The Palgrave Handbook of Popular Culture as Philosophy Dean A. Kowalski,Chris Lay,Kimberly S. Engels,2024-04-30 Much philosophical work on pop culture apologises for its use using popular culture is a necessary evil something merely useful for reaching the masses with important philosophical arguments But works of pop culture are important in their own right they shape worldviews inspire ideas change minds We wouldn't balk at a book dedicated to examining the philosophy of *The Great Gatsby* or 1984 why aren't *Star Trek* and *Superman* fair game as well After all when produced the former were considered pop culture just as much as the latter This will be the first major reference work to right that wrong gathering together entries on film television games graphic novels and comedy and officially recognizing the importance of the field It will be the go to resource for students and researchers in philosophy culture media and communications English and history and will act as a springboard to introduce the reader to the other key literature in the field

Before Creation, Planet Life, After Life

Donzella Ervin, 2022-01-04 The purpose of this book Before Creation Planet Life After Life is to cause readers especially Christians to search for a broader perspective of Scriptures referencing man s existence before and after death I hope this work will initiate more thought as to when where and how we fit into God s mind and final plans for us If we embark upon this search looking at Scripture through traditional lenses we will miss seeing the things of God by the faith of God He is the one who invited us saying If any man lacks wisdom knowledge on any subject let him ask of God who gives to all men liberally holds nothing back from us Yet there are many church leaders who warn their parishioners against asking God questions concerning those things which plague their souls even though the book of Job is a good example that God is not intimidated by our questions Considering Job s experience and reverence for God while searching for answers I believe the result of our seeking and asking will bring us the comfort and steadfastness that we so desperately need in our times of sorrow and disconnectedness It may give us that blessed assurance that we have been are and will be forever with the Lord We re not strangers to Him because He said that He chose us in Him knew us before the foundation of the world was laid Ephesians 1 4
