It was heroin that killed him but Katherine can't help but blame his death on the organized crime so rife in Italy. The drug trade may not make much money for the small time pushers, the petty crooks and the addicts. But for the men at the top, men like the Malaspigas who run their yachts and their big houses on the profits of other people's misery, drugs are big money. The Bureau of Narcotics are determined to nail these men once and for all. It'll be a dangerous enterprise full of deceit. And they want Katherine Malaspiga Dexter to help them.

In occupied France it's not always easy to tell the difference between collaboration and resistance. In an atmosphere of betrayal and brutality, the village of St. Blaize is forced to cooperate with the occupying troops while unknown to them, German scientists based in the village work on a deadly nerve gas. But events conspire to turn the villagers into heroes rather than cowards and bring the Death's Head Battalion of the SS to wreak vengeance on St. Blaize. Years later, a woman hunts for revenge. The horror and anguish of the past must be lived again, and shameful secrets and forbidden lusts must come to light.
