Rediscovering Mary Insights From The Gospels:

Rediscovering Mary Tina Beattie, 1995-01-01 This book discusses the character of Mary and the values associated with her in the context of the Gospels It examines Mary's response to the annunciation and birth of Jesus and looks at various interpretations of these and other major events in her life Includes a bibliography The author's other works include *The Boy with the Toucan in his Heart* published under the name Christina Bell

Rediscovering the Marys Mary Ann Beavis, Ally Kateusz, 2020-01-23 This interdisciplinary volume of text and art offers new insights into various unsolved mysteries associated with Mary Magdalene Mary of Bethany Mary the Mother of Jesus and Miriam the sister of Moses Mariamic traditions are often interconnected as seen in the portrayal of these women as community leaders prophets apostles and priests These traditions also are often inter religious echoing themes back to Miriam in the Hebrew Bible as well as forward to Maryam in the Qur'an The chapters explore questions such as which biblical Mary did the author of the Gospel of Mary intend to portray Magdalene Mother or neither Why did some writers depict Mary of Nazareth as a priest Were extracanonical scriptures featuring Mary more influential than the canonical gospels on the depiction of Maryam in the Qur'an Contributors dig deep into literature iconography and archaeology to offer cutting edge research under three overarching topics The first section examines the question of which Mary and illustrates how some ancient authors and contemporary scholars may have conflated the biblical Marys The second section focuses on Mary of Nazareth and includes research related to the portrayal of Mary the Mother of Jesus as a Eucharistic priest The final section Recovering Reception of Mary in Art Archeology and Literature explores how artists and authors have engaged with one or more of the Marys from the early Christian era through to medieval and modern times

Mary in the Christian Tradition Cummings, Owen F., 2022 Provides an overview of Mary in the Christian tradition beginning with the New Testament through the Reformation and finishing up with contemporary views on her role

Mary, Bearer of Life Christopher Cocksworth, 2023-05-31 Whether through suspicion or ignorance serious consideration of what Mary can teach us has been lacking in large swathes of the church for some time Drawing on careful biblical exegesis church history and ecumenical thinking this book suggests how a serious understanding of Mary might influence our ethical thought and considers some of the key theological tensions at the heart of the church's engagement with Mary

The Virgin Mary in Late Medieval and Early Modern English Literature and Popular Culture Gary Waller, 2011-01-20 This book was first published in 2011 The Virgin Mary was one of the most powerful images of the Middle Ages central to people's experience of Christianity During the Reformation however many images of the Virgin were destroyed as Protestantism rejected the way the medieval Church over valued and sexualized Mary Although increasingly marginalized in Protestant thought and practice her traces and surprising transformations continued to haunt early modern England Combining historical analysis and contemporary theory including issues raised by psychoanalysis and feminist theology Gary Waller examines the literature theology and popular culture associated with Mary

in the transition between late medieval and early modern England He contrasts a variety of pre Reformation texts and events including popular mariology poetry tales drama pilgrimage and the emerging New Learning with later sixteenth century ruins songs ballads Petrarchan poetry the works of Shakespeare and other texts where the Virgin's presence or influence sometimes surprisingly can be found Butler's Lives of the Saints: August Alban Butler, Paul Burns, 1998-01-01 For more than two centuries Butler's has been one of the best known most widely consulted hagiographies In its brief and authoritative entries readers can find a wealth of knowledge on the lives and deeds of the saints as well as their ecclesiastical and historical importance since canonization Mary's Bodily Assumption Matthew Levering, 2014-11-24 In Mary's Bodily Assumption Matthew Levering presents a contemporary explanation and defense of the Catholic doctrine of Mary's bodily Assumption He asks How does the Church justify a doctrine that does not have explicit biblical or first century historical evidence to support it With the goal of exploring this question more deeply he divides his discussion into two sections one historical and the other systematic Levering's historical section aims to retrieve the rich Mariological doctrine of the mid twentieth century He introduces the development of Mariology in Catholic Magisterial documents focusing on Pope Pius XII's encyclical *Munificentissimus Deus* of 1950 in which the bodily Assumption of Mary was dogmatically defined and two later Magisterial documents Vatican II's *Lumen Gentium* and Pope John Paul II's *Redemptoris Mater* Levering addresses the work of the neo scholastic theologians Joseph Duhr Alo's Janssens and R ginald Garrigou Lagrange before turning to the great theologians of the *nouvelle th ologie* Karl Rahner Hans Urs von Balthasar Louis Bouyer Joseph Ratzinger and their emphasis on biblical typology Using John Henry Newman as a guide Levering organizes his systematic section by the three pillars of the doctrine on which Mary's Assumption rests biblical typology the Church as authoritative interpreter of divine revelation under the guidance of the Holy Spirit and the fittingness of Mary's Assumption in relation to the other mysteries of faith Levering's ecumenical contribution is a significant engagement with Protestant biblical scholars and theologians it is also a reclamation of Mariology as a central topic in Catholic theology **God's Mother, Eve's Advocate** Tina Beattie, 2002-12-01 Tina Beattie has written a stunning book on the theology of woman Her stated objective is to discern the place of the female body in the Christian story of salvation and she has done so from the very heart of Christian stylisations of the female the figures of Mary and Eve Beattie has pursued her subject with the aid of French psychoanalytic feminism these writers are preoccupied as is Catholic theology with questions of language and symbolism But she deliberately puts herself at odds with neo orthodoxy and feminist liberal theology she believes that theologians like von Balthasar depart from the best Patristic tradition of Marian theology with disastrous effect Nor does she offer any solace to the Marina Warners of this world in a book which is strong in defence of classical Marian theology She defends with passion and theological insight not only the Virgin Birth the Immaculate Conception and the Assumption but also the perpetual virginity of Mary Virginal desire according to Beattie need not be seen negatively but as an affirmation of the integrity of women's desire before God in a way

not dependent on the phallus nor reducible to geniality God's Presence Frances Young, 2013-10-10 Explores how teachings of the church fathers can be applied today despite the differences in our intellectual and ecclesial environments
