Sexual Reckonings Susan Cahn, 2012-03-05 Sexual Reckonings is the fascinating tale of adolescent girls coming of age in the South during the most explosive decades for the region Focusing on the period from 1920 to 1960 Susan Cahn reveals how both the life of the South and the meaning of adolescence underwent enormous political economic and social shifts Those years witnessed the birth of a modern awareness of adolescence and female sexuality that clashed mightily with the white supremacist and patriarchal legacies of the old South As youth staked its claim the bodies and beliefs of southern girls became the battlefield for a transformed South which was like them experiencing growing pains Cahn reveals how young women both white and black were seen as the South's greatest hope and its greatest threat Viewed as critical actors in every regional crisis from the economic recession and urban migrations of the 1920s to the racial conflicts precipitated by school

desegregation in the 1950s female teenagers became the conspicuous subjects of social policy and regional imagination All the while these adolescents pursued their own desires and discovered their own meanings creating cracks in the twin pillars of the Jim Crow South racial purity and white male dominance that would soon be toppled by the student led civil rights movement Sexual Reckonings is an amazingly intimate look at a time of deep personal exploration and profound cultural change for southern girls and for the society they inhabited a powerful account of the clash between a society s fears and the daily lives and aspirations of its most prized and unpredictable population

Inspiring African American Women of Virginia Veronica Davis,2005-04 Inspiring African American Women of Virginia was written to provide readers with a variety of ethnic women from various eras in our countries history It captivates the reader and pulls them into the lives of women who were not just faced with the obstacle of race but gender It also reveals how they overcame their obstacles to achieve international acclaim From Missy Elliott and Roberta Flack to Maggie Walker and Nannie Burroughs you ll be surprised at how each of these women are connected to Virginia Enjoy

Before Elvis Larry Birnbaum,2012-12-14 An essential work for rock fans and scholars Before Elvis The Prehistory of Rock n Roll surveys the origins of rock n roll from the minstrel era to the emergence of Bill Haley and Elvis Presley Unlike other histories of rock Before Elvis offers a far broader and deeper analysis of the influences on rock music Dispelling common misconceptions it examines rock s origins in hokum songs and big band boogies as well as Delta blues detailing the embrace by white artists of African American styles long before rock n roll appeared This unique study ranges far and wide highlighting not only the contributions of obscure but key precursors like Hardrock Gunter and Sam Theard but also the influence of celebrity performers like Gene Autry and Ella Fitzgerald Too often rock historians treat the genesis of rock n roll as a bolt from the blue an overnight revolution provoked by the bland pop music that immediately preceded it and created through the white appropriation of music till then played only by and for black audiences In Before Elvis Birnbaum daringly argues a more complicated history of rock s evolution from a heady mix of ragtime boogie woogie swing country music mainstream pop and rhythm and blues a melange that influenced one another along the way from the absorption of blues and boogies into jazz and pop to the integration of country and Caribbean music into rhythm and blues Written in an easy style Before Elvis presents a bold argument about rock s origins and required reading for fans and scholars of rock n roll history

musicians who made it into an art **What a Difference a Day Makes** Steve Bergsman,2023-10-30 In What a Difference a
Day Makes Women Who Conquered 1950s Music Steve Bergsman highlights the Black female artists of the 1950s a time that
predated the chart topping girl groups of the early 1960s Many of the singers of this era became wildly famous and respected
and even made it into the Rock n Roll Hall of Fame However there were many others such as Margie Day Helen Humes
Nellie Lutcher Jewel King and Savannah Churchill who made one or two great records in the 1950s and then disappeared
from the scene The era featured former jazz and blues singers who first came to prominence in the 1940s and others who
pioneered early forms of rock n roll In a companion volume Bergsman has written the history of white women singers of the
same era Although song styles were parallel the careers of Black and white female singers of the period ran in very different
directions as the decade progressed The songs of African American vocalists like Dinah Washington and Etta James were
segregated to the R B charts or covered by pop singers in the early and mid 1950s but burst into prominence in the last part
of the decade and well into the 1960s White singers on the other hand excelled in the early 1950s but saw their careers
decline with the advent of rock music In this volume Bergsman takes an encyclopedic look at both the renowned and the
sadly faded stars of the 1950s placing them and their music back in the spotlight The Last Sultan Robert
