Boles, 2014-01-10 Of the many dynamic young playwrights to be associated with the In Yer Face burst of creative talent on the British stage in the mid 1990s Joe Penhall has challenged Britain's status quo the most Penhall believes his plays should constantly provoke and enrage not only the institutions he targets but also his audience This critical book discusses the argumentative nature of Penhall's plays while also placing them within the context of contemporary British society and the modern dramatic tradition His eight plays are discussed in detail and particular attention is paid to male identity the nature of grief the variety of females domestic drama and the role of autobiography in his work *Penhall Plays: 2* Joe Penhall, 2008-02 Characterized by a taut mood a grappling with moral dilemmas and tough eloquent dialogue punctuated by outrageously comic moments the plays in this volume are Blue Orange Dumb Show and Wild Turkey **British Theatre of the 1990s** M. set during the Civil War and unflinchingly shows the intolerance that was the obverse side of the demand for common justice. Deftly it sketches in the kind of social conditions that led to hunger for revolution. The play has an austere eloquence that precisely matches its subject. The Guardian. *Cloud Nine* sheds light on some of the British Empire's repressed dark side and is a marvelous play, sometimes scurrilous, always observed with wicked accuracy and ultimately surprisingly rather moving. It plunges straight to the heart of the endless convolutions of sexual mores and does so with acrobatic wit. Guardian. Owners. I was in an old woman's flat when a young man offering her money to move came round, that was one of the starting points of the play. Caryl Churchill. The plays in this volume represent the best of Churchill's writing up to and including her emergence onto the international theatre scene with *Cloud Nine*. *Towards a Poetics of the Mental Health Play* Anja Drautzburg, 2020

This study traces key developments in theatre's engagement with mental health since the 1970s. It introduces and applies the concept of the mental health play as accurate and timely in addressing the way mental distress and mental illness have been brought to the stage. The study argues that the theatre is a central calibrator for reflecting developments and tensions in as well as attitudes towards mental health care and thus opens up a domain that still has stereotypes and myths attached to it. Theatre's representations of mental distress inform and shape cultural production and vice versa. Mental health plays are central in encouraging and fostering conversations about mental health and they thus intervene in ongoing debates. Due to its interdisciplinary approach, this study contributes to and extends existing research in multiple fields including theatre and science performance studies and the medical humanities. **Sabrina Mahfouz Plays: 1** Sabrina Mahfouz, 2019-12-19

Sabrina Mahfouz has been called theatrical dynamite by *The Independent* and one of our most interesting playwrights by Lyn Gardner in *The Guardian*. As a recent elected Fellow of the Royal Society of Literature, she is a playwright, poet, essayist, children's author and activist whose work explores a variety of mediums in challenging and genre-defying ways. Her first play collection brings together a unique mix of published and previously unpublished works for the stage, including a Off West End Award-winning play for children, a Fringe First award winner, a BBC Radio Music Best Drama award winner and a Sky Arts Academy award-winning play. From the explosive poetic monologue play *Chef* to the rhythmic drive of *With a Little Bit of Luck*, this collection fizzles with infectious lyricism that captures Mahfouz's work for the stage in a variety of different forms, proving that contemporary theatre remains boundless in terms of its ability to spark debate and move audiences.

Contemporary Farce on the Global Stage David Gram, 2024-04-09. *Contemporary Farce on the Global Stage* provides audiences and practitioners a detailed survey of how the genre of farce has evolved in the 21st century. Often dismissed as frivolous, farce speaks a universal language with the power to incisively interrogate our world through laughter. Unlike farces of the past where a successful resolution was a given and we could laugh uproariously at adulterous behaviour, farce no longer guarantees an audience a happy ending where everything works out. Contemporary farce is no longer diverting us with laughter; it is reflecting the fractured world around us. With a foreword by award-winning playwright Ken Ludwig, the

book introduces readers to the Mechanics of Farce and the Four Ps which are key elements for understanding appreciating and exploring the form The Five Doors to Contemporary Farce identify five major categories into which farces fall Behind each door are a wide selection of plays modern and contemporary examples from all over the world written by a diverse group of playwrights who traverse gender race ethnicity and sexual orientation Supplementing each section are comments observations and reflections from award winning playwrights directors actors designers dramaturgs and scholars Designed specifically to give theatre makers a rounded understanding that will underpin their own productions this book will also be of use to theatre and performance studies students
