Mission And The Peace Witness:

Mission and the Peace Witness Robert L. Ramseyer, 2009-09-01 This book presents peace and reconciliation as an integral part of the gospel message Thoughtful chapters by seven experienced church leaders and scholars including John H Yoder Robert Ramseyer Richard Showalter and Ronald J Sider clarify the nature of the gospel The authors suggest how an evangelistic and peace emphasis can be kept together in the mission of the church throughout the world These essays serve as a corrective to those who would reduce the essentials of the gospel to doctrinal and creedal statements apart from ethics and church order All Christians can benefit from a careful consideration of this discussion

Mission as Integrated Witness Jae-Suk Lee, 2021-05-25 This study aims to read Jesus's foot washing narrative missionally John 13 1-38 A missional reading is identical to a missional hermeneutics based on the literary theological interpretation of the text John uses sending language and formulae and the frame of as so throughout the whole Gospel which clarifies Jesus's and his disciples mission as integrated witness In this literary context the foot washing narrative signifies the integrated witness of Jesus and the disciples The narrative consists of two parts one Jesus's symbolic action for his death and the other for its interpretation for the disciple community Jesus's death as his unique mission results in purifying both his disciples and the world so that they might dwell in the holy union with the triune God The disciples are sent into the world Just as Jesus did so must they proclaim Jesus and his teachings Also they should bear witness to him by living Jesus's life pattern of self giving sacrificial love and humble service Their verbal proclamation as evangelism and life witness cannot be separated to testify to Jesus and their identity Finally today's Christians specifically Evangelicals are invited to participate in the Johannine mission as the integrated witness of evangelism and life witness

Missio Politica Johannes Reimer, 2017-11-14 Evangelical Christians in many countries shy away from politics And yet especially with the rise of the Pentecostal and charismatic movements the interest and involvement in political activity is becoming a daily reality in evangelical circles At the same time evangelical politicians are not exempt from scandals of corruption and complaints of ineffectiveness Are Christians unable to do better politics than others Are they less prepared Is even the whole political involvement of Christians under question In this book Dr Johannes Reimer explores the answers to these questions by articulating a theology of the church's political mission The church is not a political party but as God's ecclesia it has a prophetic voice and is called out of the world to take responsibility for the world

The Church's Peace Witness Marlin E. Miller, 1994 Should Christians be involved in making war This ever present issue gets new attention here within the context of ecumenical discussion Seven chapters of this volume were originally prepared for the 1991 Faith and Order Consultation on the Apostolic Faith and the Church's Peace Witness Includes a selected bibliography of works on the church's diverse answers to questions of war and peace

Anabaptism and Mission Wilbert R. Shenk, 2001-03-02

Mission and the Peace Witness Robert L. Ramseyer, 1979-01-01

The Activist Impulse Jared S. Burkholder, David Cramer, 2012-04-04 Anabaptists have often felt suspicious of American

evangelicalism and in turn evangelicals have found various reasons to dismiss the Anabaptist witness Yet at various points in the past as well as the present evangelicals and Anabaptists have found ample reason for conversation and much to appreciate about each other The Activist Impulse represents the first book length examination of the complex relationship between evangelicalism and Anabaptism in the past thirty years It brings established experts and new voices together in an effort to explore the historical and theological intersection of these two rich traditions Each of the essays provides fresh insight on at least one characteristic that both evangelicals and Anabaptists share an impulse to engage society through the pursuit of active Christian witness

Concern for Church Mission and Spiritual Gifts Laura Schmidt

Roberts,2022-03-31 In the 1950s a conversation among a handful of American graduate students considering the place of Mennonites in the modern world blossomed into a published forum CONCERN A Pamphlet Series for Questions of Christian Renewal The CONCERN writings here consider the global missional experiential contextualized realities of such a place past and present The writings explore the role of culture and context in the church s mission lived faith and theological articulation through various avenues of approach the global church and the ecumenical movement Christendom s legacy of colonialism and cultural accommodation critique of rigid and outdated ecclesial structures and forms the complexities of the unavoidably enculturated nature of faith as proclaimed and lived Two contemporary responses offer postcolonial critique and development demonstrating that such topics continue to be of critical concern in today s globally interconnected yet fragmented and divided world

