Iconoclastic Sex Henry Walter Spaulding III, 2024-03-13 Christian sexual ethics operates from a place of privilege when it does not consider those impacted by its moral prescriptions A large majority of publications on Christian sexual ethics consider choices and images abstracted from lived conditions of the people called to make these decisions As such it leaves out many for whom sex is neither welcome nor a choice As such these same texts present images of sexual subjects that marginalize those that do not fit As the book presents sexuality both Christian and otherwise prioritizes a language of purity that strangles the life of those imaged impure The present book remedies this emphasis through the language of iconoclasm that blasphemes these images and opens theological reflection beyond the boundary of image based approaches Utilizing a qualitative study of

survivors of trafficking and those who grew up under evangelical purity teachings Spaulding narrates sexual ethics in light of their testimonies and the theological resources of iconoclasm to articulate a more just and loving sexuality The new emphasis on sexual ethics not only resists the prescriptions that create the conditions of sex trafficking but the creation of new communities capable of solidarity and mutuality with those caught in the web of trafficking *Reading with Muriel Dimen/Writing with Muriel Dimen* Stephen Hartman,2023-05-16 Reading with Muriel Dimen Writing with Muriel Dimen Experiments in Theorizing a Field is a collection of reading and writing experiments inspired by the late feminist psychoanalyst Muriel Dimen Each of the six projects that comprise this volume explores a stylistic and thematic manner of reading and responding to Dimen s work challenging the field to write outside the standardized edition and covering a remarkable breadth of essential analytic topics such as sex gender money love and hate and boundary violations As an homage to Dimen s quest to engage the personal and the political in the author s craft and in collaboration with Dimen s endeavour to foster revolution across the psychosocial landscape that renders psychoanalysis its field the authors offer readers a wild analysis of reading and writing Providing a clear introduction to and exploration of Muriel Dimen s groundbreaking work this book will prove essential for scholars of psychoanalysis cultural studies and gender studies as well as anyone seeking to understand Dimen s influence on psychoanalytic practice today *User Friendly* Cliff Kuang,Robert Fabricant,2019-11-19 AMAZON BEST BOOKS OF 2019 PICK FORTUNE WRITERS AND EDITORS RECOMMENDED BOOKS OF 2019 PICK User Friendly is a tour de force an engrossing fusion of scholarly research professional experience and revelations from intrepid firsthand reporting EDWARD TENNER The New York Times Book Review In User Friendly Cliff Kuang and Robert Fabricant reveal the untold story of a paradigm that quietly rules our modern lives the assumption that machines should anticipate what we need Spanning over a century of sweeping changes from women s rights to the Great Depression to World War II to the rise of the digital era this book unpacks the ways in which the world has been and continues to be remade according to the principles of the once obscure discipline of user experience design In this essential text Kuang and Fabricant map the hidden rules of the designed world and shed light on how those rules have caused our world to change an underappreciated but essential history that s pieced together for the first time Combining the expertise and insight of a leading journalist and a pioneering designer User Friendly provides a definitive thoughtful and practical perspective on a topic that has rapidly gone from arcane to urgent to inescapable In User Friendly Kuang and Fabricant tell the whole story for the first time and you ll never interact with technology the same way again *The Lost Commandment* Dave Greber,2009 An eye opening book that addresses an often overlooked and commonly misunderstood teaching of Jesus **Missing in the Heart of the City** Dr. Kimberly D.
