Garrett, 1989-11 Vol discusses appointed lessons for the 10th through the 19th Sunday after Pentecost The Living Church, 1981-07 A Healing Homiletic Kathy Black, 1996-10-01 In *A Healing Homiletic Preaching and Disability* Kathy Black offers a unique and effective approach for preaching about disabilities By going to the heart of the gospel and drawing on the healing narratives or miracle stories Black shows how preaching affects the inclusion or exclusion of forty three million persons with disabilities from our faith communities *A Healing Homiletic* provides a new method of preaching about healing based on Scripture for understanding the needs of the disability community **A God So Near** Patrick D. Miller, 2003 Annotation Patrick Miller is widely known as an educator editor President of the Society of Biblical Literature and academic who is concerned to ensure that academics and the life of the church are not torn asunder in this era of fragmentation This volume honors him for his life's work presenting 24 essays by students and colleagues on themes dear to Miller 1 the Psalms and God's nearness to his people and 2 Torah Deuteronomy in particular and God's connection with his people in their lives together Paperbound Books in Print, 1992 **The American Ecclesiastical Review** Herman Joseph Heuser, 1943 **The Christian Faith** Michael Horton, 2011-01-04 Theology the study of God is a concern for every believer not just theologians or those in ministry It's the goal of good theology to humble us before the triune God of majesty as we come to understand him better This is a book of and about good theology Award winning author theologian and professor Michael Horton wrote *The Christian Faith* as a book of systematic theology and doctrine that can be preached experienced and lived as well as understood clarified and articulated It's written for a growing cast of pilgrims in ministry and laity who are interested in learning about Christ as a way of living as a Christian Who understand that knowing doctrine and walking in practical Christianity are not competing interests *The Christian Faith* is divided into six parts five of which each focus on an aspect of God while the first part sets up an understanding and appreciation for the task of theology itself addressing topics like The source of theology where the idea of theology comes from and what its limits are The origin of the canon how the modern Bible came about and why we can trust it The character of theology is the nature of theology practical theoretical or can it be both In a manner equally as welcoming to professors pastors students and armchair theologians Horton has organized this volume in a readable fashion that includes a variety of learning features A brief synopsis of biblical passages that inform certain doctrines Surveys of past and current theologies with contemporary emphasis on exegetical philosophical practical and theological questions Substantial interaction with various Christian movements within the Protestant Catholic and Orthodoxy traditions as well as the hermeneutical issues raised by postmodernity Charts sidebars questions for discussion and an extensive bibliography divided into different entry levels and topics At the heart of this book is a deep love for and curiosity about God Its basic argument is that a personal relationship with God goes hand in hand with the pursuit of theology It isn't possible to know God without

Birkholz, Jacob Corzine, Jonathan Mumme, 2016-02-16 The Lord warns of a famine of hearing the word of the Lord Amos 8 11 Has this warning come to pass in our day There is no shortage of preachers but how often do they miss the mark in actually delivering the word of God to their hearers leaving them hungry The authors of these essays seek to equip preachers with resources to offer their hearers a rich feast from the word of the Lord Writing from a Lutheran perspective contributors from across the globe provide a fresh approach to preaching These authors represent seasoned pastors and professors as well as young scholars All are actively preaching and teaching God s word on a regular basis This book covers a wide range of topics relating to preaching from the scriptural background and hermeneutical issues to historical examples of notable preachers and also practical guides to crafting and delivering a sermon These essays will assist preachers in proclaiming God s word in a manner that provides a feast for those living in a famine stricken world Check out a review on Logia Online Review on the Pastoral Meanderings Blog Video

Repent and Turn to God Babu Immanuel, 2008-05-01 For many years there has been ongoing work here on the book of Acts looking into the narrative in its Greco Roman and Jewish settings and we greatly appreciate your contribution to this research It leads the reader to a better understanding of the mindset of the period while focusing on issues that are still fundamental for the Christian church today Dr Elizabeth Magba Librarian Tyndale House Cambridge UK The significance of conversion to the Acts of the Apostles is indisputable so it is surprising that this motif historically has attracted so little scholarly attention We can therefore celebrate all the more Babu Immanuel s joining the small but growing ranks of those who of late have turned their critical attention to this important literary and theological theme in Acts Adopting a narrative critical approach Immanuel urges that working in tandem miraculous activity and missionary proclamation are effective means for effecting conversion of Jew and Gentile alike The result is a welcome emphasis on the role of Luke not only as theologian or historian but also and centrally as mission strategist Joel B Green Professor of New Testament Interpretation Fuller Theological Seminary First (-120th) report of the deputy keeper of the public records Public record office, 1876

Morey, 2003-11 What does God want you to know be and do as an individual family church and nation This question occupies the Bible from Genesis to Revelation Indeed you could divide all the verses in the Bible into four groups These are verses that address Individual Families Churches Nations **Connections: Year A, Three-Volume Set** Joel B. Green, Luke A. Powery, Cynthia L. Rigby, Carolyn J. Sharp, Thomas G. interpretive tools that provide commentary and worship aids on the Revised Common Lectionary This nine volume series offers creative commentary on each reading in the three year lectionary cycle by viewing that reading through the lens of its connections to the rest of Scripture and then seeing the reading through the lenses of culture film fiction ethics and other aspects of contemporary life Commentaries on the Psalms make connections to the other readings and to the congregation s experience of worship This set contains all three volumes for Year A Connections is published in partnership with Austin Presbyterian Theological Seminary This eBook set contains Year A volumes 1 2 and 3 **ICNT: Acts of the Apostles** Babu Immanuel Venkataraman,2016-07-05 The ICNT series aims to give a well informed exposition of the meaning of the text and relevant reflections in everyday language for today s Indian context The intended audience is the theological seminary or bible college both students and faculty However the commentaries are also suitable for pastors and lay people with an interest in theology The commentaries are culturally rooted and the various applications relating to culture society and religious life will help those involved in cross cultural evangelism and mission work There is no direct equivalent of the ICNT and hence this will be the first Indian commentary series serving India and hopefully the entire subcontinent India Nepal Bangladesh and Sri Lanka *Missional Acts* Daniel McGinnis,2022-01-14 What is Luke s main purpose in writing the book of Acts In this close study of the entire Acts narrative McGinnis analyzes Luke s story of the first Christians in light of ancient rhetorical conventions concluding that Luke presents his stories to strengthen the missional commitment and practice of his readers Missional Acts approaches a vast amount of varied mission content systematically dividing it into rhetorical instruction about missional stimuli structures strategies and suffering while using a body analogy to provide coherence Even the enigmatic ending of Acts intentionally advances Luke s rhetorical purposes Luke s teaching finds its culmination in the ministry of his archetypal missionary the apostle Paul whose missionary journeys are a Lukan masterclass in mission strategy with much to teach about ministry that transforms whole regions McGinnis rejects the traditional dichotomy that Paul is either a missionary or a prisoner and shows that throughout his work Luke depicts suffering as an integral part of the mission seeking to prepare his readers to face opposition of various kinds Missional Acts will help readers approach Acts in innovative ways by reading it through a primary missional lens *Living the Questions of the Bible* Luke A. Powery,2023-05-16 Living the Questions of the Bible presents questioning as a viable and faithful Christian practice We may think the Bible is only about getting answers but the Bible is also a question book revealing how the life of faith is a quest with and for God By exploring various passages in the Bible this book attempts to invite readers into an interrogative spirituality one in which we learn that even God questions Faith seeks and keeps on seeking It may reach understanding or it may not Either way our questions are a way to live the Christian life honestly faithfully and doxologically *Holy Week* Richard L.
