the turbulent inner lives of the men and women caught up in a rapidly changing society The New York Stories of Elizabeth Hardwick Elizabeth Hardwick, 2011-07-13 Elizabeth Hardwick was one of America's great postwar women of letters celebrated as a novelist and as an essayist. Until now, however, her slim but remarkable achievement as a writer of short stories has remained largely hidden with her work tucked away in the pages of the periodicals such as *Partisan Review*, *The New Yorker* and *The New York Review of Books* in which it originally appeared. This first collection of Hardwick's short fiction reveals her brilliance as a stylist and as an observer of contemporary life. A young woman returns from New York to her childhood Kentucky home and discovers the world of difference within her. A girl's boyfriend is not quite good enough; his silvery eyes light and cool, revealing nothing except pure possibility like a coin in hand. A magazine editor's life falls strangely to pieces after she loses both her husband and her job. Individual lives and the life of New York: the setting or backdrop for most of these stories are strikingly and memorably depicted in Hardwick's beautiful and razor-sharp prose. **Humans of New York: Stories** Brandon Stanton, 2020-10-06 The #1 New York Times Bestseller. With over 500 vibrant full-color photos, *Humans of New York: Stories* is an insightful and inspiring collection of portraits of the lives of New Yorkers. *Humans of New York: Stories* is the culmination of five years of innovative storytelling on the streets of New York City. During this time, photographer Brandon Stanton stopped, photographed, and interviewed more than ten thousand strangers, eventually sharing their stories on his blog, *Humans of New York*. In *Humans of New York: Stories*, the interviews accompanying the photographs go deeper, exhibiting the intimate storytelling that the blog has become famous for today. Ranging from whimsical to heartbreaking, these stories have attracted a global following of more than 30 million people across several social media platforms. **Catalogue of the Public Library of Brookline** Public Library of Brookline, 1873 *Stories of Hope and Spirit* Dan Keding, 2004 Presents a collection of folk tales from Croatia, Georgia, Serbia, Slovakia, Moldavia, Latvia, Estonia, and Chechnia. **The New York Stories of Henry James** Henry James, 2011-08-17 Henry James led a wandering life which took him far from his native shores, but he continued to think of New York City where his family had settled for several years during his childhood as his hometown. Here, Colman Tibbitts, the author of the Man Booker Prize shortlisted novel *The Master*, a portrait of Henry James brings together for the first time all the stories that James set in New York City. Written over the course of James's career and ranging from the deliciously tart comedy of the early *An International Episode* to the surreal and haunted corridors of *The Jolly Corner* and including *Washington Square*, the poignant novella considered by many though not as it happens by the author himself to be one of James's finest achievements, the nine fictions gathered here reflect James's varied talents and interests as well as the deep and abiding preoccupations of his imagination. And throughout the book, as Tibbitts's fascinating introduction demonstrates, we see James struggling to make sense of a city in whose rapidly changing outlines he discerned both much that he remembered and held dear as well as everything about America and its future that he dreaded most. Stories included: *The Story of a Masterpiece*, *A Most Extraordinary Case*, *Crawford's Consistency*, *An*
