People Around Us Teachers Edition:

Interchange Level 3 Teacher's Edition with Assessment Audio CD/CD-ROM Jack C. Richards, 2012-11-12

Interchange Fourth Edition is a fully revised edition of Interchange the world's most successful series for adult and young adult learners of North American English. The course has been revised to reflect the most recent approaches to language teaching and learning. It remains the innovative series teachers and students have grown to love while incorporating suggestions from teachers and students all over the world. This edition offers updated content in every unit, grammar practice and opportunities to develop speaking and listening skills. Interchange Fourth Edition features contemporary topics and a strong focus on both accuracy and fluency. Its successful multi-skills syllabus integrates themes, grammar functions, vocabulary and pronunciation. The underlying philosophy of the course remains that language is best learned when it's used for meaningful communication.

The Little Book for Teachers Who Think Big Jeffrey Dutt, 2022-11-08 This book appeals to the aspiring or veteran teacher who wants to be innovative in their approach or management to teaching in the classroom. While there are many how-to books out there to help teachers with methods to be effective in the classroom, the Little Book for Teachers Who Think Big emphasizes how a teacher should teach in the current standardized testing environment. This is critical for today's teacher to understand how to practically teach and to be effective in behavior and time management, student issues, lesson planning and maintaining a balance of our professional and personal life. There were over 25 current and retired teachers who were interviewed for this book that provided their advice along with the author to improve the classroom experience for teachers and their students. This book contains three main categories: the Landscape, Effective Teaching and the Teaching Life. We take a unique look at how education has changed and how teachers need to adapt to those changes. The last chapter in this book contains inspirational stories provided by teachers from across the age spectrum. We need these types of stories to urge us to continue to be the best that we can be in our individual classrooms and schools.
