People Society Mass Communications:

People, Society, and Mass Communications Lewis Anthony Dexter, David Manning White, 1966 **People, Society, and Mass Communications** Lewis Anthony Dexter, 1966 People, Society, and Mass Communications Lewis Anthony Dexter, 1964 *McQuail's Mass Communication Theory* Denis McQuail, 2005-05-20 This fully revised and updated edition provides a comprehensive non technical introduction to the range of approaches to understanding mass communication

The SAGE International Encyclopedia of Mass Media and Society Debra L. Merskin, 2019-11-12 The reference will discuss mass media around the world in their varied forms newspapers magazines radio television film books music websites and social media and will describe the role of each in both mirroring and shaping society **Media Effects and Society** Elizabeth M. Perse, Jennifer Lambe, 2016-08-05 Grounded in theoretical principle Media Effects and Society help students make the connection between mass media and the impact it has on society as a whole The text also explores how the relationship individuals have with media is created therefore helping them alleviate its harmful effects and enhance the positive ones The range of media effects addressed herein includes news diffusion learning from the mass media socialization of children and adolescents influences on public opinion and voting and violent and sexually explicit media content The text examines relevant research done in these areas and discusses it in a thorough and accessible manner It also presents a variety of theoretical approaches to understanding media effects including psychological and content based theories In addition it demonstrates how theories can guide future research into the effects of newer mass communication technologies The second edition includes a new chapter on effects of entertainment as well as text boxes with examples for each chapter discussion of new technology effects integrated throughout the chapters expanded pedagogy and updates to the theory and research in the text These features enhance the already in depth analysis Media Effects and Society provides **The State of Asian Communication Research and Directions for the 21st Century** Ran Wei, 2018-12-07 The 21st century has been called the Asian Century by Eastern and Western academics largely due to the economic and cultural rise of China and India This volume explores both what this means for communication research and the implications of Asia's rising global power for communication scholars in Asia and from around the world Hot topics and emerging trends are explored encapsulating the new opportunities as well as the challenges for Asian communication scholars Asia represents diverse cultural economic social and political systems that shape different media systems in various countries with fertile contexts for communication research The scope of the chapters in this book includes mass communications mobile technology intercultural and political communication news and entertainment health communication public relations and comparative analyses of mainstream mass communication theories The articles in this book were originally published in the Asian Journal of Communication

Aging and Society Matilda White Riley, John W., Jr. Riley, Marilyn Johnson, 1969 Interprets the research findings on aging for professionals concerned with the prevention and treatment of problems associated with aging Each chapter written by an

expert deals with the field within the broad context of aging in contemporary society New Media and Chinese Society Ke Xue, Mingyang Yu, 2017-10-24 This book focuses on the influence of social media on Chinese society The respective chapters present research by top tier communication scholars from prominent Chinese universities and offer revealing findings on the interplay between media social media economics and politics To that end both qualitative and quantitative methods based on classical theories of communication and economics are drawn upon The book explores four main areas the challenges and opportunities for Chinese journalism and communications changes in Chinese economic development influences and forecasts for Chinese politics and the impacts on Chinese culture As the chapter contributors hail from diverse regions within China and represent three generations of communication scholars the book offers a comprehensive guide helping readers understand the impact of social media on China's development from a broad range of perspectives and sharing insights on its impacts around the world *Law and Society Approaches to Cyberspace* Paul Schiff Berman, 2017-11-28 During the past decade the rise of online communication has proven to be particularly fertile ground for academic exploration at the intersection of law and society Scholars have considered how best to apply existing law to new technological problems but they also have returned to first principles considering fundamental questions about what law is how it is formed and its relation to cultural and technological change This collection brings together many of these seminal works which variously seek to interrogate assumptions about the nature of communication knowledge invention information sovereignty identity and community From the use of metaphor in legal opinions about the internet to the challenges posed by globalization and deterritorialization to the potential utility of online governance models to debates about copyright free expression and privacy this collection offers an invaluable introduction to cutting edge ideas about law and society in an online era In addition the introductory essay both situates this work within the trajectory of law and society scholarship and summarizes the major fault lines in ongoing policy debates about the regulation of online activity Media/Society David Croteau, William Hoyne, 2003 The Third Edition of this popular text provides students with an overview of the entire media process with an emphasis on how social forces influence the media and how media potentially affect society Power and Policy in Quest of Law Myres S. McDougal, W.M. Reisman, 2024-09-02 **The New Cambridge Bibliography of English Literature: Volume 4, 1900-1950** George Watson, I. R. Willison, 1972-12-07 More than fifty specialists have contributed to this new edition of volume 4 of The Cambridge Bibliography of English Literature The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis articulation and coordination that it has been retained in all its essentials for the new edition The task of the new contributors has been to revise and integrate the lists of 1940 and 1957 to add materials of the following decade to correct and refine the bibliographical details already available and to re shape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries **Social Media and Society** Dr. R. B. Konda, Dr. Maheshkumar M. Ganwar, Dr. Gayatri Y., Prof. Basvaraj
