Midnight In The Dollhouse:

Midnight in the Dollhouse Marjorie Stover, 1992 A family of dolls helps their young owner who has been left lame by an accident find a clue to hidden treasure **A Doll's House: York Notes for A-level ebook edition** Henrik Ibsen, Frances Gray, 2017-07-27 Get everything you need to achieve your full potential at English Literature A Level or AS with York Notes Study Guides now updated for Assessment Objectives 1 to 5 *A Doll's House* Henrik Ibsen, 1998 THE STORY Nora Helmer is a vibrant young housewife who nonetheless suffers from a crippling dependency on her husband of eight years He Torvald has always done the thinking for the both of them In order to save Torvald from a debt and to spar **The Dollhouse's Taste** Bella Vex, Rachelle Ayala, In her aunt's dusty Victorian mansion Robin Wurmwood discovers an heirloom with an appetite a dollhouse that doesn't just collect dust but souls When architectural scholar Robin inherits the pink monstrosity on Elm Street the exquisite dollhouse inside seems like a quaint curiosity until its porcelain occupants start rearranging themselves to mimic her every move At night childish voices whisper from empty rooms Play with us Robin and Won't you join us for storytime These tiny terrors have already claimed two sets of sisters in this house always leaving one survivor in Robin's bloodline Now they're thirsty for fresh Wurmwood blood to complete their circle Armed with sardonic wit and designer heels realtor extraordinaire Laura Leong is determined to sell this nightmare property if she can stop being hypnotized by the dollhouse's promise of perfection Meanwhile silver streaked librarian Marcus Rummage brings his occult expertise and surprising chemistry with Robin to the fight against forces older than the town itself As tiny footprints appear in spilled salt and porcelain hands reach beneath doors at midnight Robin uncovers her aunt's desperate attempts to contain the entities But the enigmatic Georgiana Morana who's been preserving local history since the 1870s has her own plans for the dollhouse and for Robin This property comes with more than outdated wiring Some houses keep secrets this one keeps prisoners in a miniature purgatory where teatime is eternal and escape impossible **Ibsen: A Doll's House** Egil Törnqvist, 1995-04-27 This 1995 critical study of Ibsen's *A Doll's House* addresses fundamental questions of text reception and performance What is the definitive version of *A Doll's House* original text translation stage presentation radio version adaptation to film or television What occurs when a drama intended for recipients in one language is translated into another or when a play written for the stage is adapted for radio television or film And to what extent do differences between the media and between directorial approaches influence the meaning of the play text Discussions of these issues include an internal analysis of the dramatic text and comparative performance analysis framed by the biographical background to the play and its impact on dramas by Strindberg Shaw and O'Neill and on films by Ingmar Bergman The book concludes with a list of productions and a select bibliography **The Enigma Woman** Kathleen A. Cairns, 2007-01-01 Crack shot Enigma woman Good with ponies and pistols A much married woman What if such an unconventional woman and the press unanimously agreed that Nellie May Madison was indeed unconventional were to get away with murder Shortly after her

husband's bullet-riddled body was found in the couple's Burbank apartment police issued an all-points bulletin for the beautiful dark-haired widow. The ensuing drama unfolded with all the strange twists and turns of a noir crime novel. In this intriguing cultural history, Kathleen A. Cairns tells the true tale of the first woman sentenced to death in California, Nellie May Madison. Her story offers a glimpse into law and disorder in 1930s Los Angeles while bringing to life a remarkable character whose plight reflects on the status of woman, the workings of the media and the judiciary system, and the stratification of society in her time. An intriguing cultural history, Cairns's re-creation of the case from murder to trial to aftermath casts an eye forward to our own love-hate affair with celebrity crimes and our abiding ambivalence about domestic violence, abuse as a defense for murder.

Ghosts Henrik Ibsen, 1912 **A Doll's House, Men of Honour, When We Dead Awaken** Henrik Ibsen, Laura Kieler, 2025-10-14. Oh, be not afraid I am cast out of society but you are not true; you walk around as a man of honour. What more do you want? Laura Kieler. *Men of Honour*. Very few readers and audiences know that Ibsen's iconic feminist drama *A Doll's House* was built upon the real-life story of a woman called Laura Kieler who was his friend and fellow writer. Her life fell apart when *A Doll's House* came out and the world saw her deeply private life splashed across its stages. With tremendous determination and perseverance, she managed to recover from the trauma that Ibsen's play caused her and channelled her pain into a successful play of her own called pointedly *Men of Honour*. The play performed in Copenhagen in 1890 caused great debate and fierce controversy. Ibsen eventually responded to her play by likewise writing a drama *When We Dead Awaken*, his final work. This new edition traces the conversation between Ibsen and Kieler through these plays across almost two decades and brings Kieler centre stage and deepens our understanding of Ibsen's *A Doll's House* and *When We Dead Awaken*. These three plays create a fascinating whole, a fusion of vantage points, contexts, and visions still reverberating on and off stage today. Furthermore, the two Ibsen plays speak to each other in startling and fresh ways. This
