Mob The:

The Dunes Hotel and Casino: The Mob, the connections, the stories Geno Munari, 2022-04-07 The intent behind this book is to record classic Las Vegas history that would be lost forever if not memorialized The Dunes operation was a spectrum of information that is intricate and mysterious at times protected by a shroud of secrecy and intrigue that is virtually impossible to decipher It featured different operators and Mob characters who at various times in the history of the hotel were involved in various ventures including gambling bookmaking real estate investment and many other business arrangements There are more than 390 footnotes and an index I have been working on this book for almost four years which included many hours of research and the development of a timeline My research helped bring forth answers to questions regarding notable gambling operators Mafia chiefs U S Senators Governors and memorable events One such event solves a mystery of a bomb assassination plot and a shooting politicians were compromised Hoffa pulled strings and there are heretofore undisclosed facts that involve President Kennedy s assassination I never dreamed these details would ever be uncovered

Mary Turner and the Mob Thomas Aiello, 2025-01-23 A reinterpretation of one of America s most notorious lynchings The 1918 lynching of Mary Turner by a white mob in Brooks County Georgia is remembered and studied mainly because of the horror of an allegedly pregnant woman s murder In Mary Turner and the Mob author Thomas Aiello asserts that the gruesome details of Turner s execution have distracted historians from investigating the larger context of these terrible events Turner was murdered but not pregnant the author contends and Walter White the NAACP investigator in the case knew this but obscured the facts because of the story s effectiveness Aiello approaches Turner s murder and broader violence in Brooks County not only as a series of lynchings in the rural South but also as events best understood as part of a sustained wave of racial violence during the long Red Summer beginning in East St Louis in 1917 and continuing until the Tulsa Massacre in 1921

Mr. Mob Michael Newton, 2009-06-08 Morris Moe Dalitz was America s most secretive and most successful mobster As a major architect of the United States national crime syndicate Dalitz was active in various fields of organized crime from 1918 until his death all while spinning a web of myth and mock respectability around himself so dense that decades after his demise most mistake the legend for reality From Prohibition era bootlegging to the Reagan years no other individual was present at so many pivotal events in gangland history It s impossible to fully understand the modern Mob without knowing about Dalitz his career and the cunning publicity campaign that transformed his image from thug to that of a revered philanthropist This exhaustive biography tells the story of Dalitz s life and the syndicate that he and like minded individuals built from scratch
