New Life, New Lifestyle Michael Green,1985 **A Fresh Look at Confession** David M. Knight,2013 David Knight was forty years a priest before he learned that priests don't hear sins in confession What you are really revealing is your ideals he says The real you has a different set of ideals reflecting your heart instead of your lapses This you abides with God With these words Father Knight reveals that A Fresh Look at Confession is unlike anything you may have read about the sacrament He speaks about the heart of confession its meaning and mystery and why it is so necessary for authentic followers of Christ This is deep theology explained in clear language But it's also much more Father Knight's moving intensely personal account of his own journey as a sinner takes readers beyond theory and into the awe inspiring reality of our complete redemption in Jesus who does not just forgive but who takes away the sins of the world From a varied background as missionary teacher pastor professor retreat director and campus minister Father Knight's ministry has come to focus on making mystical experience commonplace in conscious Christian living Book jacket
