## **People Principle Transforming Laypersons Into Leaders:**

**The People Principle** Stan Toler, 1997 The sad scenario of the stagnant church is far too familiar But Dr Stan Toler has discovered some solutions he believes can create turning points for such churches In *The People Principle* he shares the secret of transforming passive laypersons into enthusiastic effective leaders Step by step he examines eight practical principles that succeed in transforming stagnant churches into a vibrant part of a growing kingdom Paper *The Five Star Church* Stan Toler, Alan Nelson, 1999-04-22 Ever wonder how a restaurant or hotel earns a five star rating Is it the people The location The service In most cases it is all of this and more Why should your church be any different The Five Star Church reveals how you can pursue Christian excellence and uphold the Lord's command to honor one another above yourselves Romans 12:10 It contains tips tools and the inspiration you need to build a top quality church that people will flock to and participate in Now matter how small your ministry or budget God can use your church effectively to make everyone there feel welcome and cared for the marks of a five star church *Cultivating a People for God* Enoch Kwan, 2019-04-09 This is not just another book It is a long but timeless message better described as a theology of Discipleship I wish God had used someone else who is smarter to write this book and it may have come out sooner It took God 25 years for me to capture the bits and pieces while God taught me in time This book will show you God's heart and get you excited about fulfilling His plan You will find the simple way of integrating spirituality and ministry while pleasing God in all areas of your life and ministry The wide Scripture supported fresh philosophy and framework presented in this book will help you feel God's heartbeat It will elevate your perspective and build a stronger motivation for your church to engage with Christ's Great Commission You will discover the God inspired strategy for discipleship in the Commandments for the Great Commission You will discover how we may effectively cultivate and offer daily to God a People God awaits Your congregation will have time to enjoy life and God while fulfilling the Great Commission and maturing as Christians in God's inspired ways You will be glad to allow this book to jump to the front of your reading list as it may inject transformational elements to your other reading It is possible that the message presented in this book will spark a new movement for God's people Come join me in fellowship through this book and decide for yourself to see if you can be a part of this new and exciting journey **Equipping Laypeople for Transformational Workplace Ministry** Caroloretta Tucker, 2010-11 Equipping Laypeople Many Christians fail to see their places of work as their most logical mission field missing opportunities for both workplace ministry and evangelism Those who do see their places of work as a mission field are making a tremendous difference where they work Given the amount of hours typically spent working the personal trials and dysfunctions many carry with them to work as well as the poor working conditions of many American workers there is a tremendous need for Christians to transform their places of work Even though many pastors tell their church members to go out and reach people they are not providing them with the necessary training to reach those in the workplace There is a great need for laypeople to be built up to be creative and to live out their

faith at work Pastors have been given the ultimate privilege of equipping God's people for service Churches must be intentional about providing laypersons with the theological tools and practical information necessary to understand and effectively exercise workplace ministry We must begin by accepting that all God's people are placed in workplace ministry and seek to know God's original plan for work as well as how to integrate work and faith In **EQUIPPING LAYPEOPLE FOR TRANSFORMATIONAL WORKPLACE MINISTRY** Caroloretta Tucker offers her Doctorate's thesis research results to pastors and churches as a firm foundation for this effort **Herald of Holiness**, 1997 *Transformative Pastoral Leadership in the Black Church* J. *Pastoral Leadership* Won Sang Lee, 2015-01-14 In ascending to heaven Jesus Christ gave the church the Great Commission to expand the gospel to all nations Despite this biblical commission it is still an unfinished task As leaders of local churches pastors play a crucial part in this endeavor Pastoral leadership principles have varied widely throughout history yet it is interesting to discover the similarities between pastoral leadership principles practiced by John Chrysostom AD 347-407 in Antioch and Constantinople and Won Sang Lee 1937 in Washington DC Despite ministering 1600 years apart both pastors share the same core values care for people Christ-like character biblical preaching and world missions This suggests that continued emphasis on these principles will play a significant role in fulfilling the Great Commission independent of time and place The Cumulative Book Index, 1998 A world list of books in the English language
