Pushing Time Away:

Pushing Time Away Peter Singer, 2015-04-14 This account of a teacher in Austria a friend of Freud and one of the millions of victims of the Holocaust is beautifully written and deeply moving Joyce Carol Oates Peter Singer's *Pushing Time Away* is a rich and loving portrait of the author's grandfather David Oppenheim from the turn of the twentieth century to the end of his life in a concentration camp during the Second World War Oppenheim a Jewish teacher of Greek and Latin living in Vienna was a contemporary and friend of both Sigmund Freud and Alfred Adler With his wife Amalie one of the first women to graduate in math and physics from the University of Vienna he witnessed the waning days of the Hapsburg Empire the nascence of psychoanalysis the grueling years of the First World War and the rise of anti-Semitism and Nazism Told partly through Oppenheim's personal papers including letters to and from his wife and children *Pushing Time Away* blends history anecdote and personal investigation to pull the story of one extraordinary life out of the millions lost to the Holocaust A contemporary philosopher known for such works as *The Life You Can Save* and *Animal Liberation* Singer offers a true story of his own family with all the power of a great novel resonant of *The Reader* by Bernhard Schlink or *An Artist of the Floating World* by Kazuo Ishiguro The New York Times This ebook features an illustrated biography of Peter Singer including rare photos from the author's personal collection

Memory, Historic Injustice, and Responsibility W. James Booth, 2019-11-05 What is it to do justice to the absent victims of past injustice given the distance that separates us from them Grounded in political theory and guided by the literature on historical justice W James Booth restores the dead to their central place at the heart of our understanding of why and how to deal with past injustice Testimonies and accounts from the race war in the United States the Holocaust post apartheid South Africa Argentina's Dirty War and the conflict in Northern Ireland help advance and defend Booth's claim that caring for the dead is a central part of addressing past injustice *Memory Historic Injustice and Responsibility* is an insightful and original book on the relationship of past and present in thinking about what it means to do justice A valuable addition to the currently available literature on historical justice the volume will be of great interest to students and scholars of political science philosophy history and law

The Death Committee Noah Gordon, 2012-06-05 The New York Times bestselling author delivers a big authentic novel of the professional and personal challenges of three young doctors The New York Times Three young men from different backgrounds have graduated from medical schools and become surgical fellows at a leading teaching hospital in Boston They learn to become surgeons to communicate with patients and families and to be observed and appraised by their peers and professors on daily rounds And each month sometimes with dry mouth and rapid pulse each attends the meeting of the Mortality Conference known to all as the Death Committee which examines every patient loss for possible human error in order to prevent it from happening again How the Death Committee affects and is affected by the lives loves and ambitions of three new doctors is the theme of this intriguing and profoundly moving novel

