Missing The Moment:

Don't Miss the Moment Sheryl Brady, 2020-03-17 Pastor and popular Bible teacher Sheryl Brady helps Christians prepare for recognize and cultivate the powerful yet easily overlooked moments when God shows up in their lives Everyone experiences God moments times when God pulls back the curtain and gives a glimpse of his active presence in their lives Most of us operate under the misapprehension that these moments are rare occurrences that reveal themselves in grand fashion We expect bells ringing lights flashing and neon signs that point to earthshaking revelations But God often speaks in whispers strategically and incrementally unveiling his plans preparations and purposes through the most unassuming circumstances The key is to learn how to prepare for recognize and be faithful in these moments In *Don't Miss the Moment* Pastor Sheryl Brady reminds Christians that God is real and unwaveringly present in our daily lives Through biblical teaching and personal stories of God showing up in times of need she shows how to pursue deeper relationship with the Faithful One so that we can learn to hear his voice and feel his leading discern when we are in a defining moment and redirect our hearts and lives toward his plans and purposes

Own The Moment Carl Lentz, 2017-10-31 Shares the story of how the author went from an average adolescent to being the stylish leader of a thriving congregation and ministering to celebrities along with advice for Christians to maintain their faith in an often ungodly world *Archival Research in Historical Organisation Studies* Gabrielle Durepos, Amy Thurlow, 2025-02-19 Archival Research in Historical Organisation Studies Theorising Silences offers an accessible account of theorising the archive contesting the narrow definitions of the archive with a view beyond a mere repository of documents

I Hear Voices, and That's a Good Thing! Rev. James W. Moore, 2011-10-01 Everyone is guided by the voices of people in our lives grandparents parents teachers pastors friends Their words are woven into our life's fabric and influence how we live and the choices we make As Christians we are blessed also to hear the amazing voices of those who lived centuries ago the voices found in Scripture Author James W Moore says When faced with choices and decisions when trying to sort out priorities when my heart is sad or glad when challenges and problems thrust themselves into my life when I need a word of assurance or when faced with a new opportunity I hear the voice of Jesus I hear the voice of Mary I hear the voices of Abraham and Micah and Esther and the apostle Paul and many other biblical voices whispering or shouting to me powerful words that shape and direct my life *I Hear Voices and That's a Good Thing* celebrates the voices of the Bible who continue every day to strengthen and encourage us when we not only hear but listen to them

BOOK JACKET Noise Joseph McCormack, 2019-12-05 Teaches managers and leaders to cut through the static and hone their focusing skills In the current digital age it is becoming increasingly more difficult to stay focused Smartphones tablets smart watches and other devices constantly vie for our attention In both business and life we are constantly bombarded with tweets likes mentions and a

constant stream of information The inability to pay attention impacts learning parenting prioritizing and leading Not surprisingly attention spans have gotten shorter Already being pulled in a dozen directions every minute managers and business leaders often struggle to address important issues and focus on everything that needs attention Noise Living and Leading When Nobody Can Focus teaches managers and leaders how to help themselves and others sharpen their focusing skills In this follow up to his first book Brief the proven step by step approach to clear concise and effective communication author Joseph McCormack helps readers cut through the static and devote their attention to what is important This engaging informative book will help you Apply effective real world techniques to hone your focus and reduce interference Learn the lessons taught to organizations such as Harley Davidson BMO Harris Bank MasterCard and the US Army Understand how modern technology can actually strengthen your focus if used correctly Avoid becoming a casualty of weapons of mass distraction Noise Living and Leading When Nobody Can Focus is a valuable resource for leaders and managers seeking to develop laser sharp focus and apply it to everything you do Matthew 10:10 Travels of an Awareness Matthew Winfield,2012-03-05 Official 6 x 9 Version with ISBN for retailers Is it time Are we ready It is time and ready or not Matthew 10 10 Travels of an Awareness is here Returning humanity to its most fundamental questions of existence Winfield blazes forward with his introduction of Secular Energeticism For over 300 000 years flawed ideologies incongruent with the nature of reality have prevailed The human race has arrived together at a point of departure from these ancient ideologies We know now much that we did not know when we created our own understandings What is Matthew 10 10 Travels of an Awareness about It s about the Universe Existence and our position within it all This book is about us and it s about time This copy is printed on professional grade paper and it looks great That s the added value compared to the other version Buy it here at Lulu and go to www.matthew1010.com today *The Other Deeper You* Alvin R. Mahrer,2007 The Other Deeper You continues in the revolutionary Quixotic spirit of Dr Alvin Mahrer s previous works on experiential psychotherapy For the visionary the scholar the academic the serious reader picture a whole new inner deeper world containing a whole new you another deeper you This concept itself is revolutionary but the book goes further by providing a step by step guide for coming face to face with the other deeper you Published in English *Acquainted with the Night* Hamish Canham,2018-10-08 This book explores some of the ways in which an understanding of poetry and the poetic impulse can be fruitfully informed by psychoanalytic ideas It could be argued that there is a particular affinity between poetry and psychoanalysis in that both pay close attention to the precise meanings of linguistic expression and both though in different ways are centrally concerned with unconscious processes The contributors to this volume nearly all of them clinicians with a strong interest in literature explore this connection in a variety of ways focusing on the work of particular poets from the prophet Ezekiel to Seamus Heaney Part of the Tavistock Clinic Series **Georg Wilhelm Friedrich Hegel: The Science of Logic** Georg Wilhelm Fredrich Hegel,2010-08-19 This translation of The Science of Logic also known as Greater Logic includes the revised Book I

