But then we get busy with other things even as the church But what if a subtle shift in focus could reignite a passion within you and your church for reaching the lost What if instead of trying to reach them you began to focus on simply reaching the One that person in your life who is far from God and needs to know his love This study explores Luke 15 where Jesus tells three stories about rejoicing when lost things are found specifically a lost sheep a lost coin and two lost sons First we will discover that we are the One who is dearly loved and sought after by God and then we will join together in Jesus s mission to seek after the One in our own lives with intentionality perseverance and joy This study is not about taking people on as a project no one wants that It s about rediscovering the heart of God and his passion for going after those who are far from him The Leader Guide contains everything needed to guide a group through the four week study including session plans activities and discussion questions as well as multiple format options In addition a free digital download includes information for incorporating The One as a church campaign sermon starters and more Additional components for this study each available separately include a participant book and video sessions DVD featuring Jim and Jen Cowart