Upwave John Montgomery, 2011 Countering the many claims that the best days

of capitalism are over following the economic meltdown of 2008 onwards this book provocatively argues that a new golden age of capitalism or upwave began around 2002 and despite the unstable markets in the western world of the past few years this upwave will produce previously unseen levels of wealth creation during the next 20 years **God, the Good, and Utilitarianism** John Perry,2014-02-06 This book brings secular utilitarians and Christian ethicists together around the work of Peter Singer the world s most controversial contemporary philosopher *Austrian Information* ,2002 *Pushing Time Away* by Peter Singer Nelly Zola,2004 **Sexual Knowledge** Britta McEwen,2012 Vienna s unique intellectual political and religious traditions had a powerful impact on the transformation of sexual knowledge in the early twentieth century Whereas turn of the century sexology as practiced in Vienna as a medical science sought to classify and heal individuals during the interwar years sexual knowledge was employed by a variety of actors to heal the social body the truncated diseased and impoverished population of the newly created Republic of Austria Based on rich source material this book charts cultural changes that are hallmarks of the modern era such as the rise of the companionate marriage the role of expert advice in intimate matters and the body as a source of pleasure and anxiety These changes are evidence of a dramatic shift in attitudes from a form of scientific inquiry largely practiced by medical specialists to a social reform movement led by and intended for a wider audience that included workers women and children **Push Back** Tonya Lester, In her debut book popular therapist Psychology Today blogger and go to relationship expert Tonya Lester offers a master class on how to be effectively assertive for anyone whose aversion to conflict has led to struggles at home at work or in relationships Tonya Lester has a bold directive for every conflict averse woman in the world It s OK to be difficult Not mean not rigid not a bully but the kind of difficult that makes the people in your life see you and understand what you need Lester routinely witnesses clients and friends talking themselves out of justifiable anger telling half truths or backing off to avoid difficult conversations absorbing disappointment to let others have their way and doing more than their fair share of work to keep the peace Why Because most relationship guidance both personal and professional ignores the very real problems of uncooperative and avoidant partners systemic sexism and cultural pressures encouraging women to be nurturers people pleasers and peacemakers and not to rock the boat Through exercises case studies and real life examples Lester shows how to push back You ll learn to set boundaries in all kinds of relationships express your needs engage in productive conflict and deal calmly with any resulting backlash from spouses coworkers bosses in laws siblings and children Push Back gives you the tools to build a life that works better for everyone in it starting with yourself *Clear Writing* Marjorie Mather,Brett McLenithan,2006-10-31 Clear Writing is a compact varied and very readable collection of prose designed to provide models of excellent and engaging writing for courses in rhetoric composition writing university writing expository prose non fiction writing and the essay **From Metropolis to Wilderness: An Empowering Journey** Doug Williamson,2017-07-05 This is a book about a life a life of travel and learning Doug Williamson was born in South Africa He has had several careers and lived in seven different countries

A Concise History of Austria Steven Beller, 2006 For a small prosperous country in the middle of Europe modern Austria has a very large and complex history extending far beyond its current borders In a gripping narrative supported by beautiful illustrations Steven Beller traces the remarkable career of Austria from German borderland to successful Alpine republic

Theology for International Law Esther D. Reed, 2013-09-12 Whilst Christian theology is familiar with questions about the relation of church and state divine and human law little attention has been devoted to questions of international law Esther D Reed offers a systematic engagement with contemporary issues of international law and its relevance for modern theology Reed discusses numerous issue driven topics including challenges to classic just war thinking from so called fourth generation warfare peoples and nationhood within divine providence the ethics of territorial borders and the militarization of human intervention By discussing selected biblical texts Reed helps to move the issues of international law higher up the agenda of Christian theology ethics and moral reasoning

The Jewish World of Sigmund Freud Arnold D. Richards, M.D., 2010-03-10 Though Freud is one of the towering intellectual figures of the twentieth century too little attention has been paid to the influence of his Jewish identity upon his life and work particularly the impact of growing up a Jew in turn of the century Vienna The 14 essays in this volume explore the ways in which Freud and his followers were embedded in the cultural matrix of Jewish Central and Eastern Europe Topics include general sociological historical and cultural issues and then turn to the personal Freud s education his Jewish identity and his thoughts about Judaism Though a secular and ambivalent Jew Freud s emphasis on intellectualism and morality reveal the deep and abiding influence of European Jewish tradition upon his work

[Who Owns Psychoanalysis?](#) Ann Casement, 2018-05-08 So who does own psychoanalysis Equally pertinent what is psychoanalysis Even before the death of Sigmund Freud psychoanalysis was splintering into different groups each convinced of their superiority to the other There was little co operation between them plus a great deal of resentment recrimination and suspicion The status quo has been evolving slowly in recent years with increased tolerance and communication between the different factions leading to the birth of this book The result is an international and inter group collaboration of eminent psychoanalysts and scholars of psychoanalysis discussing and reflecting on the meaning psychoanalysis holds for them Their contributions have been grouped into four sections academic historical political and scientific Each paper is varied in its subject matter looking at such issues as psychoanalytic ownership the genealogy of the word psychotherapy historical perspectives on the situation whether there can be a monopoly on psychoanalysis and the role of the brain in relation to the mind and has been grouped according to its main theme

