Miss Zukas in Death's Shadow Jo Dereske,1999-12-01 Refusing to pay an unjust traffic fine librarian Helma Zukas must serve fifty hours of time at the Promise Mission for Homeless Men but a dead man is discovered just outside the door on her first night there and Helma is one of the suspects

Mystery Women, Volume Three (Revised) Colleen Barnett,2010-12-31 Like other fictional characters female sleuths may live in the past or the future They may represent current times with some level of reality or shape their settings to suit an agenda There are audiences for both realism and escapism in the mystery novel It is interesting however to compare the fictional world of the mystery sleuth with the world in which readers live Of course mystery readers do not share one simplistic world They live in urban suburban and rural areas as do the female heroines in the books they read They may choose a book because it has a familiar background or because it takes them to places they long to visit Readers may be rich or poor young or old conservative or liberal So are the heroines What incredible choices there are today in mystery series This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu Like a menu the descriptions of the items that are provided are subjective Volume 3 of *Mystery Women* as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3 These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999 This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and easily exceeded the 347 series and some outstanding individuals described in Volume 1 which covered a 130 year period from 1860 1979 It also includes updates on those individuals covered in the first edition changes in status short reviews of books published since the first edition through December 31 2008

Sleuths in Skirts Frances A. DellaCava,Madeline H. Index to Murder Jo Dereske,2024-01-17 The search for purloined paintings leads a Washington librarian and her artist pal into danger in this charming cozy mystery An enchanting series I love Miss Zukas mysteries Carolyn Hart A loving send up of the stereotype of the prim librarian The New York Times No one could be more orderly or organized than dedicated librarian Helma Zukas No one could be more rash and raucous than avant garde artist Ruth Winthrop Yet the two women are best friends and a resourceful ingenious crime solving team So when two of Ruth's latest paintings each depicting an ex lover who met a very untimely and mysterious end are stolen the amazing amateur detectives get to work But digging through Ruth's romantic rendezvous turns up more than broken hearts There's an angry ex wife a jealous fellow artist and a rampaging group of local tree huggers There's trouble brewing in Bellehaven and only Helma and Ruth can make certain that mayhem

doesn't lead to murder *Reading the Cozy Mystery* Phyllis M. Betz, 2021-02-19 With their intimate settings subdued action and likeable characters cozy mysteries are rarely seen as anything more than light entertainment The cozy a subgenre of crime fiction has been historically misunderstood and often overlooked as the subject of serious study This anthology brings together a groundbreaking collection of essays that examine the cozy mystery from a range of critical viewpoints The authors engage with the standard classification of a cozy the characters who appear in its pages the environment where the crime occurs and how these elements reveal the cozy story's complexity in surprising ways Essays analyze cozy mysteries to argue that Agatha Christie is actually not a cozy writer that Columbo fits the mold of the cozy detective and that the stories' portrayals of settings like the quaint English village reveal a more complicated society than meets the eye *Sequels* Janet G.
