People And Folks Gangs Crime And The Underclass In A Rustbelt City:

People and Folks John Hagedorn, Perry Macon, 1998 This expanded edition offers provocative new insights into race and class challenging accepted theories with fresh data from one of the most extensive studies ever undertaken of street gangs in a single city The author questions prevailing assumptions about gang violence drug use and the cultural differences between the inner city underclass and the suburban middle classes He explores the nature of gender for both male and female gang members and examines the differences between male and female gangs

People and Folks John Hagedorn, Perry Macon, 1988 An examination of the big city gangs with interviews with gang members

Street Gangs Catherine H. Conly, 1994 Summarizes research and professional criminal justice perspectives on gangs describes some current gang prevention intervention and suppression strategies and presents recommendations for dealing with street gangs at the community level Extensive bibliography

Gangs in Rural America, Final Report, **Youth Street Gangs** David C. Brotherton, 2025-05-16 Gangs have been heavily pathologized in the last several decades In comparison to the pioneering Chicago School's work on gangs in the 1920s we have moved away from a humanistic appraisal of and sensitivity toward the phenomenon and have allowed the gang to become a highly plastic folk devil outside of history This pathologization of the gang has particularly negative consequences for democracy in an age of punishment cruelty and coercive social control This is the central thesis of David Brotherton's celebrated book on street gangs Drawing on a wealth of highly acclaimed original research Brotherton explores the socially layered practices of street gangs including community movements cultural projects and sites of social resistance The book also critically reviews gang theory and the geographical trajectories of streets gangs from New York and Puerto Rico to Europe the Caribbean and South America as well as state sponsored reactions and the enabling role of orthodox criminology In opposition to the dominant gang discourses Brotherton proposes the development of a critical studies approach to gangs and concludes by making a plea for researchers to engage the gang reflexively paying attention to the contradictory agency of the gang and what gang members actually tell us This new edition has been revised and fully updated containing three new chapters offering alternative approaches to interventions in gang violence and to gang desistance drawing on detailed interviews with Antonio Fernandez King Tone former head of the Latin Kings The book is essential reading for academics and students involved in the study of juvenile delinquency youth studies deviance gang studies and cultural criminology

Gangs in America's Communities James C. Howell, 2012 This book provides a comprehensive up to date and theoretically grounded approach to gangs and youth violence It covers significant topics of interest to gang scholars and practitioners and in doing so serves to prepare students to work with gang members develop and manage anti gang programs or engage in scholarly endeavors The book introduces readers to the foundations of gang studies through the origins of gangs definitions and categories of youth street gangs and the distinctions between these arguably different types national and international trends distinguishing features of serious street gangs what works with

gangs and what doesn't and myths and realities James Howell's extensive experience in this area allows access to the most authoritative national survey data on gang trends providing insight into topics such as female gangs migration of gang members small town gangs versus the major adult gangs in large cities gang homicides and drug trafficking **Youth Gangs** James C. Howell, 1998

Prison Gangs Behind Bars and Beyond Dev Rup Maitra, 2023-06-19 This book draws on a four year ethnographic study conducted in the prisons and on the streets of Greater Manchester England to examine gangs and organised crime in the North of England It includes the personal testimonies of active prison gang members and major organised crime figures many of whom are behind bars and some active street gang members It presents an holistic account by exploring the linkages that exist between prisons and the streets including the lines of continuity between gangs on both sides of the prison walls and how gang affiliation straddles this divide It offers data on the region's drug market specifically Class A drugs as this market is the lynchpin of the underworld both within and without prison It also includes the perspectives and insights of prison officers police detectives youth workers active and former street gang members and the parents of deceased gang members This is a ground breaking contemporary study analysing English gang compositions and activities with its findings and results based on qualitative interviews and ethnographic research *Gangs of the El Paso-Juárez Borderland* Mike Tapia, 2019-12-15 This thought provoking book examines gang history in the region encompassing West Texas Southern New Mexico and Northern Chihuahua Mexico Known as the El Paso Ju rez borderland region the area contains more than three million people spanning 130 miles from east to west From the badlands the historically notorious eastern Valle de Ju rez to the Puerto Palomas port of entry at Columbus New Mexico this area has become more militarized and politicized than ever before Mike Tapia examines this region by exploring a century of historical developments through a criminological lens and by studying the diverse subcultures on both sides of the law Tapia looks extensively at the role of history and geography on criminal subculture formation in the binational urban setting of El Paso Ju rez demonstrating the region's unique context for criminogenic processes He provides a poignant case study of Homeland Security and the apparent lack of drug war spillover in communities on the US Mexico border *The Second Generation* Pyong Gap Min, 2002-06-25 In a series of essays based on original ethnographic research Pyong Gap Min and his contributors examine the unique identity issues for second generation ethnic Asians from Chinese Japanese Filipino Korean Indian and Vietnamese descent They describe how societal expectations and structural barriers have a powerful influence on the formation of ethnic identities in a strongly racialized American society Key factors discussed are the importance of culture and language retention ethnic attachment transnational ties pan Asian coalitions and friendships social and geographic mobility racial domination and racial awareness life cycle changes immigrant women's sexuality and gender traditionalism deviant behavior and educational and occupational achievement This book will be a valuable resource in the study of Asian American culture race ethnicity and American society **Gangs in the Global City** John Hagedorn, 2007 Understanding