A History of the Universe Henry Kong, 2007-06 At last here is the final and most ambitious installment of Henry Kong s dazzling historical trilogy The core question is how the people of a divided impoverished continent emerged to conquer the world with their technology and ideas The serendipitous triumph of Western Civilization is an epic story every educated person should know Henry Kong s crisp and succinct narration takes the reader from the

Florentine Renaissance and the French Enlightenment to the Holocaust and the end of the human race All the key events important figures and major trends in the arts sciences and geopolitics are here along with fascinating thought provoking counterfactual scenarios This book is a must for all history fans **Fragments of a Lost Homeland** Armen T.

Marsoobian,2015-03-13 The Armenian world was shattered by the 1915 genocide Not only were thousands of lives lost but families were displaced and the narrative threads that connected them to their own past and homelands were forever severed Many have been left with only fragments of their family histories a story of survival passed on by a grandparent who made it through the cataclysm or if lucky an old photograph of a distant silent ancestor By contrast the Dildilian family chose to speak Two generations gave voice to their experience in lengthy written memoirs in diaries and letters and most unusually in photographs and drawings Their descendant Armen T Marsoobian uses all these resources to tell their story and in doing so brings to life the pivotal and often violent moments in Armenian and Ottoman history from the massacres of the late nineteenth century to the final expulsions in the 1920s during the Turkish War of Independence Unlike most Armenians the Dildilians were allowed to convert to Islam and stayed behind while their friends colleagues and other family members perished in the death marches of 1915 1916 Their remarkable story is one of survival against the overwhelming odds and survival in the face of peril **Civilians in a World at War, 1914-1918** Tammy M. Proctor,2010-08-30 This work explores

the different ways civilians work and function in a war situation and broadens our understanding of the civilian to encompass munitions workers nurses laundresses refugees aid workers and children who lived and worked in occupied zones on home and battle fronts and in the spaces in between Global in scope spanning the Eastern Western Italian East African and Mediterranean fronts the author examines in detail the role of experts in the war the use of forced labor and the experiences of children in the combatant countries As in many wars civilians on both sides of WWI were affected and vast displacements of the populations shaped the contemporary world in countless ways redrawing boundaries and creating or reviving lines of ethnic conflict **Jewish Women in** Alison Rose,2008-10-01 Despite much study of Viennese culture and Judaism between

1890 and 1914 little research has been done to examine the role of Jewish women in this milieu Rescuing a lost legacy Jewish Women in Fin de Si cle Vienna explores the myriad ways in which Jewish women contributed to the development of Viennese culture and participated widely in politics and cultural spheres Areas of exploration include the education and family lives of Viennese Jewish girls and varying degrees of involvement of Jewish women in philanthropy and prayer university life Zionism psychoanalysis and medicine literature and culture Incorporating general studies of Austrian women during this period Alison Rose also presents significant findings regarding stereotypes of Jewish gender and sexuality and the politics of anti-Semitism as well as the impact of German culture feminist dialogues and bourgeois self images As members of two minority groups Viennese Jewish women nonetheless used their involvement in various movements to come to terms with their dual identity during this period of profound social turmoil Breaking new ground in the study of perceptions and realities within a

pivotal segment of the Viennese population Jewish Women in Fin de Si cle Vienna applies the lens of gender in important new ways Extension of Life Robert J. Bauman, 2012-04-19 As a mortician Michael Baumann a Jew pretending to be Aryan devised a highly unorthodox surgical procedure that converted Jews to Aryans This helped more than 400 Jews escape from Vienna to Switzerland With five other Jews pretending to be Aryan an elaborate escape and spy network was created While most of the operations were successful there were some failures Some died so that others could live Carefully researched the story blends fiction with factual history incorporating actual events and people The novel creates a realistic portrayal of Jewish life and death before and during the Nazi takeover of Austria
