Experiment **Crossroads** Robert Inman, 2006 It's 1914 at the Potter home in the rural community of Crossroads which serves as family residence, doctor's office, boarding house and telephone exchange. For Grandpa, a crusty retired hellfire and brimstone minister, his daughter Miss Eva, widow of a country doctor and practicing medicine without a license, Eva's imaginative and restless teenage daughter Nell, handyman Lomax and schoolteacher switchboard operator Lavinia, life is pretty humdrum. That is until a train derails just outside of town. News comes fast and furiously through the telephone exchange. Neighbors call to report buffaloes in their cornfields, African chieftains stalking through their yards and cowboys and Indians roaming the neighborhood. And then comes word that the train was carrying Buffalo Bill's Wild West Show. As the household works itself into a tizzy, a refugee from the wreck shows up, assumed at first to be Buffalo Bill himself. Instead, he turns out to be a cowboy musician with the unlikely name of Fargo Montana, who dresses in costume for his role as Buffalo Bill's stand-in. The folks in the Potter home are disappointed that their guest isn't the celebrity they thought, but they soon find that Fargo's presence forces them to confront their long-held dreams: Nell to live in the city, Eva to go to medical school, Grandpa to become a Wild West cowboy, Lavinia to find the man of her dreams and Lomax to return to his roots in show business. Fargo has a dream too: to start a jazz band. Fargo and Lavinia fall in love in a song, and as the curtain falls, everyone is setting out on bold new ventures. Publisher's website *Sin City Seduction* Margot Radcliffe, 2025-02-11 We both know that night was hot as hell. But can she handle the heat knowing that it can't last? Chicago-based food critic Parker Jones is in serious trouble. She's reviewing one of Las Vegas's hottest barbecue joints, and the hottest thing in the place is the restaurant's mouthwatering sex on a stick owner. Her only choice: To hide why she's really there. Not exactly her finest moment. But NFL quarterback-turned-restaurateur Hugh Matteson might prove too delicious to resist. Only Parker certainly didn't anticipate the explosive sexual chemistry between them. It's intense. Sizzling. And satisfying the way that food can never be. So naturally, Parker does what any rational commitment-phobic grown woman does. She bails. Parker should have known better. Hugh's entire professional career has been about not giving up, even after his last serious relationship imploded publicly. And he's definitely not about to let Parker disappear if he has anything to say about it. Because this thing between them is hotter than a Carolina Reaper. His quick grin, that lightning bolt of lust whenever he touches her, oh, Parker could fall for this guy and hard. But when you're cooking with a fire, this hot, it's only a matter of time before someone gets burned.
