which had been for eulogetos and psallo the discussions have included that handling by the Septuagint translators While this text is not terribly exhaustive it does involve a lot of discussion about Hebrew and Greek words The Scriptures provide the bases for praising the Lord and the Hebrew and Greek praise words provide the methods for praising Him Therefore the hope is that everyone reading this book will be challenged to lay aside all of the many distractions of this existence and be drawn into a closer walk with Christ The simple fact is that nothing in this existence is more important than seeking the Lord with all of one s heart and living for Him Nothing in this existence is more important than being committed to the Christ than trusting in Him and than being in a personal relationship with Him In fact one hundred years from this very moment those are the only things that will really matter to every single person that is alive today This may be a simple thought But it is still very true If something in this life will not be important on the other side of the grave then it is not really very important on this side of the grave Not one person that has already entered eternity cares who won the important sporting events of this year or who won the highest political offices of their former land The only thing that is important to any of them is what they had done with the Lord while they had been in this life The Lord will NEVER turn anyone away that comes to Him by faith in the right spirit and with the right attitude Therefore while praising the Lord is a very important part of worship no praise or worship can ever begin until a person first comes to the Lord by faith to be saved Salvation is seeking Him with all of one s heart It is making a personal commitment to live for Him and to serve Him It is trusting in Him in one s daily walk through life It is being in a personal relationship with Him So this book like all the others by this author has been written so that every person may know the Lord in a very personal way Therefore that having been said let everything that has breath praise the Lord

Praise the Lord and Worship the Lord Johnson Mbabazi Frsph, 2019-09-19 Praise as to glorify especially by the attribution of perfections God is absolutely perfect in every aspect which means that He is worthy of praise The Bible commands every living creature to praise the Lord Psalm 150 6 There are three Hebrew words found in the Bible that explain praise in nuance These words are yadah which means praise give thanks or confess zamar which means sing praise and halal which means to praise honour or commend All three terms indicate giving thanks and honour to one who is deserving of acclamations worship is uniquely based on the teachings of the New Testament A look at the New Testament s principles regarding worship reveals many principles that help us understand the meaning of Christian worship for today First Jesus noted that His true worshipers will worship in spirit and in truth John 4 23 24 This includes both accurate truth and expressive spirit worship including loving the Lord with all of a person s heart soul mind and strength Matthew 22 36 40 Mark 12 28 34 Expressive worship does not mean that worship must be loud nor does it indicate any particular physical posture It simply means that worship comes from our spirits and involves our being heart soul mind and strength it is something we express Worship is a lifestyle response to God not just something done through music at church Worship includes daily loving God according to His teachings found in Scripture as well as with heart and emotions focused on Him

The main purpose of worship and praise is to Worshiping and praising is living a fulfil life on earth as stipulated in scriptures God placed man or woman from the very beginning in the garden of Eden was to worship and praise him purpose of our creation is to worship and praise God in his presence to build a personal relationship with God and praise and worship equips us with divine power for face life that physical realm cannot manage but only the spiritual realm I know this book will add to your understanding insight and wisdom on why we should worship and praise God **Praise the Name of the Lord** Michael Louis Fitzgerald, Michael Fitzgerald, 2017 Christians and Muslims both have an abundance of names for God e Bible provides Christians with a rich array of names for God and the ninety nine Names that Islam gives traditionally to God are drawn from the Qur an Praise the Name of the Lord is an o ering of texts from the Qur an and the Bible meant to lead to meditation and prayer **Praise the Lord Everybody!** Janel D.
