

THE PEOPLE'S REPUBLIC OF CHINA

A Concise Political History

Witold Rodzinski

Peoples Republic Of China A Concise Political History

AW Rasmussen

Peoples Republic Of China A Concise Political History:

The People's Republic of China Witold Rodziński, 1988 In this lucid and intelligent history Rodzinski skillfully offers a fresh and fascinating survey of the political events personalities and issues which have determined the shape of contemporary China

The Political Economy of Corruption in China Julia Kwong, 2015-04-08 This text examines all facets of corruption meaning incidence monetary value the kinds of goods exchanged the perpetrators and their strategies in China since 1949 It explores the irony of how ideology and organizational structures under socialism can both restrain and encourage corruption

China Michael Dillon, 2010-07-30 China's transformation in the last few decades has been perhaps the most remarkable and most controversial development in modern history Barely a century removed from the struggling and outdated Qing Empire China has managed to reinvent itself on an unprecedented scale from Empire to Communist state to hybrid capitalist superpower Yet the full implications of China's rapid march to modernity are not widely understood particularly the effects of China's meteoric rise on the nation's many ethnic minorities China A Modern History is the definitive guide to this complex contemporary phenomenon Deng Xiaoping's 1980s policy of reform and opening which saw China enter the world market is only the most recent in a series of dramatic shifts that have transformed Chinese society over the past 150 years China A Modern History explores these contrasts in detail while also highlighting the enduring values which have informed Chinese identity for millennia Michael Dillon's China A Modern History is essential reading for those interested in the past present and future course of one of the world's great nations Clearly and compellingly written this will stand as the best introduction to this spectacular and still unfinished story

A Brief Modern Chinese History Haipeng Zhai, Jinyi Zhang, 2020-10-20 This book is part of an initiative in cooperation with renowned Chinese publishers to make fundamental formative and influential Chinese thinkers available to a western readership providing absorbing insights into Chinese reflections of late Haipeng Zhang and Jinyi Zhai provide us with a history of China's struggle for national independence and prosperity reflecting the humiliation in the sinking period and the struggle during the rising period After the Japanese aggressions against China had caused more damage to China than all previous invasions Chinese society not only avoided the continued sinking but also laid the foundation for China's modernization and the recent success story to the present day

Sinology during the Cold War Antonina Łuszczkiewicz, Michael Brose, 2022-05-18 This volume provides the first study of the history of sinology aka China studies as charted across several communist states during the Cold War The People's Republic of China was created in the first years of the Cold War with its early history and foreign policy intimately bound up in that larger geopolitical fight All the seismic changes in China's geopolitical landscape from its emergence and close relationship with the Soviet Union to the Sino Soviet split and the eventual rapprochement with the United States resulted in a great deal of interest by journalists politicians and scholars Yet although scholars across the Soviet Bloc produced an impressive body of work on a range of sinological studies with rare exceptions most of those

scholars and their work remains unknown outside their own intellectual circles This book redresses this dearth of knowledge of sinological scholarship providing invaluable and unique glimpses of Soviet Bloc sinologists and their work during the Cold War including cutting edge research on lesser studied communist states such as Poland Hungary Mongolia and others International in scope this book is ideal for scholars and researchers of modern history Chinese studies sinology and the Cold War

Military Intelligence ,1990 **Mission to Yen-an** Carole J. Carter,2021-05-11 A deep dive into the Dixie Mission Aficionados of American political and diplomatic history may be pleasantly surprised at the riches in this book American Historical Review Conventional wisdom informs us that only Nixon could go to China In fact in 1944 nearly thirty years before his historic trip the American military established the first liaison and intelligence gathering mission with the Chinese Communists in Yen-an Commonly referred to as the Dixie Mission the detached military unit sent to Yen-an was responsible for transmitting weather information assisting the Communists in their rescue of downed American flyers and laying the groundwork for an eventual rapprochement between the Communists and Nationalists the two sides struggling in the ongoing Chinese Civil War Following extensive use of archival sources and numerous interviews with the men who traveled and served in Yen-an Carole Carter argues that while Dixie fulfilled its assignment the members steered the mission in different directions from its original albeit loosely described intent As the months and years passed the Dixie Mission increasingly emphasized intelligence gathering over evaluating their Communist hosts contribution to the war effort against Japan Some American politicians in the 1950s portrayed the participants in the Dixie Mission as too sympathetic to the Chinese Communists But during the 1970s many looked back at these individuals as wise but ignored oracles who could have prevented the loss of China Carter strips away these simplistic portrayals to reveal a diverse and dedicated collection of soldiers diplomats and technicians who had ongoing contact with the Chinese Communists longer than any other group during World War II but who were destined to be a largely unused resource during the Cold War

