return to America for a month or so I think you must number among your acquaintances such a man as Mr William Beresford whose wife I have the honour to be Physically the type is vigorous or has the appearance and gives the impression of being vigorous because it has never the time to be otherwise since it is always engaged in nursing its ailing or decrepit relatives Intellectually it is full of vitality any mind grows when it is exercised and the brain that has to settle all its own affairs and all the affairs of its friends and acquaintances could never lack energy Spiritually it is almost too good for earth and any woman who lives in the house with it has moments of despondency and self chastisement in which she fears that heaven may prove all too small to contain the perfect being and its unregenerate family as well Financially it has at least a moderate bank account that is it is never penniless indeed it can never afford to be because it is peremptory that it should possess funds in order to disburse them to needier brothers
