Glass Houses. Life is a Story - story.one Francesca Grace, 2024-08-29 Taylor felt young and hopeless Growing up in a glass house was not the easiest thing to do And Alex was right there with her Sometimes life throws you curve balls You can either catch them or move out of the way And Taylor with her sharp intelligence was beginning to figure that out Here we can be intimate with her and her thoughts It took a lot of courage for her to become the woman she is and she can thank herself for that She decided that it ends with her And there would be no more shards of glass to clean up This story explores the complex dynamics of a young girl's challenging upbringing Through poetic prose and vivid storytelling offering readers a heart wrenching yet hopeful journey of self discovery The philosophical undercurrents invite readers to reflect on the nature of trauma and the transformative power of love and healing It is a timeless piece resonating with readers of all ages drawn to stories of personal growth and the strength of the human spirit
