Some Old Bloke Robert Llewellyn, 2018-11-01 When writer comedian and Red Dwarf actor Robert Llewellyn's son scrawled a picture of him at Christmas and titled it Some Old Bloke Robert was cast deep into thought about life and what it means to be a bloke and an old one at that In this lighthearted revealing and occasionally philosophical autobiography we take a meandering route through Robert's life and career from the sensitive young boy at odds with his ex military father through his stint as a hippy and his years of arrested development in the world of fringe comedy all the way up to the full body medicals and hard earned insights of middle age Whether he is waxing lyrical about fresh laundry making an impassioned case for the importance of alternative energy or recounting a detailed history of the dogs in his life Robert presents a refreshingly open and uncynical look at the world at large and of course the joys of being a bloke

For Love and Courage E. W. Hermon, 2009-11-10 Lt Colonel E W Hermon died in a hail of bullets on the 9th April 1917 the first day of the Battle of Arras leading his men of the 24th Battalion Northumberland Fusiliers into the attack Like hundreds of thousands of others in the Great War he gave his

life for his King and country He was shot through the heart one bullet slicing through the papers in his top pocket including the four leaf clover his wife had given him for good luck His final words to his Adjutant were Go on before he sank to his knees and died almost instantaneously He was carried from the battlefield by his faithful soldier servant Buxton and now lies buried in the Commonwealth War Graves Cemetery at Roclincourt three miles from Arras This could have been the end of the story but he left a testament of his life and ideals in a unique and hitherto unknown and unpublished collection of long and detailed letters he wrote to his darling wife and his children the Chugs Now nearly a century after his death he speaks to us of a past less cynical life where selflessness honour duty and courage were admired above all else His own courage was officially recognised as he was mentioned in despatches three times and posthumously awarded the D S O The letters have been transcribed and edited by Hermon s granddaughter Anne Nason with the guidance and historical advice of James Holland the distinguished historian and writer Peter Caddick Adams who works alongside Richard Holmes at Cranfield University believes the letters to be unique in their candour and context since Hermon was Battalion Commander and thus his letters were not censored

Born Into Fire Mick Haines, 2010-08-11 The book is an autobiography of my life and covers it all from day one with my unexpected and untimely arrival to my finish now and all that went on between in my days before school my days at school my time in the British Army and the time in the Kent Fire and Rescue Service and the Hereford and Worcester Fire and Rescue Service I have put into the book things that I think people will find amusing and also interesting

and informative and lastly of all the things that I think could make people cry The book is not entirely about things that happened to me during my time while in the Fire Service I have also taken part in other events that have gone on outside the working environment and having kept a diary during these events which has enabled me to write an accurate and hopefully amusing account of these times Obviously I have not tried to be amusing or funny when someone has been injured or killed as I think this would not be right or proper I hope you enjoy reading my book as much as I did when writing it **Crucified**
