Ashcroft, 2015-12-15 What we think about matters Our thoughts inspire guide and control our actions Yet we often focus more upon eliminating bad behavior than rejecting bad thoughts Our Lord Jesus places priority on cleansing our inner nature before addressing outward actions Mt 23 26 This book is written to help Christians focus on their thought life as a means of honoring God God s Word is a great source of guidance in dealing with what we think In these simple Scriptural meditations the author has sought to help believers to take every thought captive to obey Christ 2 Cor 10 5b It is a book for anyone who has struggled with their thought life and desires victory over the content of their minds *Snapshots of God's Footprints* Ilse-Dore Pulliam, 2025-05-14 As flowers are different in color fragrance texture so are the stores I made for you The snapshots of God s footprints are from experiences in my life I hope to have inspired you to review your own life when how you received God s help in time of need It would add precious links into the chain of sharing thanking praying **Modern Christianity Corrupted** Bob Klingenberg, Robert Klingenberg, 2012-06-08 The roots of an insidious Religious Humanism have for some time now steadily been growing deeper and deeper and taking a firm hold in the modern Christian Church in America and across the world The lethality of this rooting is that Religious Humanism is filled with false teachings which are historically known as heresies **Myths of the Rune Stone** David M. Krueger, 2015-10-01 What do our myths say about us Why do we choose to believe stories that have been disproven David M Krueger takes an in depth look at a legend that held tremendous power in one corner of Minnesota helping to define both a community s and a state s identity for decades In 1898 a Swedish immigrant farmer claimed to have discovered a large rock with writing carved into its surface in a field near Kensington Minnesota The writing told a North American origin story predating Christopher Columbus s exploration in which

Viking missionaries reached what is now Minnesota in 1362 only to be massacred by Indians The tale s credibility was quickly challenged and ultimately undermined by experts but the myth took hold Faith in the authenticity of the Kensington Rune Stone was a crucial part of the local Nordic identity Accepted and proclaimed as truth the story of the Rune Stone recast Native Americans as villains The community used the account as the basis for civic celebrations for years and advocates for the stone continue to promote its validity despite the overwhelming evidence that it was a hoax Krueger puts this stubborn conviction in context and shows how confidence in the legitimacy of the stone has deep implications for a wide variety of Minnesotans who embraced it including Scandinavian immigrants Catholics small town boosters and those who desired to commemorate the white settlers who died in the Dakota War of 1862 Krueger demonstrates how the resilient belief in the Rune Stone is a form of civil religion with aspects that defy logic but illustrate how communities characterize themselves He reveals something unique about America s preoccupation with divine right and its troubled way of coming to terms with the history of the continent s first residents By considering who is included who is left out and how heroes and villains are created in the stories we tell about the past Myths of the Rune Stone offers an enlightening perspective on not just Minnesota but the United States as well The American Tyler-keystone ,1926 *Mind* ,1903 God's Touch Bruce Gordon Epperly,2001-01-01 The mounting evidence of the interconnectedness of spirituality health and medicine suggests giving new attention to the healing ministry of Jesus Through a fresh reading of the Gospel narratives Bruce Epperly reveals the centrality of whole person healing within Jesus mission as teacher and social reformer and stresses that churches should seek to recover a healing ministry that touches both the spirit and the body God s Touch traces the links between Jesus approach to wholeness of mind body spirit and relationships and the practices of complementary and alternative medicine today **The God's Carnival** Norma Lorimer,1916 40+ShortStories By Charles Neuf, The Investigator, MainStreet Writer, & Time Traveler By The Time Traveler,2017-06-15 This Book is a series of short stories and will have Four Chapters Each Chapter is a Chapter of The Writers Life as he Traveled through Time Space in a World of Newness Chapter One the MainStreet Writer Series Stories based on the writers life from childhood to adulthood These short stories will cover a time period from the late 1930 s to the mid 1970 s Chapter Two will be by The Investigator Series covering the writer s experiences from 1960 to 2000 covering his 40 years as an Investigator This will be short Police stories Detective stories and Private Investigator stories Chapter Three The Time Travel Series is going to be a series of short stories about the things The MainStreet Writer The Investigator and The Time Traveler learned during eighty five years of Time Travel as a Spirit in a man s body Chapter Four will be about The Writer Charles E Neuf Who he is What he has done When he was doing it Where he was at the time and why he was doing the things he did The Forest Gods' Reign Alexandria Hook,2015-05-15 An epic adventure fantasy in which a group of teenage friends discover they are actually Greek gods training for a future war He stays Those two simple words would seal the fates of more than a dozen teenagers Six years earlier Ashley and her friends

Strange Fire John F. MacArthur, 2013-11-19 In Strange Fire bestselling author and pastor John MacArthur chronicles the unsavory history behind the modern Charismatic movement What would God say about those who blatantly misrepresent His Holy Spirit who exchange true worship for chaotic fits of mindless ecstasy who replace the biblical gospel with vain illusions of health and wealth who claim to prophesy in His name yet speak errors and who sell false hope to desperate people for millions of dollars The charismatic movement has always been a breeding ground for scandal greed bad doctrine and all kinds of spiritual chicanery As a movement it is clearly headed the wrong direction And it is growing at an unprecedented rate From the Word of Faith to the New Apostolic Reformation the Charismatic movement is being consumed by the empty promises of the prosperity gospel Too many charismatic celebrities promote a Christianity without Christ a Holy Spirit without holiness And their teaching is having a disastrous influence on a grand scale as large television networks broadcast their heresies to every part of the world In Strange Fire MacArthur lays out a chilling case against the modern Charismatic movement that includes Rejecting its false prophets Speaking out against their errors Showing true reverence to the Holy Spirit Clinging to the Bible as the inerrant authoritative Word of God and the one true standard by which all truth claims must be tested