A Chronicle of China's Notary History (1902-1979) Yu Cai,2023-09-26 This book seeks to trace the notarial history of China from 1902 to 1979 While working on this trailblazing effort the author taps into a rich variety of artifacts especially the notarial documents archived records manuals and journals from private collection or originally issued by China's judicial authorities during different periods No similar book has been published so far Many of these items are taken from old publications and notarial documents that the author purchased from grass root vendors The book complements the text with illustrations and the descriptions of the same articles are consistent throughout narrative Even more remarkable is that many rare notarial historical materials in Chinese and foreign languages are available for the first time This book is a must read for researchers and students need in their understanding of China's judicial system or China's history It gives a complete introduction to the development and evolution of China's notarial system which has great reference value for those who study this subject

China - U.S. Relations in the 21st Century ,1996 **Special Bibliography Series** United States Air Force Academy.

Library,1996 **Ten Years Of Turbulence** Barbara Barnouin,Yu Changgen,2012-11-12 First published in 1993 The Cultural Revolution CR was undoubtedly one of the most tumultuous and dramatic periods of China s modern history It was marked by violence factionalism and economic disruptions The cataclysm it created had traumatic effects on the majority of the Chinese people both in their private and professional lives In this study the author s emphasise the primordial role of Mao Zedong in instigating and prolonging the Cultural Revolution *The United States and China Since World War II: A Brief History* Chi Wang,2014-12-18 This book surveys the complicated history of U S Chinese relations After two brief chapters providing historical context the focus shifts to the mid twentieth century the wartime alliance the war s bitter aftermath and the decades since World War II including the path from normalisation to China s hosting of the 2008 Summer Olympics The author traces the ways in which the two countries have managed the blend of common and competitive interests in their economic and strategic relationships the shifting political base for Sino American relations within each country the emergence and dissolution of rival political coalitions supporting and opposing the relationship the evolution of each society s perceptions of the other and ongoing differences regarding controversial topics like Taiwan and human rights The author s early years in China American education and career as a China expert and an advisor on U S China relations and cultural affairs for over fifty years have afforded him unique opportunities to observe and participate in the development of this important relationship The Rise of the Global Imaginary Manfred B. Steger,2008-07-03 A tour de force examination of the contemporary ideological landscape by one of the world s leading analysts of globalization The Statesman's Year-Book 1990-91 J. Paxton,2016-12-20 The classic reference work that provides annually updated information on the countries of the world **Special Bibliography Series** ,1957 Japan's Quest: The Search for International Recognition, Status and Role Warren Hunsberger,2016-09-16 An international team of ten specialists in Japanese and American foreign relations address the crucial question what role should Japan play in international affairs They try to find a satisfactory answer to a concern which was first raised in the mid 19th century China Mirror William Boyd, **China Beckons** Clifford H. Phillips,1993 Designed for business travellers tourists and professionals who want to prepare to meet the Chinese on their own ground either socially or in business situations Divided into two parts practical instructions on learning Chinese and situational dialogues It includes an audio cassette providing dialogues and exercises for practising the Chinese language Air University Library Index to Military Periodicals ,1990 Comparative Politics Charles Hauss,2000 This comprehensive text focuses on traditional issues and concepts in comparative politics using a unique theme domestic responses to global challenges The author examines the growing interdependence among strong and weak states and discusses 12 countries including the U S and the European community to help students develop their skills of comparison synthesis and interpretation the author organized the text by economic development

Adopting the Track of Expression: An Mental Symphony within **Peoples Republic Of China A Concise Political History**

In a world eaten by screens and the ceaseless chatter of instantaneous interaction, the melodic beauty and mental symphony created by the prepared word usually disappear into the background, eclipsed by the persistent noise and disturbances that permeate our lives. Nevertheless, situated within the pages of **Peoples Republic Of China A Concise Political History** an enchanting fictional prize overflowing with natural thoughts, lies an immersive symphony waiting to be embraced.

Constructed by an outstanding composer of language, that captivating masterpiece conducts visitors on an emotional journey, well unraveling the hidden melodies and profound influence resonating within each cautiously crafted phrase. Within the depths with this touching evaluation, we will discover the book is central harmonies, analyze its enthralling publishing fashion, and submit ourselves to the profound resonance that echoes in the depths of readers souls.

Peoples Republic Of China A Concise Political History Introduction

In the digital age, access to information has become easier than ever before. The ability to download Peoples Republic Of China A Concise Political History has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Peoples Republic Of China A Concise Political History has opened up a world of possibilities. Downloading Peoples Republic Of China A Concise Political History provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Peoples Republic Of China A Concise Political History has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Peoples Republic Of China A Concise Political History. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Peoples Republic Of China A Concise Political History. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Peoples Republic Of China A Concise Political History, users should also consider

the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Peoples Republic Of China A Concise Political History has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Peoples Republic Of China A Concise Political History Books

1. Where can I buy Peoples Republic Of China A Concise Political History books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