1832 Book II 1813 and Book III 1816 Recent research has given us a detailed picture of the process that led Hegel to his final conception of the System and of the place of the Logic within it We now understand how and why Hegel distanced himself from Schelling how radical this break with his early mentor was and to what extent it entailed a return but with a difference to Fichte and Kant In the introduction to the volume George Di Giovanni presents in synoptic form the results of recent scholarship on the subject and while recognizing the fault lines in Hegel's System that allow opposite interpretations argues that the Logic marks the end of classical metaphysics The translation is accompanied by a full apparatus of historical and explanatory notes

Mixed Realism Timothy J. Welsh, 2016-12-15 Mixed Realism is about how we interact with media Timothy J. Welsh shows how videogames like novels both promise and trouble experiences of immersion His innovative methodology offers a new understanding of the expanding role of virtuality in contemporary life Today's wired culture is a mixed reality conducted as exchanges between virtual and material contexts We make balance transfers at an ATM update Facebook timelines and squeeze in sessions of Angry Birds on the subway However the virtual is still frequently figured as imaginary as opposed to real The vision of 1990s writers of a future that would pit virtual reality against actual reality has never materialized yet it continues to haunt cultural criticism Our ongoing anxiety about immersive media now surrounds videogames especially shooter games and manifests as a fear that gamers might not know the difference between the virtual world and the real world As Welsh notes this is the paradox of real virtuality We understand that the media generated virtualities that fill our lives are not what they represent But what are they if they are not real Do they have presence significance or influence exceeding their material presence and the user processes that invoke them What relationships do they establish through and beyond our interactions with them Mixed Realism brims with fresh analyses of literary works such as Truman Capote's *In Cold Blood* and Mark Z. Danielewski's *House of Leaves* along with sustained readings of controversial videogames such as *Super Columbine Massacre* and *Call of Duty: Modern Warfare 2* Continually connecting the dots between surprising groupings of texts and thinkers from David Foster Wallace to the cult classic videogame *Eternal Darkness* and from Cormac McCarthy to *Grand Theft Auto* it offers a fresh perspective on both digital games and contemporary literature

The Writing of Anxiety L. Stonebridge,2007-07-12 This study suggests that it was the representation of anxiety rather than trauma and memory that emerged most forcefully in mid century wartime culture Thinking about anxiety Lyndsey Stonebridge argues was a way of imagining how it might be possible to stay within a history that frequently undermined a sense of self and agency

Advances in Physical Organic Chemistry ,1989-06-05 This series established by Victor Gold in 1963 brings before the chemical community substantial authoritative and considered reviews of areas of chemistry in which quantitative methods are used in the study of the structures of organic compounds and their relation to physical and chemical properties Physical organic chemistry is viewed as a particular approach to scientific enquiry rather than a further intellectual specialization Organometallic compounds are included and relevant aspects of physical theoretical inorganic and biological chemistry are incorporated in reviews where appropriate

Time and the Moment in Victorian Literature and Society Sue Zemka,2011-11-24 Sudden changes opportunities or revelations have always carried a special significance in Western culture from the Greek and later the Christian kairos to Evangelical experiences of conversion This fascinating book explores the ways in which England under the influence of industrializing forces and increased precision in assessing the passing of time attached importance to moments events that compress great significance into small units of time Sue Zemka questions the importance that modernity invests in momentary events from religion to aesthetics and philosophy She argues for a strain in Victorian and early modern novels critical of the values the age invested in moments of time and suggests that such novels also offer a correction to contemporary culture and criticism with its emphasis on the momentary event as an agency of change
