how they create wonderful books where they get their ideas what their desks look like and what their favourite books were when they were growing up **Laura Secord** Peggy Dymond Leavey,2012-05-12 More than many figures in Canadian history Laura Secord has come to represent courage and perseverance at their finest During the War of 1812 she helped to avert disaster by warning the British of an imminent American attack and thus played a prominent role in the survival of a nascent Canada amid U S expansion *Children Like Us* Brittany Penner,2025-07-29 A M tis girl is adopted by a Mennonite family in this breathtaking memoir about family lost and found By the time Brittany Penner is seven years old she has loved and lost twenty one foster siblings who have come into her family and left all of them Indigenous like her When will it be my turn she asks her mother time and time again When will I be taken away You won t be she is told You re adopted You re here to stay You re the lucky one On the day of her birth in 1989 near the end of the Sixties Scoop Brittany was relinquished into the care of the government and adopted by a white Mennonite family in a small prairie town Her name and where she came from are hidden from her all she is told is that she is M tis Her childhood is shaped by church family service and silence Her family is continuously shifting as siblings arrive and depart one by one She knows that to stay she has to force herself into the mold created for her She must be obedient Quiet Good No matter what Whenever she looks in the mirror she searches her features wondering if they ve been passed down to her by her biological mother She thinks if she can find her mother she ll find all the answers she s looking for As Brittany moves into adulthood she will uncover answers but they will be more tangled than she could have imagined *Children Like Us* asks difficult questions about family identity belonging and cultural continuity What happens when you find what you re looking for but it can t offer you everything you need How do you reckon with the truth of your own story when you ve always been told you re lucky and should be grateful What does it mean to belong when you feel torn between cultures And how does a person learn to hold the pain and the grief as well as the triumphs the joys and the beauty allowing none to eclipse the others *Ocean Speaks* Jess Keating,2020-06-30 Meet Marie Tharp 1920 2006 the first person to map the Earth s underwater mountain ridge in this inspiring picture book biography from the author of *Shark Lady* From a young age Marie Tharp loved watching the world She loved solving problems And she loved pushing the limits of what girls and women were expected to do and be In the mid twentieth century women were not welcome in the sciences but Marie was tenacious She got a job at a laboratory in New York But then she faced another barrier women were not allowed on the research ships they were considered bad luck on boats So instead Marie stayed back and dove deep into the data her colleagues recorded She mapped point after point and slowly revealed a deep rift valley in the ocean floor At first the scientific community refused to believe her but her evidence was irrefutable She proved to the world that her research was correct The mid ocean ridge that Marie discovered is the single largest geographic feature on the planet and she mapped it all from her small cramped office *Zap! Nikola Tesla Takes Charge* Monica Kulling,2019-02-05 Growing up in Smiljan Croatia Nikola Tesla dreamed about harnessing the power of Niagara Falls In 1884

he walked down the gangplank into the New York Harbor with four cents in his pocket a book of poems a drawing of a flying machine and a letter of introduction to Thomas Edison the electrical wizard of America Upon meeting Edison sent Tesla to fix the SS Oregon as a test and was so astounded that he offered Tesla a job at his factory Tesla and Edison had different views about electricity Tesla wanted to develop an alternate current while Edison wanted to stick to the direct current system Edison offered Tesla a large sum to make his direct current system more efficient but when the work was done Edison refused to pay Tesla quit and when things were looking bleak he met George Westinghouse who also thought that alternating current was the way to light up America He gave Tesla a job and in 1896 Tesla and Westinghouse built a generator at Niagara Falls that was able to send power as far as Buffalo New York

Dr. Jo Monica Kulling,2018-10-09 This thoughtful and beautifully illustrated picture book shares the story of a trailblazer who has inspired generations of girls to change the world Sara Josephine Baker was a strong girl who loved adventure Growing up in New York in the late 1800s was not easy When she lost her brother and father to typhoid fever she became determined to pursue her dream of becoming a doctor In Jo s day medical schools were closed to women but times were changing and Jo was at the forefront When she graduated in 1898 Dr Jo still faced prejudice against women in her field Not many people were willing to be seen by a female doctor and Dr Jo s waiting room remained mostly empty She accepted a job in public health and was sent to Hell s Kitchen one of New York s poorest neighborhoods where many immigrants lived There she was able to treat the most vulnerable patients babies and children She realized that the best treatment was to help babies get a stronger start in life Babies need fresh air clean and safe environments and proper food Dr Jo s successes fueled by her determination compassion and ingenuity made her famous across the nation for saving the lives of 90 000 inner city infants and children

