so as to reveal vital connections between the gospel and the call to defend the unborn These questions include What does the Bible mean when it says that life is in the blood What does the Bible say about blood guilt How is it that we are all stained by it and accountable for it even though few of us have taken a human life What remedy does God provide for the guilt of shedding innocent blood What are we to do when confronted with the shedding of innocent blood and where does our courage to take action come from What is the link between protecting the innocent and proclaiming good news to the guilty Not a book on social issues per se nor a book on missions *Innocent Blood* integrates the two and calls us to courageously

challenge the powers of death with the gospel of life Connexion Jeanette Storms,2010 Storms expounds upon her notion of deeper relationship with God through active involved prayer habits which she terms relational prayer Readers will explore the language and principles of effective prayer and receive an increased level of confidence and authority in their prayer lives **Education Or Imitation** Curtis Allen,2012 To interpret Scripture rightly imitate Jesus The earthly ministry of Jesus was all about rightly interpreting and applying God s Word We can do the same No special training required In fact right interpretation of Scripture followed by right application is the primary way that Christians are to be like God This is not an issue of education It s an issue of imitation The example of Jesus life shows us how Friends and Lovers Joel R. Beeke,2012-02 Marriage aims at the glory of God through intimate companionship God meant husband and wife to walk together talk together work together and sleep together As the Puritans said God did not make the woman out of man s head to control him or out of his feet for him to trample on her but out of his side to be embraced near to his heart Here is a book of practical encouragements for two key aspects of marriage companionship and sex Dr Joel Beeke draws upon the wisdom of the Holy Scriptures and over three decades of pastoral ministry to present a dozen practical principles for fanning into flame the fire of love between husband and wife The Bible has a higher aim than a satisfying marriage namely glorying in God forever Marriage will one day be done made obsolete by the magnificent relationship between Christ and His people Even now marriage is neither the chief purpose nor the highest joy of man But the Scriptures do call wedded people to glorify God here and now through their marriages Dr Beeke s book aims to assist them in this In Part I Friends the book explores the meaning cultivation and threats to friendship in marriage Friendship is that personal bond of shared life that brings people together in delightful harmony It is rooted God s created order of making men and women in His image We broke this harmonious order when our first parents sinned against God simultaneously turning against each other But Christ is the great peacemaker and friendship restorer Cultivating friendship with your spouse is hard work but profoundly rewarding It revolves around sharing life together The book gives guidance in how to share yourself with your spouse through the gifts of time discussing decisions listening to each other s feelings talking about how God is at work in your lives praying together building trust laughing together giving thanks pleasing your spouse and finding shared interests It also walks the reader through the minefields of giving and receiving correction honoring in laws having balanced friendship with others and supporting on another in crises Above all we must remember that our most important friendship is with our Lord Jesus Christ who alone can walk with us through life death and eternity In Part II Lovers Dr Beeke sets forth several ways in which the gospel energizes married Christians to enjoy sex in holy delight The words gospel sex and holy may not seem to go together This book shows that in reality sexual love between husband and wife is both a holy duty pleasing to God and blessed privilege empowered by Christ s grace Rather than splitting our lives into different compartments such as sex and religion God calls us to respond to Christ s mercies by offering our whole existence to Him as a living sacrifice The Bible teaches us

doctrines like the image of God in man the creation mandate God laid upon the human race the moral law for marriage forgiveness of sins by faith in Christ sanctification by divine grace Christ's call to take up our cross adoption by God and turning from idols to give thanks to God All these doctrines have massive implications for our sexual relationship with our spouses However these doctrines must do more than sit in our minds they must sink into our hearts In Reformed experiential fashion Dr Beeke leads the reader to know believe feel and act based upon God's Word applied by God's Spirit
