Catto,2006-01-01 *Politics and Philosophy* Mikko Lahtinen,2009 Louis Althusser's interpretation of Niccol Machiavelli has never really been studied in any detail as an analysis of political action and intervention The same is also true for Althusser's notion of aleatory materialism Instead these have conventionally been studied from the viewpoint of a philosophical perspective in which politics is excluded The objective of the present book thus runs against many of the prevailing views on Althusser Here the emphasis is placed on Althusser's advancement of a theory of materialist politics The main argument put forward is that for Althusser it was essential to reflect on how the conjunctural understanding of history and reality could offer a theoretical starting point for a subversive political strategy Erotic Transference and Countertransference David Mann,2003-09-02 Erotic Transference and Countertransference brings together for the first time contemporary views on how psychotherapists and analysts work with and think about the erotic in therapeutic practice

Representing a broad spectrum of psychoanalytic perspectives including object relations Kleinian Jungian and Lacanian thought the contributors highlight similarities and differences in their approaches to the erotic in transference and countertransference ranging from love and sexual desire to perverse and psychotic manifestations Erotic Transference and Countertransference offers ways of understanding the erotic which should prove both useful and thought provoking *New Territories in Modernism* Laura Wainwright, 2018-03-15 Until very recently Welsh literary Modernism has been critically neglected both within and outside Wales This is the first book devoted solely to the study of Welsh literary Modernism revealing and examining eight key Anglophone Welsh writers Laura Wainwright demonstrates how their linguistic experimentation constituted an engagement with the unprecedented linguistic social and cultural changes that were the making of modern Wales and formed the crucible for the emergence of a distinct Welsh Modernism This study of Welsh Modernism challenges conventional literary histories and in more than one sense takes Modernism and Modernist studies into new territories
