**Mixed Marriages** Christian Frevel, 2012-04-26 Intermarriage and group identity in the Second Temple Period will be investigated from different points of view with regard to methodology and analyzed texts With an introduction to the history of research and a summarizing final section the individual contributions will be associated with the larger context of the recent debate Thus not only the diversity of texts on mixed marriage within the Hebrew Bible and related scripture will be shown and emphasized but the question of continuity and discontinuity as well as the socio historical background of marriage restrictions will be dealt with too Covering a wide range of texts from almost every part of the Hebrew Bible as well as from Elephantine Qumran and several pseudepigrapha like Jubilees its focus is on possible counter texts with a more positive notion of foreign wives in addition to restrictive and prohibitive texts These different approaches will illuminate the dynamics of the construction of group identity culminating in conflicts concerning separation and integration which can be found in the debate on the topic of the correct marriage Mixed Marriage...Interreligious, Interracial, Interethnic Dr. Robert H.

Schram, 2013-09-16 I was inspired to write Mixed Marriage Interreligious Interracial Interethnic through my study of the Torah and its Mitzvot that prohibit certain mixed marriages while our greatest prophet Moshe and King David married outside the tribe Moshe was Judaism's greatest prophet and led his people out from Egyptian slavery King David was Judaism's greatest King and the great grandson from the mixed marriage of Ruth the Moabitess and Boaz The Messiah is prophesied to descend from King David as did Jeshua of Nazareth the Christian Messiah **Intermarriage and the**

**Friendship of Peoples** Adrienne Edgar, 2022-05-15 Co winner of the Central Eurasian Studies Society's prize for best book in History and the Humanities in 2022 and 2023 and winner of the The Joseph Rothschild Prize in Nationalism and Ethnic Studies of the Association for the Study of Nationalities Intermarriage and the Friendship of Peoples examines the racialization of identities and its impact on mixed couples and families in Soviet Central Asia In marked contrast to its Cold War rivals the Soviet Union celebrated mixed marriages among its diverse ethnic groups as a sign of the unbreakable friendship of peoples and the imminent emergence of a single Soviet people Yet the official Soviet view of ethnic nationality became increasingly primordial and even racialized in the USSR's final decades In this context Adrienne Edgar argues mixed families and individuals found it impossible to transcend ethnicity fully embrace their complex identities and become simply Soviet Looking back on their lives in the Soviet Union ethnically mixed people often reported that the official nationality in their identity documents did not match their subjective feelings of identity that they were unable to speak their own native language and that their ambiguous physical appearance prevented them from claiming the nationality with which they most identified In all these ways mixed couples and families were acutely and painfully affected by the growth of ethnic primordialism and by the tensions between the national and supranational projects in the Soviet Union Intermarriage and the Friendship of Peoples is based on more than eighty in depth oral history interviews with members of mixed families in

Kazakhstan and Tajikistan along with published and unpublished Soviet documents scholarly and popular articles from the Soviet press memoirs and films and interviews with Soviet era sociologists and ethnographers

**Dinah's Daughters** Helena Zlotnick,2013-04-19 The status of women in the ancient Judaism of the Hebrew Bible and Rabbinic texts has long been a contested issue What does being a Jewess entail in antiquity Men in ancient Jewish culture are defined primarily by what duties they are expected to perform the course of action that they take The Jewess in contrast is bound by stricture Writing on the formation and transformation of the ideology of female Jewishness in the ancient world Zlotnick places her treatment in a broad comparative Mediterranean context bringing in parallels from Greek and Roman sources Drawing on episodes from the Hebrew Bible and on Midrashic Mishnaic and Talmudic texts she pays particular attention to the ways in which they attempt to determine the boundaries of communal affiliation through real and perceived differences between Israelites or Jews on one hand and non Israelites or Gentiles on the other Women are often associated in the sources with the forbidden and foreign women are endowed with a curious freedom of action and choice that is hardly ever shared by their Jewish counterparts Delilah for instance is one of the most autonomous women in the Bible appearing without patronymic or family ties She also brings disaster Dinah the Jewess by contrast becomes an agent of self destruction when she goes out to mingle with gentile female friends In ancient Judaism the lessons of such tales were applied as rules to sustain membership in the family the clan and the community While Zlotnick s central project is to untangle the challenges of sex gender and the formation of national identity in antiquity her book is also a remarkable study of intertextual relations within the Jewish literary tradition

