## **People Power A Look At Nonviolent Action And Defense:**

People Power Susan Neiburg Terkel,1996 Covers the definition principles and methods of nonviolence including civil disobedience     Power Tom H. Hastings,2005-12-12 In *Power* Tom Hastings unpacks the methods and considers causes and correlatives to violence and nonviolence Hastings presents an overview of nonviolent power potential examining it on personal community and transnational levels He provides evidence of theories and historical records of nonviolent power through personal stories and the annals of human kind Nonviolent alternatives are proposed and considered     *Democratic Revolutions* Mark K. Thompson,2003-11-20 Thompson examines the neglected concept of democratic revolutions spontaneous popular uprisings which topple unyielding dictators and begin a transition process that eventually results in the consolidation of democracy     Exploring the Power of Nonviolence Elavie Ndura,Randall Amster,2013-12-24 The new millennium finds humanity situated at critical crossroads While there are many hopeful signs of cross cultural engagement and democratic dialogue it is equally the case that the challenges of warfare and injustice continue to plague nations and communities around the globe Against this backdrop there exists a powerful mechanism for transforming crises into opportunities the philosophy and practice of nonviolence The expert authors brought together in this volume collectively deploy the essential teachings of nonviolence across a spectrum of contemporary issues From considering the principles of the French Revolution and encouraging peace through natural resource management to exploring multiculturalism and teaching peace in the elementary classroom this work is broad in scope yet detailed in its approach to the fundamental principles of nonviolence     *A Parent/Teacher Guide to Children's Books on Peace and Tolerance* Bob Blumenthal,2005 How do you teach children to value peace and appreciate diversity One way is to provide them with books with themes that promote these ideas The Parent Teacher Guide to Children s Books on Peace and Tolerance offers readers a wide variety of award winning titles along with annotations and grade level recommendations The book is divided into the following sections Preschool grade three Grades 4 6 Middle school and High school Each section has over 100 listings Topics include civil rights the Holocaust slavery Native Americans bullying war child abuse bigotry cooperation acceptance apartheid family relationships Arab Israeli conflict controlling anger the Civil War the Vietnam War WWII gays and lesbians and other social issues Many of these books are the recipients of the following awards and honors Newbery Award School Library Journal starred review Caldecott Award Boston Globe Horn Book Award American Library Association Notable Book Jane Addams Children s Book Award American Bookseller Pick of the List Kirkus Reviews starred review Publishers Weekly starred review Booklist starred review Coretta Scott King Award VOYA Top Picks National Book Award and the Michael L Printz Award This guide is an excellent resource for parents who would like their children to become peace loving accepting adults Teachers who are looking for books to supplement their curriculum will find the suggested titles to be among the best written works in the designated areas For example one would be hard pressed to find a better written book on the Holocaust for middle and

high school students than I Have Lived One Thousand Years The author has done a great service by providing parents and teachers with a list of books that cannot be found anywhere else      Youth Literature for Peace Education C. Carter,L. Pickett,2014-10-16 Carter and Pickett explore how educators and families can teach peace education through youth literature and literacy development Showing how to assess choose and make use of literature that can be used to teach both literacy and peace education they walk through individual methods recognizing and teaching different portrayals of conflict in youth literature analyzing characterization and examining the role of illustrations Educators who want to incorporate peace education within a broader literacy focused curriculum and peace educators looking for age appropriate materials and methodologies will find Youth Literature for Peace Education a rich and interdisciplinary resource      **What Do You Stand For? For Teens** Barbara A. Lewis,2005-11-15 Young people need guidance from caring adults to build strong positive character traits but they can also build their own This book by the best selling author of The Kid s Guide to Social Action invites children and teens to explore and practice honesty kindness empathy integrity tolerance patience respect and more Quotations and background information set the stage Dilemmas challenge readers to think about discuss and debate positive traits Activities invite them to explore what they stand for at school at home and in their communities True stories profile real kids who exemplify positive traits resources point the way toward character building books organizations programs and Web sites      The Busy Family's Guide to Volunteering Jenny Lynn Friedman,2003 Describes a variety of ways that families can get involved in volunteering despite a busy schedule and explains the many benefits of volunteering for all ages

**Ecology of War & Peace** Tom H. Hastings,2000 How do mobilization for war and the actual war effort affect the environment How do ecological conditions encourage war What are possible non violent solutions to the ecological conflict dynamic Ecology of War Peace attempts to answer these questions in readable prose with an unapologetic bias toward non violence      **Understanding Peace** Michael Allen Fox,2013-11-12 Understanding Peace A Comprehensive Introduction fills the need for an original contemporary examination of peace that is challenging informative and empowering This well researched fully documented and highly accessible textbook moves beyond fixation on war to highlight the human capacity for nonviolent cooperation in everyday life and in conflict situations After deconstructing numerous ideas about war and explaining its heavy costs to humans animals and the environment discussion turns to evidence for the existence of peaceful societies Further topics include the role of nonviolence in history the nature of violence and aggression and the theory and practice of nonviolence The book offers two new moral arguments against war and concludes by defining peace carefully from different angles and then describing conditions for creating a culture of peace Understanding Peace brings a fresh philosophical perspective to discussions of peace and also addresses down to earth issues about effecting constructive change in a complex world The particular strength of Understanding Peace lies in its commitment to reflecting on and integrating material from many fields of knowledge This approach will appeal to a diverse audience of students and scholars

