Holly Nadler,2022-12-06 You can idyll for decades on a gorgeous island comfy safe and warm immersed like a Medieval mystic on a life long spiritual path and all of a sudden it feels as if you ve been dumped on a water slide with a sign that reads This life is out of your price range sweetheart Splash Where ya gonna live In the spring of 2018 writer reporter Holly Nadler gave up her year round apartment on Martha s Vineyard even as everyone cried out Don t do it You ll never find another one And they were right Follow her around the Vineyard with her dear old thug of a Boston terrier as she lodges in a lilac walled cottage which is enchanting except for the fact that it has no running water After that come several seasons with her impossible and dementing 98 year old mother in Palm Desert CA a month in Edinburgh where she s banished from a retreat on the Holy Isle then back on the Vineyard for what she comes to think of as another Summer of Discombobulation Is it possible to be a hobo and be happy Well yeah as long as you can make people laugh as you write about it And does it help redefine your spiritual path Well sure because you re a life long seeker and you ll never lose sight of the Divine see it It s just around the next bend in the road Or the next one     *Best Russian Short Stories* Thomas Seltzer,2014-06-01 For centuries critics and fans alike have extolled the virtues of the Russian masters of fiction with many ranking them among the foremost literary artists the world has ever produced This volume collects finely crafted gems from the likes of Pushkin Gogol Turgenev Tolstoy and Dostoyevsky     **Best Russian Short Stories** Thomas Seltzer,1917 Artzbashev The revolutionist Buin The gentleman from San Francisco Chekhov The bet Chekhov The darling Chekhov Vanka Dostovesky The Christmas tree Garshin The signal Gogol The cloak Gorky Her lover Saltykov How a muzhik fed two officials Andreyev The seven that were hanged Andreyev The red laugh Pushkin The Queen of spades Potapenko Dethroned Kuprin The outrage Korolenki The shades a phantasy Gorky One autumn night Andreyev Lazarus     *Short-Stories Masterpieces: French, Russian, Swedish, From the Balkans, British* Various Authors,2011-01-01 The inflexible realist in fiction can be faithful only to what he sees and what he sees is inevitably colored by the lens of his real self For the literary observer of life there is no way of falsifying the reports which his senses physical and moral make to his own brain If he wishes he may make alterations in transcribing for his readers but in so doing he confesses to himself a departure from truth as he sees it Pure realism then demands of its apostle both a faithful observation of life and a faithful statement of what he sees True the realist uses his artist s privilege of selecting those facts of life which seem best suited to picturing his characters in their natures their persons and their careers for he knows that many irrelevant confusing and contradictory things happen in the everyday lives of everyday men So in point of practice his realism is not so uncompromising as his theories sound when baldly stated How near any great artist s transcriptions of life approach to absolute truth will always be a question both because we none of us know what is final truth

and because realists each seeing life through his own nature will disagree among themselves just as widely as their temperaments their predispositions and their experiences vary Thus we are left to the common sense for our standards and to this common sense we may with some confidence appeal for a judgment Guy de Maupassant was a realist The writer's eye he says in *Sur l'Eau* is like a suction pump absorbing everything like a pickpocket's hand always at work Nothing escapes him He is constantly collecting material gathering up glances gestures intentions everything that goes on in his presence the slightest look the least act the merest trifle But Maupassant was more than a realist he was an artist a realistic artist frank and wise enough to conform his theories to his own efficient literary practice He saw as a realist selected as an artist and then was uncompromising in his literary presentation Here at the outstart another word is needed Maupassant was also a literalist and this native trait served to render his realism colder and more unsympathetic By this I mean that to him two and three always summed up five his temperament would not allow for the unseen imponderable force of spiritual things and even when he mentions the spiritual it is with a sort of tolerant unbelief which scorns to deny the superstitious solace of women weaklings and zealots It was this pervading quality in both character and method which has caused his critics to class him as a disciple of naturalism in fiction However Maupassant's pessimism was not so great that he could not dwell upon scenes of joy but a preacher of hope he never was nor could have been Maupassant led so individual a life was so unnatural in his tastes and ended his career so unusually that common sense decides at once the validity of this one contention his realism was marvellously true in details but less trustworthy in its general results His pictures of incidents were miracles of accuracy his philosophy of life was incomplete morbid and unnatural