**The Jasper Love Trilogy** Onyx Cantor,2020-03-02 This is

the story of one man's triumph over Cult Religion As a preacher's son Jasper Love struggled to comply with the dogma and bigotry of the unpredictably changeable Doctrine of Good Enough dictated by Cult Religion He and four sisters labored to comply with cult demands consistent with their mother's mantra People expect preacher's kids to be perfect The Voice of Truth bestowed on Jasper as a child in a genuine salvation encounter with Jesus Christ conflicts with voices of deception from pulpits and pews triggering crippling anxiety depression and suicidal ideation Further compounding his confusion is a terrifying awareness of the cult's distortion of scripture concerning his innate identity When a Connecticut preacher detects his private struggle the Bible scholar promises If you marry a good Pentecostal girl this thing will just fade away Jasper foolishly accepts the challenge believing that the pastor's counsel is based on Truth A 32 year battle ensues during which a Pentecostal preacher's daughter who aware of his struggle and trained in Exploitation of Advantage manipulates and controls the miserable husband who strives to suppress and conceal an innate identity which simply won't leave me alone Cultists despise his genuine relationship with God when the Holy Spirit weakens the tenacious grasp of the antiChrist's claim on his soul rescuing him from abominable doctrines through Spiritual Enlightenment to Truth Absolute Spiritual Warfare ensues during which he is molested by authority figures betrayed by cult dishonesty falls into sin is attacked by demons and is delivered by the Holy Ghost through visions of spiritual combat between the demons of Cult Religion and the Angels of Truth In the end his foolish attempt to conform with the Doctrine of Good Enough predictably results in the destruction of everything he wasted a lifetime building marriage family home career material wealth and reputation Yet in losing all he is delivered from the Darkness of cult idolatry whereupon he is finally free to immerse himself in genuine Truth Light and Love breaking the tyrannical chains of Cult Religion Released by the Holy Spirit from cult bondage he is at last unleashed to fulfill his destiny To teach the Truth about Jasper Love that boundless unconditional love known only to those who genuinely experience Spiritual Enlightenment to a people deceived by the hateful harlots of idolatry who are nothing more than power crazed authoritarian self aggrandizing despotic antiChrist heretics who worship only one god CONTROL

*A Treatise on Hindu Law and Usage* John Dawson Mayne, 1906      *The Concept of Exile in Ancient Israel and its Historical Contexts* Ehud Ben Zvi, Christoph Levin, 2010-10-19 In ancient Israelite literature Exile is seen as a central turning point within the course of the history of Israel In these texts the Exile is a central ideological concept It serves to explain the destruction of the monarchic polities and the social and economic disasters associated with them in terms that YHWH punished Israel Judah for having abandoned his ways As it develops an image of an unjust Israel it creates one of a just deity But YHWH is not only imagined as just but also as loving and forgiving for the exile is presented as a transitory state Exile is deeply intertwined with its discursive counterpart the certain Return As the Exile comes to be understood as a necessary purification or preparation for a renewal of YHWH's proper relationship with Israel the seemingly unpleasant Exilic conditions begin discursively to shape an image of YHWH as loving Israel and teaching it Exile is dystopia but one that carries in itself all the

seeds of utopia The concept of Exile continued to exercise an important influence in the discourses of Israel in the Second Temple period and was eventually influential in the production of eschatological visions      *Encyclopedia of Ancient Greece* Nigel Wilson,2013-10-31 Examining every aspect of the culture from antiquity to the founding of Constantinople in the early Byzantine era this thoroughly cross referenced and fully indexed work is written by an international group of scholars This Encyclopedia is derived from the more broadly focused Encyclopedia of Greece and the Hellenic Tradition the highly praised two volume work Newly edited by Nigel Wilson this single volume reference provides a comprehensive and authoritative guide to the political cultural and social life of the people and to the places ideas periods and events that defined ancient Greece      *Familiar Instructions on the Sacraments* William Stone (of Southampton.),1881      **The Catholic Girl's Guide** Francis Xavier Lasance,1906      *American Reform Responsa* Central Conference of American Rabbis,1983 This volume is a revised compilation of responsa issued by CCAR from 1892 to 1982 grouped by subject for clarity and easy access An appendix includes the report of the Committee on Patrilineal Descent on the Status of Children of Mixed Marriages