The Aquanaut Jill Heinerth,2021-01-19 Written by an award winning aquanaut and with art by a 1 New York Times bestselling illustrator this inspiring picture book encourages readers to explore their world build their self esteem and imagine what they can do and become when they grow up When I was young the world seemed too dangerous Everything was too hard I was too young Places were too far away But that was okay because I had a big imagination Through beautiful spare text Jill Heinerth tells her story about a girl who feels too young too little and too far away from her dreams But you don t need to wait to grow up It doesn t take much to imagine all the things you can do and be What if your bedroom were a space station What would it be like to have flippers or tusks In your own home you can explore new worlds and meet new friends Jaime Kim s luminous art transports readers back and forth through time to see how Jill s imagination as a young girl laid the pathway to her accomplishments and experiences as an underwater explorer

My Own Blood Ashley Bristowe,2023-06-13 Mothering under normal circumstances takes all you have to give But what happens when your child is disabled and sacrificing all you ve got and more is the only hope for a decent future Full of rage and resilience duty and love Ashley Bristowe delivers a mother s voice like no other we ve heard When their second child Alexander is diagnosed with a rare genetic disorder

doctors tell Ashley Bristowe and her husband that the boy won't walk or even talk that he is profoundly disabled Stunned and reeling Ashley researches a disorder so new it's just been named Kleefstra Syndrome and she finds little hope and a maze of obstacles Then she comes across the US based Institutes which have been working to improve the lives of brain injured children for decades Recruiting volunteers organizing therapy juggling a million tests and appointments even fundraising as the family falls deep into debt Ashley devotes years of 24/7 effort to running an impossibly rigorous diet and therapy programme for their son with the hope of saving his life and her own The ending is happy he will never be a normal boy but Alexander talks he walks he swims he plays the piano badly and he goes to school This victory isn't clean and it's far from pretty the personal toll on Ashley is devastating It takes a village people say but too much of their village is uncomfortable with her son's difference the therapy regimen's demands and the family's bottomless need The health and provincial services bureaucracy gives them a maddening set of hoops to jump through displaying criminally low expectations about what they can do to help My Own Blood is an uplifting story but it never shies away from the devastating impact of a baby that science couldn't predict and medicine couldn't help It's the story of a woman who lost everything she'd once been a professional an optimist a joker a capable adult in sacrifice to her son An honest account of a woman's life turned upside down **Wild**

Ride (Adapted for Young Readers) Hayley Arceneaux, 2023-08-08 A young reader's adaptation of the story of the youngest American to ever orbit the Earth cancer survivor Hayley Arceneaux who shows us all that when we face our fears with hope and faith the extraordinary is possible Hayley will capture your heart as she proves that even the wildest dreams can come true Young minds will leave awestruck and eager to chase their own wild ride Emily Calandrelli host of Netflix's Emily's Wonder Lab It may be hard to believe while I'm gravity bound on my bedroom floor but if there's one thing I've learned in my time on Earth it's that as long as you keep saying yes everything is possible says Arceneaux In this adaptation of her heartfelt memoir especially inspiring for middle grade readers Arceneaux shares the details of her wild ride with never before told stories written especially for kids coming to this edition Arceneaux not only tells readers what it was like to go to space from training in a fighter jet to lifting off in a Dragon capsule but she also offers stories from her childhood things that she faced at the hospital when going through cancer treatment what she had to overcome when she went back to school and the courage it took to dream big dreams for her teenage and adult years For students navigating a time of uncertainty and for the adults and educators who seek to offer them hope Arceneaux's uplifting story is one that will inspire kids for years to come She offers wisdom and courage to anyone fighting against the odds and shows us that dreaming is always possible **Children's**