in peace studies philosophy and the social sciences as well as to general interest readers      **From War to Peace** Kent D. Shifferd, 2014-01-10 The world's first peace organizations emerged in the 19th century and since that time anti war activism has progressed rapidly This illuminating book presents a realistic analysis of the extent to which the war system has infiltrated all aspects of Western culture and how it works to perpetuate war rather than promote peace Additionally the text describes the historically recent and still evolving parallel system of peace institutions The values and ideas that have grown out of peace activism offer a very real opportunity to outlaw war in the coming century just as slavery was abolished in the 19th century Instructors considering this book for use in a course may request an examination copy here      **People Power and Political Change** April Carter, 2013-03-01 This book examines the upsurge in mass popular protest against undemocratic regimes Relating early revolutions to recent global trends and protests it examines the significance of people power to democracy Taking a comparative approach this text analyses unarmed uprisings in Iran 1977-79 Latin America and Asia in the 1980s Africa from 1989-1992 1989 in Eastern Europe and ex Soviet states after 2000 right up to the 2011 Arab Spring The author assesses the influence on people power of global politics and trends such as the growth of international governmental organizations and international law citizen networks operating across borders and emerging media like Twitter and Wikileaks Although stressing the positive potential of people power this text also examines crucial problems of repression examples of failure and potential political problems disintegration of empires and the role of power rivalries Drawing from contemporary debates about democratization and literatures on power violence and nonviolence from both academic sources and media perspectives this text builds an incisive analytical argument about the changing nature of power itself People Power and Political Change is a must read for students and scholars of democratic theory international politics and current affairs      **People Power** Howard Clark, 2009-08-20 Across the world nonviolent movements are at the forefront of resistance against repression imperial aggression and corporate abuse However it is often difficult for activists in other countries to know how best to assist such movements The contributors to People Power place nonviolent struggles in an international context where solidarity can play a crucial role Yet they also warn that good intentions are not enough solidarity has to listen to local movements Examining movements from Zimbabwe to Burma and Palestine the contributors assess various forms of solidarity arguing that a central role of solidarity is to strengthen the counter power of those resisting domination and oppression      **In Search of Monsters to Destroy** Christopher J. Coyne, 2022-12-08 Imperialism and militarism build empires not liberalism So says Christopher Coyne Senior Fellow at the Independent Institute and professor of economics at George Mason University in this eye opening must read book on America's recent foreign policy failures The attempt by the United States since 9/11 to establish liberal political regimes in the Middle East and in the mountains of Afghanistan was doomed to fail And the logic is simple illiberal means can lead only to illiberal ends What else are the hundreds of thousands of dead and mutilated civilians the US military left behind from 2003 to 2021 in these regions The

destroyed ancient cultures and nearly obliterated nation states Coyne also points out that the illiberal perpetrators also can end up not only nearly bankrupt and humiliated but also profoundly less secure If we do not absorb these hard truths says Coyne the rest of the twenty first century will be a repeat of its bloodstained unstable beginning But Coyne is no isolationist A vocal champion of global engagement Coyne insists there are workable proven alternatives to imperialism militarism and empire ones deeply rooted in human experience that preserve freedom promote security and foster mutually enriching friendship among the nations of the earth Read In Search of Monsters to Destroy and you ll never look at the nation state or international relations the same again **Books for You** National Council of Teachers of English, Urbana, IL.,1995

Designed to help teachers students and parents identify engaging and insightful books for young adults this book presents annotations of over 1 400 books published between 1994 and 1996 The book begins with a foreword by young adult author Chris Crutcher a former reluctant high school reader that discusses what books have meant to him Annotations in the book are grouped by subject into 40 thematic chapters including Adventure and Survival Animals and Pets Classics Death and Dying Fantasy Horror Human Rights Poetry and Drama Romance Science Fiction War and Westerns and the Old West Annotations in the book provide full bibliographic information a concise summary notations identifying world literature multicultural and easy reading title and notations about any awards the book has won Appendixes present lists of award winning works of poetry fiction drama and nonfiction for the years 1994 through 1997 a list of approximately 500 multicultural titles a 94 item list of world literature titles and directions on how to order Author subject and title indexes are attached RS

**as Disciple and Mentor** Thomas Weber,2004-12-02 Thomas Weber s book comprises a series of biographical reflections about people who influenced Gandhi and those who were in turn influenced by him Whilst previous literature tended to focus on Gandhi s political legacy Weber s book explores the spiritual social and philosophical resonances of these relationships and it is with these aspects of the Mahatma s life in mind that the author selects his central protagonists These include friends such as Henry Polak and Hermann Kallenbach who are not as well known as those usually cited but who left a deep impression nevertheless and motivated some of Gandhi s major life changes Conversely the work of luminaries such as E F Schumacher and Gene Sharp reveal the Mahatma s influence in arenas which are not traditionally associated with his thinking Weber s book offers intriguing insights into the life and thought of one of the most significant figures of the twentieth century **The United States Institute of Peace Journal** ,1990-03 **People Power** David H.
