Pentecost Fire:

Pentecost Fire Schuyler Rhodes, 2001 In a time of divisiveness poverty oppression and war the messages of Schuyler Rhodes send a clarion call for renewal in the church Like the apostles on Pentecost Rhodes offers words that comfort and provoke words that empower and give us vision of a better world His sermons build on the gospel texts to bring spiritual insight and hope in place of cynicism and despair Bringing the ancient biblical wisdom to bear on contemporary society this volume is excellent for inspiration study and discussion These sermons tell the truth unsettling or devastating as this may be to conventional Christian ears I love this little book It weaves through our scripture with verve dignity and good humor the touch is now light now a flick of the whip the words rife with the truth that both hurts and heals from the Foreword Daniel Berrigan SJ Schuyler Rhodes is the pastor of Temple United Methodist Church in San Francisco California He previously pastored Washington Square United Methodist Church in New York City and served as executive director and campus pastor for the Wesley Foundation a broad based campus ministry at the University of California Berkeley Rhodes commitment to social justice and peace has taken him around the globe Over the last decade he has traveled to more than a dozen countries serving as a delegate to several consultations of the World Council of Churches as the secretary of the Social and International Affairs Committee of the World Methodist Council and as the chair of the board of directors for Pastors for Peace and the Interreligious Foundation for Community Organizing He has also been a consultant on Peace and Justice Ministries for the Methodist Church's General Board of Global Ministries developing liturgical and training materials as well as representing the General Board at numerous national and international gatherings A prolific writer Rhodes is an honors graduate of Drew University Theological School M Div and the State University of New York at Potsdam B A

Pentecostal Fire Larry Sparks, 2022-05-17 Minister revival teacher and publisher Larry Sparks received a life changing encounter with the Holy Spirit that revealed how Acts Chapter 2 and specifically the Day of Pentecost is a blueprint for Jesus followers of all eras ages and generations to walk in the revival fire of the Holy Spirit's presence *Tongues of Fire* Paul O. Ingram, 2019-09-17 Pentecost celebrates the countless expressions of God's love and wisdom Like a skilled dancer God's Holy Spirit moves through all creation bringing forth life and love and inspiration Fire and wind are everywhere Inspiration and revelation are just a moment away and can come either by surprise or as a result of the interplay between God's wisdom and our intentional spiritual practices The spirit blows where it wills in all directions embracing all life human and nonhuman In other words Pentecost is about God's omnipresence which Ingram interprets through the categories of Whiteheadian process theology as God's ever present initial aim that all things and events at every moment of space time achieve the maximum self fulfillment of which they are capable Intentionally conforming our subjective aims for our own fulfillment with God's initial aim for us as the historical Jesus did is the call of Pentecost Omnipresence is an all or nothing deal God can't be a little omnipresent Either God is present in with and under every thing and event since the beginning of creation what theologians

and philosophers call panentheism or omnipresence makes no sense *Tongues On Fire: A History of the Pentecostal Movement of Montserrat* Howard Fergus, 2011 *Refiner's Fire* Cheryl A. Ellis, 2017-01-18 Why do we worship as we do What are the forgotten practices once central to many early Nazarene congregations Because historical events and other factors have shaped and molded the various worship patterns found in local congregations the way in which contemporary Nazarenes worship is no accident Like other descendants of the American holiness movement Nazarene worship is influenced by events predating our denominational forebears This text explores the history behind current worship trends for a crucial reason the very act of worship shapes and forms worshipers Beliefs and attitudes are forged not merely by what is heard from the pulpit but also by what is done bodily in the pew Ellis examines the liturgical concerns and practice of John Wesley as well as those of early Nazarene pioneers in an attempt to address these issues In so doing the book provides a historical resource for denominational leaders pastors and congregations At the same time it aims to help congregations both to appreciate our rich ecclesial history and to critically evaluate current worship practices in order that they may truly be transformational *In the Fullness of Time* Richard B. Lived Islam in Africa and Its Missiological Implications for Pentecostals Dieudonne Komla Nuekpe,2023-11-30 Islam and Christianity are often presented as violent rivals facing each other across a gulf of insurmountable differences Yet if Christians are to effectively engage Muslims with the gospel they must learn to build bridges across this divide This study explores the Muslim presence in Ghana a nation once believed to be resistant to Islam and analyses the missiological implications for Pentecostals the fastest growing group of Christians in the country Dr Dieudonne Komla Nuekpe examines the shared spiritual heritage of Ghanaian Pentecostals and folk Muslims within the broader context of African traditional religion He proposes that this shared heritage with its emphasis on supernatural encounters and the spiritual realm can provide common ground for Pentecostals seeking to peacefully and respectfully engage Muslims with the gospel Identifying the existential experiential and theological needs at the heart of folk Islam this book offers a practical guide for constructive Muslim Christian engagement in Ghana and beyond This study also challenges missiologists both scholars and practitioners to engage in critical contextualization that considers a culture s indigenous religious practices when seeking to build bridges