Witnessing for Peace Munib Younan,2003 The rapidly deteriorating situation in Israel Palestine has dashed hopes of any imminent peace or even accommodation between the Israeli people and the Palestinian people A leader in Palestinian Christianity and an outspoken advocate of nonviolence and of Palestinian rights Bishop Munib Younan directly addresses this situation and its imperatives Born of Palestinian refugee parents and raised in Jerusalem Younan has spent his life pastoring Palestinian Christians and searching for nonviolent solutions in this complex and volatile religious and political scene In this volume Younan presents first the historical and social context of the Palestinian situation beginning with the not well known story of Arab Christianity and his own background He elaborates his own theology of nonviolence centered in the idea of martyrria heeding a call to justice inclusion and forgiveness He illustrates the notion with dramatic and often tragic episodes and shows how it can address key issues in the current struggle with Israel over statehood land and refugees Younan s model of Christian nonviolence also has demonstrable benefits in addressing terrorism interreligious strife and global peacemaking Younan s is a voice all Christians of conscience should hear

The Pentecostal Mission in Palestine Eric Nelson Newberg,2012-06-13 The Pentecostal mission in Palestine is a

virtually unknown episode in the history of Pentecostalism Its story begins in 1906 at the Azusa Street Revival from which missionaries were sent to Palestine In its first thirty years the Pentecostal mission in Palestine gained a foothold in Jerusalem and expanded its reach into Jordan Syria and Iran It was severely tested and lost traction during the tumultuous period of the Arab Revolts World War II and the Partition Crisis With the catastrophic war of 1948 the Pentecostal missionaries fled as their Arab clients were swept away in the Palestinian Diaspora After 1948 a valiant attempt was made to revive the mission but only with relative success Although the Pentecostal missionaries failed in their objective of converting Jews and Muslims they were eyewitnesses of the formative events of the Arab Israeli conflict Newberg argues that the Pentecostal missionaries functioned as brokers of Pentecostal Zionism He offers a postcolonial assessment of the Pentecostal missionaries crediting them for advocating philosemitism yet bringing them up short for disregarding the civil rights of Palestinian Arabs espousing Islamophobia and contributing to the forces working against peace in the Holy Land

Culture of Peace

Alan Kreider, 2005-11-01 Why is peace such a divisive issue even among Christians Why is it so hard to practice right here right now Why is peace often considered an extra rather than an essential to faithful Christian living The three authors decided to write this book when the Indonesian member of the team remarked to the other two If the Christian church is to make any impact on Indonesia it must address itself to the biggest peace issue reconciliation with Muslims But before the writers could honestly consider that explosive possibility they first had to ask why Christians find it so difficult to live peaceably with other Christians They ve discovered that conflict is often a prerequisite of peace They grant that peace is a continuum easier to live in some areas of life than in others They ve learned that peace has two parents hard work and grace Living in peace is muscular activity The authors suggest how to develop peacemaking reflexes how churches can learn to handle conflict well and how to cultivate vulnerability and humility two essential attitudes of peacemakers True stories from communities around the world support this hopeful but strenuous call to faithful living

Law Enforcement within the Framework of Peace

Support Operations Roberta Arnold, 2008-08-31 Since the end of the Cold War and the emergence of asymmetric threats like terrorism the military has been increasingly entrusted with tasks traditionally belonging to the police This development is visible through the new challenges posed to modern Peace Support Operations PSO intended as an umbrella definition covering different types of post conflict peace operations be these mandated under Chapter VI or Chapter VII of the United Nations Charter with either peace keeping peace enforcing or even peace building goals The aim of this volume is primarily to provide guidance in the format of a handbook to those deployed in the field and who are confronted with legal issues In order to achieve this goal the handbook is structured as follows after this introduction Part II addresses the general question whether law enforcement shall be a PSO task Law enforcement is perceived by some states as a matter of self defense Part III then addresses the limits and possibilities of law enforcement by PSO The discussion continues with Part IV which provides some practical tools for those deployed to the field Part V focuses instead on law enforcement within PSO

illustrating problems related to the prosecution of members of PSO forces suspected of illegal activities and Part VI then draws the conclusions
