Mitchum Back To Madison:

Mitchum Billy F. Mitchell, 2001-06-25 Mitchum is a story about a man in his late 40s He and his wife had planned an early retirement from his very successful but heavily stressful law practice in Atlanta They and their young daughter born to them as a blessing at the beginning of their middle age decide to move to his old hometown in south Alabama His wife is ill he never spends time with his only child and Mitchum wants to simplify his life However his wives illness is more serious than either they or the doctors had thought and before they can move she dies He is inconsolable It seems as though nothing can ease his profound sense of grief But when he sees the effect his grief has on his precious daughter he comes to himself enough to realize that it is now time to go home in an attempt to make a new start for them both In the dead of night he and his daughter make the sad and lonely trip back The first person he meets upon his return is his cousin Gandy a ruddy and corpulent lady in her middle 50s Bossy but lovable Gandy tries to restore some order to Mitchums upturned household He then meets several people at the local junior college where he has accepted a part time post teaching in the Criminal Justice Department One is an enormous yet gentle black Physical Education instructor who may not be as mild mannered as he first appears Another is the oleaginous Dean of Instruction a transplanted Yankee who turns out to be the head of the local KKK A third is Gina a middle aged divorcee whose fresh face and understated beauty immediately and pleasantly distract Mitchum He also begins to reacquaint himself with several high school classmates An old adversary is now the county sheriff However in a small town rivalries are not soon forgotten even when the adversaries have been separated by time and space for thirty years Mitchum senses that the two may still be at cross purposes One old buddy became a pharmacist like his father and grandfather before him and inherited the family drugstore His other boyhood chum has become a drunken derelict a mere shadow of the football star he had once been The school slut is now a respectable married woman whose husband is the wealthiest man in the county if not the state When Mitchum knew him he was from the poorest white trash family in the county The old gang is physically different from those high school days fatter sagging jowls and some with less hair But the same old personalities weakness and alliances would soon reappear Most of the encounters Mitchum has with the faces and places of his past upon his return home are pleasant But he is deeply upset by the appearance of his drunken friend It seems as if the latter is haunted by something so devastating that it is eating him alive Another renewed acquaintance disturbs him as well his old grade school teacher She implores him to investigate the disappearance of her grandson and his girlfriend over twenty years ago She just cant believe what the whole town had accepted long ago that the young couple ran off to get away from her While Mitchum reluctantly agrees to look into the situation she places into his hand the thread that leads him to solve the mystery surrounding the two runaways and exposes some tightly kept town secrets in the process Friends may be foes and foes can be friends in this exciting mystery set in the Deep South **Film Noir Guide** Michael F. Keaney, 2015-05-20 More than 700 films from the classic period of film noir 1940 to 1959 are presented in this exhaustive

reference book such films as *The Accused* *Among the Living* *The Asphalt Jungle* *Baby Face* *Nelson* *Bait* *The Beat Generation* *Crossfire* *Dark Passage* *I Walk Alone* *The Las Vegas Story* *The Naked City* *Strangers on a Train* *White Heat* and *The Window*. For each film the following information is provided: the title, release date, main performers, screenwriter's, director's, type of noir, thematic content, a rating based on the five star system, and a plot synopsis that does not reveal the ending. *The Encyclopedia of Best Films* Jay Robert Nash, 2019-10-23. This all inclusive A-Z encyclopedia by one of the world's foremost experts on cinema provides comprehensive annotations of the best films produced from 1914 on. The work offers more than 5 000 three to five star entries: three stars good, four stars excellent, five stars masterpiece, and yes, author Jay Robert Nash has viewed every single one of them as well as many more that did not make the cut. In addition to a precis, each film's entry also includes a listing of the cast as well as the key principles involved in production, from the director to the hair stylist. Especially unique to this book is a rating system that helps parents determine whether or not a film is appropriate for their children. Unlike the industry rating system which can be influenced by studio lobbying, Nash objectively evaluates each film and confers upon it one of four recommendations for viewing: recommended, acceptable, cautionary, and unacceptable. Backmatter includes a list of top films by genre, i.e. animated, drama, sports, mystery, adventure, etc., as well as an annotated name index listing all persons mentioned along with their dates of birth and death. Rounding out this essential volume for the film buff are over 500 still photos from the author's private collection. **The Western Films of Robert Mitchum** Gene

Freese, 2019-11-19. Robert Mitchum was and still is one of Hollywood's defining stars of Western film. For more than 30 years the actor played the weary and cynical cowboy, and his rough and tough presence on screen was no different than his one off screen. With a personality fit for western noir, Robert Mitchum dominated the genre during the mid 20th century and returned as the anti hero again during the 1990s before his death. This book lays down the life of Mitchum and the films that established him as one of Hollywood's strongest and smartest horsemen. Going through early classics like *Pursued* 1947 and *Blood on the Moon* 1948 to more recent cult favorites like *Tombstone* 1993 and *Dead Man* 1995, Freese shows how Mitchum's nuanced portrayals of the iconic anti hero of the West earned him his spot in the Cowboy Hall of Fame. **Robert Mitchum** Lee Server, 2025-09-23. One of the movies greatest actors and most colorful characters, a real life tough guy with the prison record to prove it, Robert Mitchum was a movie icon for an almost unprecedented half century. The cool, sleepy eyed star of such classics as *The Night of the Hunter*, *Heaven Knows Mr Allison*, *Cape Fear*, *The Longest Day*, *Farewell My Lovely*, and *The Winds of War*, Mitchum's powerful presence and simmering violence combined with hard boiled humor and existential detachment to create a new style in movie acting: the screen's first hipster antihero, before Brando, James Dean, Elvis, or Eastwood. The inventor of big screen cool, Robert Mitchum. *Baby I Don't Care* is the first complete biography of Mitchum, and a book as big, colorful, and controversial as the star himself. Exhaustively researched, it makes use of thousands of rare documents from around the world and nearly two hundred in depth interviews with Mitchum's family, friends, and

associates many going on record for the first time ever ranging over his seventy nine years of hard living Written with great style and vividly detailed this is an intimate comprehensive portrait of an amazing life comic tragic daring and outrageous
