Redemption Blues:

Redemption Blues Griggs, Tim (Tim Douglas),2001 **Redemption Blues** Tim Griggs,2000 Protest & Praise Jon Michael Spencer,1989 Here is a skillful tracing of two tracks in the evolution of musical genres that have evolved from black religion Songs of protest developed from the spiritual through social gospel hymnody to culminate in songs of the civil rights movement and the blues Born in rebellion they envision the Kingdom of God Songs of praise by contrast express adoration Beginning with the ring shout Spencer follows the history of intoned declamation through the tongue song Holiness Pentecostal music and the chanted sermon of the black preacher Spencer s approach termed theomusicology unlocks the wealth of African American sacred music with a theological key The result is a fascinating account of a people s struggle with God in history Theology and the Blues Justin McLendon,2024-11-25 While all music genres incorporate religious imagery the blues has its origin in the soil of the church In its infancy the blues was often dismissed as undermining the church s gospel songbook The initial resistance however could not suppress the organic development of a genre of music born from suffering The great Mississippi Delta bluesman Muddy Waters once said The blues was born behind a mule Behind a beast of burden the working man found in the blues a way to console the everyday experiences of struggle sin loss despair love grief sin death and the fear and hope of crossing the River Jordan into eternal life The church s gospel songbook explores doctrinal foundations set to music but the blues dares to uncover insight into the lived experiences of spiritual journeys Theology and the Blues showcases theological themes inherent within the organic and expressive genre of the blues **Poetry of Mourning** Jahan Ramazani,1994-05-28 Through readings of elegies self elegies war poems and the blues this book covers a wide range of poets including Thomas Hardy Wilfred Owen Wallace Stevens Langston Hughes W H Auden Sylvia Plath and Seamus Heaney It is grounded in genre theory and in the psychoanalysis of mourning **Leaving Cecil Street** Diane McKinney-Whetstone,2009-10-13 A riveting tale about a back room abortion that has devastating consequences for two teenage girls on a close knit Philadelphia block circa 1972 Block parties were king in this West Philadelphia neighborhood especially the year Cecil Street decided to have two These energetic sensual street celebrations serve as backdrops to the story of best friends Neet and Shay and their families When Neet becomes pregnant by one of the corner boys Shay arranges an abortion that goes terribly awry when Neet begins to hemorrhage Neet is left unable to bear children and to Shay s horror slips under the spell of her mother Alberta s severe esoteric religious beliefs Shay is left to struggle with the grief of losing a cherished friendship while she also bears witness to the the disintegration of her parents marriage The story climaxes during the second block party during which time it is discovered that Neet and Alberta have disappeared from Cecil Street the holy roller mother Alberta having finally been set free from the shackles of her church by none other than Shay s father **Tumbling** Diane Mckinney-whetstone,1997-04-09 A beautiful and uplifting debut from one of the most exciting voices in new black fiction **Body and Soul** Angelaurelio Soldi,2017-10-10 The poems in this collection are sometime personal

sometimes reflect on the human condition sometimes are angry Some poems ask questions some are playful funny or at least try Some poems are commentaries on characters aging love and life *Delusions of Paradise* Maiwand Banayee, 2025-04-24

When Maiwand Banayee was 16 he wanted to become a suicide bomber for the Taliban In this inspiring tale of survival and self discovery the reader will follow Maiwand s journey down a dark path and his ultimate redemption Growing up in Kabul amid the Afghan wars he witnessed atrocities that no child should ever see rotting corpses starving families a neighbourhood torn apart He escaped to a refugee camp in Pakistan where religious militants began the gradual grooming of Maiwand and other Afghan boys These confused and traumatised children were indoctrinated radicalised and prepared to die in the name of a religious war But Maiwand escaped this life Fleeing Afghanistan he had a life altering crisis of faith confidence and meaning finding new purpose and rebuilding himself Maiwand taught himself how to read and write in English and here tells his astonishing story in crystalline prose *Delusions of Paradise* offers a powerful warning about the dangers of radical religion and is a stunning celebration of self determination and redemption from an important new voice *Prophetic Leadership and Visionary Hope* Barbara Will, 2023-05-09

Thirty years have passed since Cornel West s book *Race Matters* rose to the top of the bestseller lists in 1993 Yet his book remains as relevant as ever to American culture even more so if one considers its influence on contemporary racial justice movements such as Black Lives Matter prison justice and the fight for police reform *Prophetic Leadership and Visionary Hope* an edited volume of essays by leading scholars in Black studies religious studies and social justice history looks back to the original 1993 text and forward into the future of racial understanding and healing in our current century responding to Dr West s own repeated insistence that we can only understand our present and future by looking back By reengaging with West s book at this seminal moment *Prophetic Leadership and Visionary Hope* offers new points of entry into the thorny issues that the 1993 text addressed the challenge of leadership in a culture marked by the legacy of white supremacy the limited value of liberal affirmative action programs in promoting the affirmation of Black humanity the dangerous seductions of African American conservatism and the question of Black self regard what West called black nihilism the necessity and difficulty of cross race solidarity and cross religious affinity the need to channel legitimate Black rage over untenable conditions of existence into productive opportunities and viewpoints All of these issues are even more marked in American society today The voices collected in this volume are the legitimate intellectual heirs of the original *Race Matters* With essays that span the topics of history politics philosophy religion cultural studies music and aesthetics *Prophetic Leadership and Visionary Hope* is as wide ranging as the thinker whose ideas it engages interrogates and celebrates Contributors Nkosi Du Bois Anderson Paul A Bov Matthew M Briones Farah Jasmine Griffin Susannah Heschel Lucius T Outlaw Jr Andrew Prevot Brandon M Terry Cornel West Barbara Will
